CARRIED OFF HONORS
IN THE SHOOTING HELD AT
LONG BRANCH.

Major H. J. Dawson and Staff-Sergt.
D. T. McManus, of Royal Military
College, Did Well—Cadet Turner
and Sergt. Robertson Prize Winners.

Good consistent shooting, under
very trying weather, at the Ontario
Rifle Association meeting held at Long
Branch rifle ranges, Toronto, last
week, by Major H. J. Dawson and
Staff-Sergt. D. T. McManus, of the
Royal Military College, gained for
them places in the prize lists in each
competition throughout the meeting.
In addition Major Dawson carried off
the bronze medal in the Tyro aggregate,
with the score of 423, closely
followed by Staff-Sergt. McManus who
collected 417. Needless to mention,
these two veterans of the art soon
shot themselves out of the tyros.
Gentlemen Cadets J. A. Turner and Sergt.
Robertson were also among the prize
winners.

Getting Busy Again.—
London, Aug. 21.—Railroads are
rapidly restoring their normal service
to-day, and conditions are greatly
relieved generally in Britain. Railway-
men claim a victory. The dockers are
still out, so the ocean traffic is still
affected, but the strike that was af-
fecting the whole world is over.

To Play Ball.—
The Bethel church Sunday school
baseball team meet, to-night, at Victoria
school grounds, to play the second
game for the cup offered by
George Mills, superintendent. They did
not play last week, on account of
some players not being able to be on
hand.

Junior Series is Ended.—
The junior series of the City Base-
ball League will not be continued, in
view of the fact that the Athletics
have wiped everything else off the
slates. Without finishing the schedule
the Athletics have shown that they
have the undisputed right to the cup
by winning all games in which they
played.

Printers May Play.—
If the Printers can get a team to-
gether they will play the Railroaders
at the cricket field this evening.
Although it was stated some time
ago that the Printers had thrown
two games to the Railroaders they
have expressed themselves as being
decidedly adverse to putting the
freight handlers at the head of the
group without any trouble.

To Try the Links.—
G. L. Conley, son of Richard Conley,
New York, and a former Kingstonian,
is at the Frontenac Hotel golf links
to take part in the tournament which
begins today. Mr. Conley is a well
known golfer and holds the champion-
ship of the course for last year, cover-
ing it with a record of thirty-four. He
will have to do better this year be-
cause already the round has been made
in thirty-two.

Athletes Were Beaten.—
The junior Athletics lost their first
game this season, when the team
which they played at Wolfe Island,
Saturday afternoon, trimmed them by
the score of 9 to 5. The city team had
them beaten by a score of 5 to 4 up
till the beginning of the ninth in-
nings, when the husky Wolfe Islanders
took things in their own hands and
rounded out five runs in their half of
the innings. It is quite likely that
the Athletics will play them again at
the fair, which will be held next
month. The local boys hope to get
back at them in the return game.

To Have Strong Team.—
The Ottawa Journal's sporting edi-
tor says: In view of their creditable
performance last season in running
second to the Toronto 'Varsity Foot-
ball team in the intercollegiate, the
Queen's will start work immediately
with the renewal of the term, and
whether or not they will have all of
last year's fourteen in line the team
promises to make a big bid for the
honors.
Garfield Platt will have charge of
the Kingston students again, his won-
derful work last season in rounding
the team into first class condition hav-
ing rated him as one of the most suc-
cessful coaches in the country. Re-
ports are to the effect that Allan
Dowling, the Ottawa boy, will be
back again, while efforts will be made
to hold several of last year's best.
Practices will be held during the first
or second week in September when the
players will get right down to work.

HE LIKES TO TRAVEL
And is Contemplating a Trip to
Chicago.
The Whig had the pleasure, on Mon-
day, of a visit from Joseph R.
Smith, of Odessa, who is visiting
with relatives on Queen street, at the
home of Mrs. Rosevear. Though
eighty-two years of age Mr. Smith
is as lively as a cricket. He has never
had a pain or ache in his life.
He visited a time in Watertown and
then went on to Alexandria Bay,
where he was the guest of his sister,
Mrs. Henry Benjamin. On Monday
he came up to Kingston. He is ac-
companied by his cousin, Norman
Alport, of Pennsylvania. Mr. and
Mrs. George Way, of Watertown ar-
rived at Mr. Smith's home on Sat-
urday, on their way to Pictou to
enjoy a week's vacation with rela-
tives. Mr. Smith is now contempla-
ting a trip to Chicago, where three
of his grandchildren reside.

A Special Meeting.—
A special meeting of the city council
has been called for Wednesday, at four
o'clock, when various matters will be
considered, including an amendment to
the school debture by-law.

For the Afternoon Sail
Take steamer America Tuesday,
2:30 p.m., on her famous tour of the
islands. 50c.

This is the week for Lombard plans
at Carnovsky's.

CITY AND VICINITY.

Case Was Dismissed.

The case of an Assyrian, arrested
on Saturday afternoon, on a charge
stealing some small articles from
Knox's store, was dismissed by Mayor
Graham.

Another Popular Price Excursion.
Among the islands, only 25c. Steam-
er Quince leaves at 2 p.m., Wed-
nesday; home 8:15, one hour at Thou-
sand Island Park. This proved a very
popular trip last week.

He Sang Well.
John M. Sherlock sang in St. An-
drew's Presbyterian church, on Sunday
night, and rendered a couple of solos
in splendid voice. Many of his old
friends were out to hear him.

