MAGISTRATE DEPLORED

FACT THAT THERE IS NO BATHING PLACE

With Proper Accommodation for Young Men and Boys Who Wish to Go Swimming—Police Made Raid on a "Swimming Hole"—Offenders Allowed to Go.

It is indeed a great pity that there is no place where young men and boys could go in swimming, in the city of Kingston. The question has been talked about from year to year, but nothing has been done, and it is a great pity that no attempt has been made to provide the necessary bathing houses.

Magistrate Farrell made the above statement, in police court, Friday morning, in dealing with a case in which a young man and a boy were accused of swimming near Sowards' wharf without the necessary clothing.

However, while deploring the fact that there was no place for swimming, the magistrate pointed out that this was no excuse for the offenders. No doubt the young men and the boys did not realize the unpleasantness of their action, but he hoped that in the future, they would govern themselves accordingly. He would allow them to go this time, with a warning.

The young man who was accused told the magistrate that he had been employed on the steamer Caspian. He said that he had just got off the vessel, where he had been heaving coal, and for this reason, he wanted to take a bath. He had always been swimming at the same place, and no person had objected.

The young man and lad were arraigned in the police court as a result of a raid made by Constables James Downey and Daniel McCarry, at the "swimming hole," on Thursday afternoon.

The police had received complaints about the matter, and on this account, the officers went to the scene. Although the offenders made a hasty retreat, the constables were able to secure their names, and this was all that was desired, so that the guilty parties could be summoned.

CAPTAIN HUNTER HAS "COME BACK."

He Got Bad News at Winnipeg, But Met Some Belle-Villians.

Capt. Alfred Hunter, who left Belleville, on July 23rd, for the west, with the object of meeting his wife on her return from Japan, where she had been attending the marriage of her daughter, has returned a disappointed man.

At Winnipeg he learned that the steamship Empress of India, on which Mrs. Hunter had returned, was held in quarantine at Victoria because of a case of smallpox on board. There was nothing to do under the circumstances for Capt. Hunter but to come back, which he did, but not before with characteristic energy, he had transacted some business in connection with his official duties.

CONSERVATIVES HAD MEETING. Elected Ward Chairmen and Delegates—Addresses Delivered.

The Kingston conservatives held a rally on Thursday night, when ward chairmen were selected, also the delegates for a meeting which will be held shortly, and at which a candidate will be chosen.

The president, W. R. Givens, was in the chair, and after the business part of the meeting had been disposed of, addresses were delivered by Dr. J. W. Edwards, M.P.; W. F. Nickle, M.P.P., and Donald McIntyre.

Off to San Francisco.

Edward Ball, formerly of the Whig staff, and now of Ottawa, left, on Friday, for San Francisco, Cal., and will not be back for a month. He is one of four local delegates to the international geographical union convention. He was accompanied at far as Kingston by his wife, who will be the guest of Limestone City residents while he is away.

Out of Pocket \$50,000.

Kingstonians will remember the Sheffield choir which visited here. While its empire girdling tour was a great musical success, Dr. Charles A. E. Harris, who financed the trip, will not get out \$50,000, as the receipts did not meet the large outlay. Dr. Harris, however, is a wealthy man, and it is understood is not worrying about the financial aspect.

Presented With Flags.

The new steamer Geronia, of the Ontario and Quebec Navigation company, was expected in Picton on Friday. A presentation of flags was to be made to the company by the council, Mayor Allison making the presentation. Because of the thoroughly capable manner in which Capt. Heffman handled the new boat during the great gale on Lake Huron, the passengers gave him a purse of \$50.

Meetings Arranged.

Charles Truscott, chairman of the county property committee, was in the city, Friday, and made arrangements so that both the county and liberal-conservative meetings could be held in the court house, on Thursday, next. The conservatives will be given the use of the division court room, and the liberals will be given the use of the high court room.

Granted the Request.

The request of the provisional board of directors of the Sir John Mowat memorial, to address the Trades and Labour Council and invite it to appoint a committee to confer with the directors at as early a date as possible, was granted at a meeting of the trades' body Thursday evening. The directors were invited to attend the meeting next Thursday.

Another Searcher.

Friday was another scorcher. The thermometer at the police station door in the sun registered eighty-nine degrees in the afternoon, and threatened to go still higher.

"Buy lime juice," at Gibson's.

