DOCTORS TELL HOW
"CUTICURA" CURED
SKIN DISEASES

One says, "I have Great Faith in Cuticura Remedies." Another, "They Always Bring Results."

I wish to let you know of a couple of recent cures which I have made by the use of the Cuticura Remedies. Last August, Mr. —— of this city came to my office, troubled with a severe skin-eruption. At first I could not understand the nature of the trouble, but it was traced to his occupation, as he was a painter and decorator. It was dermatitis in its worst form. It started with a slight eruption and would affect most parts of his body, especially the hands, feet, and face, and would terminate in little pustules. The itching and burning was dreadful and he would almost tear his skin apart to get relief. I gave him the Cuticura Remedies and told him to apply them three times a day. He said it would help him. His skin would thicken, break and bleed, especially on the fingers, wrists and arms. He could not manage to get relief. When skin was applied the warm baths of Cuticura Ointment she saw a decided improvement and in a few days she was completely cured.

"In the meantime my wife who was continually suffering with a slight skin trouble which had been trying different prescriptions, and was not getting any relief, was given the Cuticura Remedies. She was greatly relieved and to-day he is completely cured through her use. I have great faith in the Cuticura Remedies. I am now convinced of their value and would like to recommend them to all for whom they may be of service. Who can say that they are not good?" (Signed) B. L. Whitehead, M.D., 108 Dartmouth St., Boston, Mass., 29th, 1910.

As though in confirmation of this most convincing statement, G. M. Fisher, M.D., of Boston, Mass., writes:

"In the year 1897, I used the Cuticura Remedies and was entirely cured. I am a practicing physician and very often prescribe them in the treatment of eczema, and they have cured where other formulas have failed. I am not in the habit of prescribing patent medicines, but the Cuticura Remedies is good in merit, such as the Cuticura Remedies do, I am broad-minded enough to proclaim their virtues to the world. I have used them for twenty years, and must say I find your Remedies A No. 1. I still find the Cuticura Remedies "good as ever." They always work."
