A NEW ARCTIC RACE
PITH OF THE NEWS

HAS BEEN DISCOVERED IN BRITISH COLUMBIA.

Had Never Seen Either a White Man or Indian—Other Notable Discoveries by Scientific Expedition.

New York, Aug. 29.—A case of people who had never before beheld a white man or an Indian, has been discovered in the Arctic regions of British Columbia, by Vilhjar Stefansson, leader of the American museum scientific expedition, which left here in April, 1908, according to a letter received from him in Brooklyn.

In his letter, which is dated "Mouth of the Dease river, October 15, 1910," and is the first intelligence received from the party within a year, Stefansson says:

"It does not look on the map that we have done much; we have had predecessors in Dolphin and Union Straits—ours is merely the first winter journey and the first land journey. Ethnologically, we have done something, however, and geographically, too, for we have discovered people in a region supposed to be uninhabited, and have lived a few months among people who had never seen a white man or an Indian (though they had heard of both) and did not even know I was not an Eskimo—so little were they informed on what white men are like. We have discovered Eskimo (in speech and habits) who are Scandinavians in appearance.

"This find is the beginning of the solution of one of two problems: 'What became of some of Franklin's men? And what became of the three thousand Scandinavians who disappeared from Greenland in the fifteenth century?'

"Or, if neither of these questions is to be answered, then we have introduced a new problem of scientific interest, why do some of the people of Victorianland differ markedly from the rest of their race? Why are they so European in type?'

"Besides this discovery, which was a chance happening, we have done our routine work as well as we could. We have discovered no large, unknown river, but we have discovered the non-existence of a stream which the maps make the size of the Hudson river—when the river La Ronciere disappears from the map I shall feel I have done some house-cleaning.

"We have found a certain cape to be an island and a certain island to be a cape, we know the source of Rae river, of which only the south and lowest ten miles were seen by Dr. Rae."

"And a few other odd things we have done that are in the nature of discoveries. But, of course, if we deserve any credit, it will be more for our routine work than for any discoveries, properly so-called."

Never Forget This!

When packing for the country cottage, don't forget your box of Zam-Buk and your Zam-Buk Soap!

Blisters, sunburn, scratches, insect stings, etc., if not immediately attended to, are likely to spoil your pleasure. Zam-Buk ensures you against trouble from these.

Zam-Buk is antiseptic; kills all poison in wounds, whether from barbed wire fence, or insect sting. Soothes aching feet and blistered hands; heals baby's chafed places; cools those sunburn patches, and prevents freckles. No mother should be without it. Purely herbal in its composition, Zam-Buk is superior to the ordinary ointments containing animal oils and fats, and mineral coloring matter. All druggists and stores, 50c. box. Use also Zam-Buk Soap. Best for baby's bath and for tender skin. 25c. tablet.

THE DUKE OF CONNAUGHT

Is to be Addressed as His Royal Highness.

A circular issued by the secretary of state to the lieutenant-governors, and signed by Mr. Mulvey, the assistant secretary of state, arranges the ceremonial to be followed for the reception of the Duke of Connaught on his arrival in Canada.

It is stated in the circular that the new governor-general must be addressed not as his excellency, but as his royal highness, and that all addresses which it is intended to present him with, must be sent in duplicate to the secretary of state before the 9th of September.

The circular gives also the formulas and titles with which the new governor must be addressed either verbally or in writing, and the governors are instructed to give all necessary information to mayors of all cities and municipalities.

A BAD STOMACH

Mrs. S. Keast, of Clarksburg, Ont., says: "A bad stomach trouble that had bothered me for years, baffled and puzzled skilled physicians, was nicely relieved by Mi-o-na. My food would not digest but fermented in the stomach, forming a gas that gave me untold suffering and pain and also made me weak, nervous irritable and unable to rest. Since using Mi-o-na I can go to bed at night and sleep and wake up in the morning refreshed. I cannot speak too highly of Mi-o-na."

The dyspeptic nervous or otherwise, who does not use Mi-o-na is losing an opportunity to regain health, for Mi-o-na Tablets are guaranteed to cure dyspepsia and all stomach disturbances, such as vomiting of pregnancy, sea or car sickness after excessive indulgence. All druggists, 50c., or from the R. T. Booth Co., limited, Fort Erie, Ont. Sold and guaranteed by J. B. MeLeod.
