THE PREMIER CONTENT WITH PEOPLE'S VERDICT.

Balfour Calls Proposed New Peers nearly lifteen years, and upon the The Lists Have Not Been Revised sistent With Honor.

London, Aug. 8 .- Rt. Hon. A. J. Bahour, leader of the opposition yesterday in the House of Commons moved a vote of censure on what he declared to be the government's unconking to create new peers to pass the the copy books which Magisveto bill in the house of lords, be trate Askwith has memorized fore the necessity had arisen.

This action followed the reply Premier Asquith to Mr. Balfour's ques ded James Ross to serve ten tion as to when the king had made + days in jail for taking an the promise to create enough peers to & Ottawa newspaper from a pass the veto bill. The premier said + doorway. that promise was made after Lord !. the amendments to the bill.

The conservatives have been charging for some time that Premier As | Orange, N.J., August 8 .- For \$15 itself. quith had advised the king to create the Orange Memorial hospital new peers months before the veto bill chased seventy-five square inches reached the house of lords, thus ren- cuticle needed by a patient who dering the debate of the lords on the been burned. The young and

grossly abused their rights of advis was all Armes could spare. ing the crown, and by abusing those rights put themselves above the constitution. They have acted wholly WEDDING RING CAUSE without precedent, not in order to meet any great question of state, but in order to further a party arrangement between the different sections who support them and in order to pre- Would vent the people of the country from pronouncing their opinion on home

The unionist leader asserted that the ministry had placed the sovereign, Chicago, Aug. S .- Mrs. Jessie Stewwho had just come to the throne, in a lart Gardner is dead at her home becruel position. The king was a fount cause she refused to take her wedding of honor, but the government by their ring from her finger.

Premier Asquith, jeeringly thanked filing was done too late.

obscured by the opposition.

"It was my strong hope and bekef," soning developed and resulted in her came up, grappling with the woman. COAL CARGOES ARE he said, "that the lords would accept death, the bill and only when that hope was Mrs. Gardner was sixty years of brought ber to the surface and she frustrated, as it was last month, was age. his majesty asked, and consented, if it was necessary, to exercise his pre HANDED REVOLVER TO rogative. We took the only course consistent with honor and a true regard o for the dignity of the crown. The Asked His Victim to Shoot Himcourse was correct, considerate and constitutional, and in my own name and in those of my colleagues, I am perfectly content to accept the decis- two bullets, last night, into the body ion of the house and of my fellow- of Koleman Gawl, in the Gawl, a- noon, Tuesday, in Paris. countrymen in regard thereto."

Mr. Asquith told the house that it victim's atfe, Bartholomew Sotak was at the king's express desire that handed Gawl the revolver and said : he disclosed the communication which "Now shoot me," and when Gawl had passed between them, so there did not take the revolver he should be no mystery and no misun- shot himself. Both men will die. derstanding of a perfectly simple and The shooting was the outcome of an correct transaction. He stated that old gradge. his intention to ask for guarantees in municated to King Edward on April WILL PUT BANK CASE municated to King Edward on April

Mr. Asquith concluded by maintaining that the only method of dealing with the situation was through the use of the royal prerogative.

"I hold my office," he added, "not only by the favor of the crown, but on behalf of the people, and I should be guilty, indeed, of treason, if, at this supreme moment of a great struggle, I were to betray their trust." The motion was defeated by a majority.

A HOT FIGHT IS ON IN
