THE SPORT REVIEW

QUEEN STREET CHAMPIONS OUT WITH CHALLENGE.

To Meet Any Sunday School Team—C.L.C's. vs. Belleville To-morrow—Other Sport Notes.

Queen Street Sunday school team is out after any club, which wants to play it. The team offers a challenge to any Sunday scoool team within a reasonable distance to play home-and-home games. The club is not after money, as it is willing to play for enough to cover expenses. Any communications may be addressed to Frederick M. Clow, manager, 171 Princess street, or Frank Birch, Bagot street. The team is confident that it can trim anything in any Sunday Sunday School League within a radius of 100 miles.

Belleville Very Sore.

Belleville fans who accompanied the team to the city, Saturday, to see the exhibition game with the C.L.C.'s were a very sore bunch when the game was over. According to reports they left some of their money behind them, as the result of the score. However, they are confident that their team will make good in Belleville when the local boys go up there. If the umpire who looks after the game in Belleville, Wednesday, is straight the C.L.C.'s can win for they have a superior team.

Athletics Will Make Struggle.

Smarting from the defeat meted out to them at the hands of the Wolfe Island team on Saturday, the Junior Athletics, who met defeat for the first time since their organization, will make a supreme effort to come back when they play again at the fair next month and the Wolfe Island laddies are hereby warned to be on their mettle. The Athletics say if the Wolfe Island sports will match a team against them of the same size and age they will beat them to a standstill.

Game Was Not Played.

Contrary to expectations the game arranged Monday evening between Printers and Railroaders was not played. The Printers failed to get enough men together to form a team and the game went to the Railroaders.

$300 Cup is Offered.

A $300 cup has been put up by the Thousand Island Park Yacht Club for a series of three open races. The first event of the series will be run on Thursday, the second on the following Thursday, and the third on Labor Day.

Mit II. Wins Race for Cup.

At Alexandria Bay, in an exciting run against four speedy boats, Mit II, Saturday afternoon, won the silver cup for the special invitation scratch race. The trophy was donated by Mrs. A. E. Clark and Mrs. George S. Hasbrouck.

Against the Mitt II were the Guessnot, Furlong II, Skit and Skipper. The course was twice over the Whiskey Island route.

Tour of the Islands.

Thursday, 2.30 p.m., on the popular steamer America. 50c.

Mrs. Isaiah Parker, of Toledo, died at the general hospital, Brockville, on Saturday, aged thirty-seven years.

A PREACHER INDISPOSED.

He Will Seek Rest and Quiet at Battersea.

Gananoque, Aug. 22.—The steamer America took out a large excursion party from here, last evening, for a searchlight trip among the islands, giving one hour at Alexandria Bay. The Citizens' band and orchestra accompanied the party and rendered a fine musical programme. The coal schooner Horace Tabor arrived, yesterday morning, with a cargo for W. A. Robertson.

E. P. Wright's handsome motor boat, Betty, had the misfortune to run into D. DeFencier's motor launch, on Sunday evening, striking her amidships and necessitating the putting in of a couple of new planks in the latter. Mrs. George Thompson, John street, a patient in Brockville general hospital, for several weeks, where she underwent an operation for appendicitis, has returned home to recuperate.

The Gananoque fire brigade, with Chief Smith in charge attended divine service at Christ church, Sunday morning. The Kingston Lampman, who may possibly be an expert on flags and flagstaffs, does not, however, appear to keep abreast of the times in Gananoque history, or his amazement at Chief Smith and his fire brigade visiting Kingston on our civic holiday, would dwindle away. The old fire brigade has retained its organization, and is at any and all times in readiness to turn out for the protection of the town in case of need.

Miss Griffin, of Buffalo, N.Y., arrived, the latter part of the week, to enjoy a short outing at Mr. and Mrs. Peter Amos' camp, at E. Landon's cottage. Frank Geroy, an old Gananoque boy, located for a number of years in Niagara Falls, N.Y., accompanied by Mrs. Geroy and family, are spending a short holiday season with his sister, Mrs. Nelson Amo, Charles street.

J. K. Lattimore, Stone street, is spending a short time in Kingston on business. Mrs. Mullin, guest of her sister, Mrs. Frank Keyes, at Orchard View, for the past week, left for her home in Rome, N.Y., yesterday. Mrs. Oscar Sheets and family, spending the past five weeks with relatives in Merrickville and Smith's Falls, have returned home.