WITHIN THE AMOUNT

ONE OF BEST CELEBRATIONS EVER HELD IN KINGSTON.

The Final Meeting of the Committee—Thanks Were Ordered Sent to Firemen, Bandsmen and Others.

A meeting of the Old Boys' Celebration Committee was held in the council chamber, last evening, when the accounts were presented and ordered to be paid. They came well within the limit fixed by the city council, and every committeeman expressed the conviction that no celebration, in recent years, had cost so little. Of course, it might be remarked that there was an endless amount of gratuitous service associated with it. The committeemen expressed their unreserved gratification at the assistance given the committee by the firemen and a hearty vote for their zeal and efficiency, was passed and a small contribution made to the benevolent fund.

The bands were also given thanks and the intimation made that it was the earnest wish of the city that both had never played to greater advantage than on Sunday and Monday evening last. The committee was also very grateful to the Salvation Army for its sacred concert on Sunday afternoon and to show its appreciation authorized a donation to be given to the band fund.

Deputy Chief Elmer, E. Charles and the ladies' associated with them in the erection of the flag staff and flags at Victoria Park were praised for the work they had accomplished and by resolution were thanked for perseverance and endeavor in bringing the work to a successful conclusion.

Courtlandt Strange, president of the Old Boys' Association, Montreal, expressed sincere regret that the members were unable to attend the celebration chiefly owing to engagements made before hand. He suggested that at the next celebration at least a month's notice be given. The secretary will reply, and, in addition, will forward a package of souvenir programmes for distribution among members in Montreal. The secretary will also forward to the old boys of Chicago and Toronto letters, expressing the appreciation of the citizens on their visit and saying the city is always ready to meet and greet them.

Nearly every account against the committee was lyled. The mayor, Ald. Carson and Dr. Sands were appointed to vouch any future accounts that may be presented.

AN AMERICAN NEWSPAPER

Correspondent's Impressions of Grand Trunk Pacific.

Watson Banks Berry, Ottawa, correspondent of the New York Evening Commerce, who has been in Western Canada for the past few weeks, has the following to say in the Edmonton Evening Journal regarding the Grand Trunk Pacific, over which line he travelled:

"One of the greatest surprises of my life was encountered when, for the first time I had the pleasure of riding over the western extension of the Grand Trunk Pacific. Owing to the fact that the road is a new one I had expected an experience like one invariably encounters when travelling over a new railroad. Instead of the obsolete coaches, slow service and rough track, I found that the Grand Trunk Pacific are running trains that would be a credit to any road in America. With solid vestibuled trains on which are provided all modern conveniences, a roadbed unsurpassed anywhere, large engines, a fast train schedule and many other features, the road presents the appearance of a great eastern steel highway. Many roads which have been opened to the public for twenty-five or thirty years have not yet put their property in as perfect condition as this road has on the beginning."

PASSED NORMAL ENTRANCE.

The List of Those Successful From Frontenac.

The following from Frontenac have passed the entrance to normal schools:—R. E. Butterill, I. A. Baxter, E. Bourke, M. F. Braden, G. S. Cronk, A. M. Daly, H. M. Fleming, L. Fleming (hon.), H. J. Good, J. G. Hamilton, M. G. Holland, F. Hamilton, M. Harrison, S. Kennedy, M. H. LeSage, E. M. McDermott (hon.), K. McDonald, M. Mullin, A. I. Revelle, I. M. Robinson, E. Staley, A. Whelan.

These successful from Lennox and Addington are—B. R. Allen, M. J. Armstrong, F. M. Baldwin (hon), F. R. Bellance (hon), M. Blakely (hon), W. K. Cambridge, W. L. Craig, S. Donovan, C. P. Fitzpatrick, M. Finnegan, G. L. Grange, E. Hall, E. G. Johnston, E. Laidley (hon), V. McLavichlin, E. L. Morrow, L. Rockwell, K. C. Thompson, G. Taylor, B. N. Watson, E. I. Winter, M. Whiteman.

Successful candidates who desire to attend the coming session of the normal schools are notified that their applications for admission must be made to the deputy minister of education not later than Tuesday, Sept. 5th. The normal schools will open on Tuesday, Sept. 26th, at 9 a.m., at which time all candidates must present themselves. Applicants are required to be at least eighteen years of age before Oct. 1st.