New Manager Arrived.
Mr. Wheatley, the new manager of
the locomotive works has arrived in
the city. Mr. Wheatley was formerly
manager of the locomotive works at
Montreal, and latterly at Dunkirk,
N.Y.

A Teacher Resigned.
The secretary of the school board
received a telegram, this morning,
from Miss Maude Cannon, of Cover-
dale, B.C., tendering her resignation
as a teacher in Victoria school. Miss
Cannon will likely locate in the west.
She was one of the best teachers on
the staff, and her retirement is re-
gretted.

Barn and Crop Burned.
A report in the city, Monday, said
that the barn and drive house belong-
ing to Andrew McFadden, Stoness'
corners, near Sydenham, was burned
to the ground, Saturday evening. It
was also said that most of the sea-
son's crop was in the barn. No cause
for the fire was forthcoming.

Kicked by a Horse.
"Berl" Simpson, a conductor on the
street railway, was kicked in the
stomach, Monday morning, by a horse
on Union street, in the vicinity of
Queen's University. The animal
planted both feet in his abdomen, but
luckily it was not serious. He went
to a doctor, Monday afternoon, to
find out if he was injured internally.

An Appropriate Discourse.
Rev. Mr. McKinnon, of Lachine,
preached in Queen Street Methodist
church, last evening, a very thought-
ful and impressive sermon on "Weep
Not," the words of Christ to the
widow of Nain. The church had lost
one of its most respected members, the
late J. A. Gardner, and the dis-
course was very appropriate.

Lake Ontario Park.
An excellent attraction has been
engaged for this week at Lake On-
tario park. The programme includes
"Herb" and Rose Renshaw, in a
comedy musical act, playing on several
string and wind instruments. Miss
Helen Harper, singing classic and
popular songs. This, together with new
moving pictures and illustrated songs,
will make a clean, bright entertain-
ment.

Stopped Runaway in Time.
The horse attached to the delivery
wagon of J. J. Lackie, baker, start-
ed to run away, Monday morning. It
was left standing on Charles street,
below Montreal, while the driver was
delivering bread inside. When it got
across Montreal street, G. D. Val-
less, who has a grocery store on the
corner, noticed the horse going by
and rushed after it. After running
about half a block he caught the
animal as it was going up the hill.

Looking After Children.
J. C. McConachie, local agent for
the Children's Aid Society, has re-
turned from Bendigo country, where he
spent the past week looking after
charges of the society in that district.
There are in all twenty children, and
Mr. McConachie paid a visit to each
one, and taken altogether, he found
them in good homes. In a few cases
the education of the children was
found to have been allowed to drop a
little, but an improvement along this
line is promised.

Laid at Rest.
Saturday afternoon the funeral took
place of Neta Lillian, the infant
daughter of Mr. and Mrs. Storms,
152 Colborne street, to Cataract cem-
etery. Rev. A. P. Mershon conducted
the service. Many beautiful floral
tokens were placed upon the casket,
including offerings sent by Mr. and
Mrs. R. Prettie, Mrs. Shaw and
grandchildren, Mr. and Mrs. W. Rod-
man, Mrs. Watt and children, Mr.
and Mrs. T. Martelli, Mrs. Wash-
burn, Mrs. Acton and Mrs. Haynes.

Paid the Damages.
One of the men, who had attended
the picnic at Lake Ontario park, on
Saturday afternoon, was not satisfied
with seeing the baseball games, but
started breaking windows in some of
the houses at Portsmouth Saturday
evening. He was under the influence of
liquor when he was doing the dam-
age. People went to Magistrate Hunt-
er and had a warrant issued. Con-
stable Smith searched for the man,
but he was not captured until Sunday
morning. He paid the damages
amounting to \$7.25, and received a
severe lecture.

DIED VERY SUDDENLY.
Brother of J. S. Randolph Passed
Away in Brockville.
J. S. Randolph, proprietor of the
Randolph hotel, received word, Sat-
urday morning, of the death, in Brock-
ville, of his brother, J. S. Randolph.
Mr. Randolph did not know of his
brother's illness. He had been in poor
health for some time. His home is in
Elgin and he went to Brockville, Sun-
day morning, to consult a doctor and
expired at four o'clock, a heart dis-
ease. Deceased was sixty-eight years of
age and leaves a wife and a grown-up
family. He was engaged in the im-
plement business in Elgin and had a
prosperous concern. His funeral will
take place from Elgin.

The "County Sheriff" Show com-
pany came over on the Cape Vincent
boat, from Watertown, and left by
train for Naples.

A SUMMER
TONIC

For that worn out, tired and
run down feeling there is no
better tonic than a combina-
tion of
BEEF, IRON AND WINE.
Ours is delicious in taste,
contains iron to enrich the
blood, peptonized (digested)
beef to feed the tissues, and
choice wine as an appetizer.
In a recent Government
analysis a bottle taken from
our stock of Beef, Iron and
Wine proved to be a superior
article ranking as first class.

THREATENED TO KILL FAMILY
Penalty of \$20 and Costs or Month
in Jail.

Mayor Graham imposed a fine of \$20
and costs, or one month in jail, in
police court, this morning, on a mid-
dle-aged man, who has been drinking
heavily of late, abusing his wife an-
grily. While in his cups, on Satur-
day, he threatened to kill all the mem-
bers of his family, with a razor. He
was accused of threatening to kill the
family, but said this was not true;
that he had no intention, but the
court took the story of the wife and
daughter in the case.
Four drunks were given a chance to
get out of the city.