George Cosh, spendjng a short time in town with friends, returned to Montreal, yesterday. Rev. George Hopson, D.D., D.C.L., of St. Stephen's College, Annandale, N.Y., is spending a few weeks among the islands in this section. Miss Winona Pitcher, Sydenham street, spending the past few weeks with relatives and friends in Montreal and Sherbrooke, Que., has returned home.

Miss Lois Secor, reader and entertainer, is the guest of Prof. and Mrs. Graham at the Gables for a few weeks, and has been secured for an elocutionary evening under the auspices of the Y.P.S. of Grace church on Friday evening next. Miss Louise Worby, Cookshire, Que., spending the past two weeks, guest of Mrs. W. Edwards, King street, has returned home. Rev. J. T. Pitcher, pastor of Grace church, leaves to-day for a week's visit in Battersea, having been advised by his medical attendant that a rest of a few weeks is absolutely necessary.

A REPRESENTATIVE HERE.

Will Visit Mahood's Drug Store, This City.

G. W. Mahood, druggist, at the corner of Princess and Bagot streets, has made arrangements with the celebrated International College of Ophthalmology, Toronto, by which a representative of that famous firm will be in Kingston, the week of Aug. 21st to 31st, prepared to test eyes and fit persons needing them with proper glasses. The firm is so well known throughout Canada that little need be said in their praise. When it is stated that last year in Canada they fitted no less than ten thousand people, some idea of the immensity of the operations carried on by them may be had. In Kingston alone last year five hundred people were fitted with glasses, and their work has been pronounced eminently satisfactory in every case. No better endorsation of the merits of their work could be given than the fact that the International College of Ophthalmology has fitted nearly all the representatives of Canada shooting in the rifle matches at Bisley and Wimbledon. Surely no person has to be more careful about their eyes than a crack shot and the fact that the greater number of Canada's team have patronized the International College, speaks well for the efficiency of their work and the merit of their products. These specialists will be at Mahood's Drug Store until the end of the month.

Pleasant to Look Upon.

A smooth, rosy, healthy complexion is pleasant to look upon. Pimples, blotches, carbuncles and all skin diseases are removed by using "Wade's" Iron Tonic Pills. They are great blood makers and nerve strengtheners and the best tonic pill obtainable. Price 25 cents, at J. B. McLeod's Drug Stores.

Sells Tags at the Park.

At Thousand Island Park, Saturday was tag day for the newly organized Thousand Island Hospital at Clayton. It is estimated that nearly $500 was realized. About twenty-five young women and girls sold tags and nearly every resident of the park and many passengers on boats touching here bought the slips.

It is the intention of the hospital board to hold tag days at Clayton, Alexandria Bay, Frontenac and other chief points in the islands. Tags will be sold at Clayton next Tuesday, when motorboat races will be held by the Clayton Yacht club.

Fireman Fell in Water.

A fireman employed on the steamer Sowards, which arrived with coal for Robert Crawford, made a misstep when going on board the vessel at the slip at the foot of Queen street, Monday night. Although he could not swim he was able to make his way around the vessel a couple of times and effected his own rescue. The "tall" man of the boat is now very thankful that his life was saved.

TENDERS WILL BE RECEIVED BY the Chairman of the Water Works Committee, to 12 o'clock noon, August 24th, for 1,200 tons of Reynoldsville, Westmoreland or Youghiogheny Soft Coal Screenings to be delivered in the Waterworks Coal Bin as required. A cheque for 5 per cent. of the amount to be enclosed with the tender.

T. HEWITT Supt.

EIGHTEEN YEARS OLD.

Gathered in By Police for Drunkenness.

A young fellow, who was gathered in by the police, on Monday afternoon, for being drunk, told Mayor Graham in police court, Tuesday morning, that he was only eighteen years of age. It is against the law for an hotelkeeper to sell liquor to any person under twenty-one. As it was the first time the youth had been before the court, he was given a chance.

Asked by the court, the accused said he did not remember anything about how he became intoxicated. "I do not remember anything at all," he said. Constable McCarey arrested him in an hotel, where he had gone in search of liquor, and had been refused. Although just eighteen, he claimed he could fight the entire police force, but Constable McCarey was even too much for him to start on.