CONSERVATIVE CANDIDATES.

Names of Dr. Ross and W. R. Givens Mentioned.

The political pot has commenced to simmer a little.

To-day, there was a good deal of talk on the street, about candidates, and the names mentioned were W. R. Givens, president of the conservative association, and editor of the Standard, and Dr. A. E. Ross.

Mrs. W. M. O'Brien, Miss O'Brien and Master O'Brien, Stratford, were visitors in the city to-day, leaving for home by steamer Kingston.

"Buy ice cream bricks," Gibson's. William McKay, Kingston, has taken a position on the Ottawa Journal staff, and takes over his duties next week.

WILBUR MINES CLOSE

THERE IS NO MARKET FOR IRON ORE AT PRESENT.

J. B. Hanna, President of the Ontario Exploration Company, is Here to Close the Mines—Stump in the Market.

J. B. Hanna, of Cleveland, Ohio, president of the Ontario Exploration company, is here to close up the company's iron mines at Wilbur, and stop work at the pier at Collins Bay. He states that on account of the break-up in the iron ore market in the United States, there is no chance of shipping ore from Wilbur this year. The price is fifty-cents a ton lower than it was some time ago. Just how long the mines will be closed is not known, but it is scarcely likely they will be operated again till next spring.

The closing will be a sore touch for many families in the Wilbur district. At present about 140 persons are employed out there. Since the Ontario Exploration company bought the property a year and a half ago, it has spent a large amount of money in installing machinery and making general improvements. A great quantity of ore has been mined, but none has yet been shipped.

This is the company which declared with the city council for the improving of Cataragui bridge, and whose deposit of \$14,000 was lost to the city through the agreement not being signed after it had been ratified by the council. The company started to build a pier at Collins Bay to make its shipments from there, but this pier is still incomplete, and work is to be stopped upon it.

The Wilbur mines are situated sixty miles from Kingston, on the K, and P. railway. The total acreage owned and controlled by the company is 17,237. It is said that the whole property was purchased for \$50,000, and that the capital stock is placed at \$15,000,000.

The company is interesting itself more in the gold mines it has discovered in the Cobalt district. J. G. McNulty, who was formerly manager at Wilbur, is now in northern Ontario as the company's representative.

Dance at Wolfe Island.

The dance given Thursday evening, by the English church at Wolfe Island, on William Card's grounds, was a grand success. A record crowd of the season was present, there being about 700 in attendance. The steamer Wolfe Islander took about 100 people over from the city at 7:30 o'clock, returning at 11:30. Davis and Russell's orchestra, of Wolfe Island, furnished music.

Opened Business in Lethbridge.

Bawden Bros. have opened a large house furnishing store in Lethbridge, Alta. Their store was open for inspection this week. Richard Reid, brother of Frank Reid, Princess street, is in the business with them. They are brothers of George Bawden, of the Thousand Island Steamboat company.

RECIPROCITY?

The Hottest Election Campaign in Forty Years.

\$1.00 Special News Service \$1.00

August 1st to January 1912, twenty-two weeks, at less than 5c. per week, will have the TORONTO GLOBE OR MAIL delivered to your door by the postman.

This will be the hottest political fight since the days of Sir John Macdonald and the National Policy. The above papers have arranged to have several staff men accompany the different speakers in their trips from Halifax to Vancouver, and full reports of the speeches and developments in the campaign will be printed fully each morning.

Canada is now face to face with a crisis, and no man or woman should fail to keep thoroughly posted on this important question on which the election will be fought.

Phone, mail or send orders to the The College Book Store Phone 313. 200 PRINCESS STREET. OPEN NIGHTS.

NOTE---A phone message to-night, up to 9 o'clock, will start your paper SATURDAY OF THIS WEEK.

The concert given at Macdonald Park Thursday evening, by the 14th P.W.O. Rifles band, was much enjoyed by a large crowd. A goodly number of boats were in front of the park to listen to the music.

A SUMMER TONIC

For that worn out, tired and run down feeling there is no better tonic than a combination of

BEEF, IRON AND WINE.

Ours is delicious in taste, contains iron to enrich the blood, peptonized (digested) beef to feed the tissues, and choice wine as an appetizer. In a recent Government analysis a bottle taken from our stock of Beef, Iron and Wine proved to be a superior article ranking as first class.

TRY A BOTTLE, 50c.
