

CHILD BADLY BURNED

JUMPED INTO BOX OF LIME WHILE AT PLAY.

Marjory Le Heup, Aged Eight Years, Victim of an Unfortunate Accident—Lime Was Being Used by Workmen in Construction of a House.

While at play with a number of companions, on Tuesday afternoon, Marjory LeHeup, North street, aged eight years, daughter of John LeHeup, jumped into a box of lime, which workmen had in readiness, to use in the erection of a building, and was terribly burned about her feet and legs. She will recover.

The lime was being used at a new house on North street, and it appears that none of the workmen were near at hand at the time, so as to prevent the child from jumping into the box. The children were running about, and the LeHeup girl just jumped into the box for a prank. As is the usual cus-

tom, sand has been sprinkled over the lime, and she was under the impression that it was all sand. The child was wearing a pair of sandals, and this made her case all the worse. As she jumped into the box, the lime splashed all about her legs, and with a terrible scream, she jumped out again and ran to her home as speedily as she could, but she was in terrible pain. A hurried call was sent to Dr. Robert Hanley, and the latter was soon on the scene, and did all that was possible for the little sufferer. The child was terribly burned, right up to the knees. It was stated that she could not have fared worse had she been burned by fire. She is doing as well as can be expected, but it will be three or four weeks, and possibly more, before she is able to be around again.

FINE SONG PAINTING

COMPLIMENTARY MUSICAL IN CONVOCATION HALL.

Mr. and Mrs. Reed Miller Lived Up to Their Well-Earned Reputations—A Very Appreciative Audience.

A very enthusiastic audience of music-lovers greeted the celebrated tenor, Mr. Reid Miller, of New York, in recital at Convocation hall, last evening, the occasion being a complimentary concert given in aid of the Ladies' Musical Club, arranged by Francis Fischer Powers, of this city, who is Mr. Miller's former teacher. Mr. Miller was ably assisted by his wife, Madame Nevada Van der Veer, and three of Mr. Powers' pupils, from Brookville, Harold Mallory, Miss Dorothy Browne, and Miss Ruby Murray; also by Miss Jessie Reid, of Kingston.

Mr. Miller lived up to his well-earned reputation; displaying a voice of exceptional quality and this, added to his temperamental nature, enabled him to "paint his pictures" with utmost fidelity. This was particularly shown in Siegmund's love song from Wagner's Walkure. In "Ab, Love But A Day," he displayed the dramatic qualities which he possesses to such a high degree. It is hard to specify but we were especially impressed by "Julis Nos," and Kamm's "Native Land."

In Mrs. Miller's singing one is not only delighted by her charming voice and attractive personality, but by the artistic qualifications which she possesses all her work. The "Wolf Song," and "A Toi," also "The Cry of Rachel," were particularly liked and displayed the great beauty of her voice. The last song was written by her husband, who also accompanied her.

The duets by Mr. and Mrs. Miller were enthusiastically received. Mr. Mallory has been heard here before and, judging by the applause which he received, is a great favorite. The little that Miss Jessie Reid did, was well done. At each appearance a steady improvement is very noticeable. Mr. Powers predicts a great future for her.

The petite Dorothy Browne was received with unmistakable evidences of approval. The audience was agreeably surprised with the understanding evinced by a young lady of her years. The quality of Miss Murray's voice will long be remembered. Her singing of "Jamie Come Home" was very artistic.