"Let me off this time, and I will get across the bridge as fast as I can."

This plea came from a young fellow who claimed Gananoque as his home. Vagrancy was the charge, and Constable Downey was the man who nabbed him. He had money enough to pay for his railway fare home, and the court ordered the police to buy him his ticket, and see him off on the train.

Another offender, who was drunk and disorderly, promised to leave for Montreal, and was given a chance to go.

A drunk, in jail on a week's remand, was given his liberty.

JURY WILL BE CALLED.

For One Case at Division Court—Record Number of Cases.

Although one has the power to call a jury, in a case before the division court, it is very seldom taken advantage of. At the next session of the division court, to be held next Tuesday, however, a jury will be called. The case in question is on the warrantee of a cow. It was not known to-day who would preside at the session, but in all probability it will be Judge Price.

During the eight years W. H. Carson has been clerk of the court a jury has only been called on two occasions. In all there will be about fifty cases to come up on Tuesday next.

RAILWAYS AND SHIPPERS

Would Have Suffered Had Big Strike Continued.

It is stated that local shipping companies would have soon been feeling the effects of the big railway strike in the old country, and the news that the strike has been settled, will be received with much satisfaction.

It is stated that had the strike continued, there would have been no freight for the liners at Montreal. It would, of course have been a very serious matter for the railways, and would have hit their earnings quite heavily.

Caught 5 lb. Bass.

While fishing off "Eastview Park," the summer home of his uncle, J. G. Bastow, down the St. Lawrence river, Gilbert Merritt, Colborne street, caught a bass, which tipped the scales at five pounds and two ounces. This is regarded as the biggest fish that has been caught in that vicinity this season.

A number of Peterboro people, who came on the excursion last week, returned, Monday. Their tickets were good until the afternoon train.

Twenty-four saw mills in Texas have closed down, owing to trouble of employers and unions. Eight thousand men are idle.

A. LeRicheaux, of Duluth, a former Kingstonian, is in the city for a few days, the guest of H. Moores, Barrie street.

The Harriman railroads will drop six thousand men, in the next month, until conditions improve.

MORE FLAGOLOGY.

What is a Sea Flag and What is a Land Flag?

Kingston, Aug. 21.—(To the Editor): In your issue of Friday last "Skipper" says that the Union Jack with white border is the proper flag to be flown on land. I am surprised that a seafaring man should make such a statement as the Union Jack with white border is purely a sea flag and is called "The Pilot Flag." It is flown by pilot boats, and as a signal by a ship when she requires a pilot. The flag that should be flown on land in British territory, by a British subject is the Union Jack.—ANCIENT MARINER.

Can "Jim" Enlighten Us?

Kingston, Aug. 21.—(To the Editor): I have read, with interest, the controversy carried on in the Whig between "Lampman," "Britisher" and "Skipper" about flags and flag-poles, where and when to fly them, and whether flag-poles, or masts with peak and boom, should be erected on land. No doubt a naval officer is the proper person to settle these questions and, in my opinion, the whole matter should be referred to the only official of his majesty's Canadian navy we have in Kingston, and that is Commodore "Jim" Stewart, the recruiting officer, who, no doubt, is up in this flag business.

In the meantime perhaps Mr. Shaw would describe the Canadian Union Jack, which he refers to in your issue of Saturday. We have all heard of the British Union Jack, but the Canadian Union Jack is something new. Mr. Shaw might also say what is the proper flag to be flown at the custom house. Some time ago Mr. Pugsley, minister of public works, stated, in the House of Commons, that he had given instructions for the Union Jack to be flown daily on all public buildings, in Canada, the order does not appear to have reached Kingston.—A CONSTANT READER.

A Valuable Report.

The report of the Canadian Forestry convention at Quebec has just been issued, and makes a volume of 160 pages, of addresses, papers, and discussions by Canadian and United States authorities on forestry and lumbering. All parts of Canada are embraced in the report, and all phases of the subject, commercial, educational, administrative, and protective are dealt with. The resolutions passed and changes suggested in the laws are included. Persons interested may receive a copy free upon application to the secretary, Canadian Forestry Association, Canadian building, Ottawa, Ont.

Five thousand men in Chicago are on strike. They are builders and steamfitters. The strike is the result of a violation of the agreement.
