Nearly Choked.
 The children soon get choked up with a cold. Mrs. Fred. Howe, of Newcastle, N.B., says: "My little eight-year-old son Arthur contracted a heavy cold. He coughed all night, and although he coughed up quantities or phlegm the breathing passages did not clear and I had thought he would choke for want of air. Our druggist recommended Hyomei. In less than half an hour it stopped the coughing, the choking sensation gradually died away and there was no further trouble."
 Hyomei is the Australian dry air treatment and is guaranteed to cure Catarrh, Cold in the Head, Coughs, Asthma, Bronchitis and Croup. Money back if it fails. A complete list includes hard rubber inhaler and paid from the H. T. Booth Co., Limited, Port Erie, Ont. Extra bottles of Hyomei, if needed, 50c. Sold and guaranteed by J. H. McLeod.

Only Fined Him.
 John D. Rockefeller went to Thomasville, Ga., a few days ago to spend the winter. Soon after he arrived he hired a team of horses from one of his neighbors. No arrangement was made as to price, and at the end of the first week the owner sent Mr. Rockefeller a bill for \$100. Mr. Rockefeller was very indignant, returned the horses, and refused to pay the bill. Roscoe Luke, who is now a candidate for governor of Georgia, was the horseman's attorney, and to him the man went with the matter.
 After Luke had heard the story he said to his client:
 "Look here, old man; it seems to me like you have overcharged him."
 "Overcharged him? your eye!" shouted the horseman. "I wasn't overcharging him; I fined him!"

They strengthen the nerves, invigorate the system, restore wasting vitality and cure all constitutional irregularities. Price, 25 cents, at Jas. B. McLeod's drug stores.

Names Afterwards Loathed.
 An examination of the registers at Somerset House shows that parents are as proud to-day as ever to label their offspring with names which in after years they bear with disgust. Boudicca, Basher, Happy, Higgins, Haystack, Brown, Anno Domini Davies, Jolly Death, Judas Iscariot Burton, Ananias Culling, Odious Heaton, Partridge Root, One-too-many Johnson, Not-wanted Smith, Bovril Simpson, Noah's Ark Smith, Affability Box and Sardine Box, Chancerylane Hingworth, Jacosse Ann Reynolds, and Rev. Jordan figure among recent entries. How can their holders be expected to keep the fifth commandment?

Methodist Mission Givings Increase.

Notwithstanding the increased revenue, the expenditure of the society during the period exceeded the income by about thirty thousand dollars.

The Royal Standard.
 In relation to the flying of the Royal Standard in Australia, the government of the commonwealth has been notified that the king has decided that the flag, which is a personal flag of the sovereign, is not in future to be flown except when his majesty is present.
 If retrospect is unpleasant, why not try anticipation?