Too much credit cannot be given the accompanist, Harold Iretton Abery, for the mastery manner in which he so ably assisted at the piano. The guests in attendance included: Col. and Mrs. McGill, Miss Deacon, Col. and Mrs. Frank Strange, Col. and Mrs. H. R. Duff, Dr. and Mrs. James Third, Mrs. R. J. Carson, Misses Carson, Mrs. R. E. Kent, Misses Kent, Dr. and Mrs. R. J. Gardiner, Mr. and Mrs. Arthur Craig, Mr. Geoffrey O'Hara, of New York; Dr. and Mrs. A. W. Winnet, Mrs. J. G. Elliott, Miss Florence Elliott, Mr. and Mrs. A. C. Johnston, of Montreal; Mrs. R. Meek, Mrs. William J. Renton, Mrs. James Gildersleeve, Miss Mabel Gildersleeve, Miss Sarah Willis of Halifax, Mrs. James Mies, Miss Lorraine Mies, Mrs. W. B. THE LEAST FUEL, THE MOST SATISFACTION. It Was the Best 25 Years Ago---It is the Best To-day. You have all heard of the Happy Thought Range and most of you know some one who owns one. One of the first ranges made exclusively for the Canadian market, it is still first in the estimation of the Canadian housewife. The HAPPY THOUGHT Range has maintained its leading position through the determination of its maker that nothing short of the very best was good enough to put into it. The best material, the best workmanship, the best ideas. Every year has seen it a better range. Every new idea in range making has been thoroughly tested and when found to be an advantage it has been added to the Happy Thought. By this means alone could its supremacy be maintained—and that it has been maintained is testified to by the enthusiastic praise of the thousands of housewives who use it. Come and see one at our store. In appearance, as in general worth, it leads. More than a quarter of a million "Happy Thoughts" are in daily use in Canada. TO KICK THE SPHERE. THE FEELING IS NOW FOR FOOTBALL. Quite a Few Teams Will be in the Swim This Season—A Cup is in the Winning. Now that the baseball season is about over the thoughts of those who are interested in association football, or soccer, will turn their attention to this fall sport. The smell of fall is in the air and when it comes every Englishman and Scotchman wants to get out and kick the sphere over the field. Soccer is essentially an Englishman's or Scotchman's sport and, for that reason, it is confined principally to these nationalities. The League which has been formed here for a number of seasons back, is composed principally of these men. The Kingston Association Football League is composed from teams from the locomotive works, the R.C.H.A. and Queen's University. Although a number of the games last fall were played in the mud and rain, those who were interested stayed on the field and watched or participated in the game. The season ended by the Locos winning the cup which was up for competition. The employees of the Kingston Shipbuilding company formed a team in the spring and will likely be in the swim this fall when the league is started. An association college opens the league will be started again and that will be in a few weeks. The first rugby game is scheduled here for October 7th, and the college will be open by that time. There was a slight difference of opinion in the league, last year, as to who was entitled to the silverware. The Locos won it, but it appears that the R.C.H.A. team claimed that they did not win it properly. The dispute ended, however, by the Locos retaining the cup. Withdrew Protest. Wormwith baseball team has withdrawn the protest entered over last week's game. They protested Crawford who played with the Live Coals. It was pointed out to them that although Crawford was not here at the beginning of the season he was eligible to play. The game will stand with the Live Coals as winners. Will Play Postponed Game. The last game of section "B," of the Mercantile series, will be played either Wednesday evening, or Thursday evening between Live Coals and Wormwiths. The game was played on July 3rd and Live Coals won it, but as the result of a protest was thrown out. Where Kingstonians Stood. The weather conditions were considered on all points very difficult. Pte. Clifford, the King's Prize winner finished with 63 in the Macdougall match. Capt. G. T. Birch and Pte. Stuart, had very hard luck. Saturday's Big Game. On Saturday next the baseball fans of the city will have a chance to see one of the hardest struggles in the City League series. The C.L.C.'s and Athletics are scheduled to play. The Locos want that game, for if they win it they have the championship cinched and the series will be practically ended. If they lose to the Athletics (and they have lost twice this season) the Victorias still have a chance, for if they beat the Athletics, it will mean that Saturday, the two leading teams will be tied once more. Muckler will be here, on Saturday, to perform for the Athletics, and if he shows the form he displayed when the C.L.C.'s were beaten before, the unlooked for may happen. C.L.C.'s; Go to Belleville. At noon, to-day, the C.L.C. baseball team left for Belleville, to play the Grand Trunks, of that place, in the return game. It was part of the arrangements, when the first game was arranged here, that a return game should be played in Belleville. The fact that the Belleville team lost by a score of 5 to 1 did not diminish the trust which the Belleville rooters have in their team, for they told the C.L.C.'s supporters at the game Saturday, that they would beat them in Belleville, Wednesday, by a score of 2 to 1. They offered to bet all kinds of money on their home team and when
