**WORK FOR CHURCHES.**

**Let Them Right Wrongs of Masses, Says Lloyd George.**

London, Aug. 31—Lloyd George, while laying the corner stone for a chapel at Heath appealed to the Christian churches to right the wrongs from which the masses are suffering. He said that it was the first responsibility of the churches. "There are multitudes in the country who, notwithstanding grinding toil, don't earn enough to keep body and soul together," said Mr. George. "On the other hand, some who neither toil nor spin have a superabundance. As long as these conditions exist there will be social outbursts."

"There are members of Christian churches," continued Mr. George, "who never have missed a deficiency, yet they become angry when another class of the population makes an effort to ameliorate its condition. Let them honestly search out cases and cease reviling; let them consider the conditions under which millions of poor workers live."

Give the average man half a chance and he'll want the other half.

**MANY ARE HONEST.**

Frontenac Hotel Guests Find Missing Valuables.

Frontenac, N.Y., Aug. 31.—The losses of guests in the recent Frontenac fire, caused by vandalism, have not yet been computed. Several articles of value, thought to have been stolen or destroyed, have been returned to the owners and liberal rewards received. Placards posted at public points prove the honesty of some of the finders of valuables.

Some of the people aiding in arousing guests and fighting the fire found jewelry and money in the hotel rooms at the last moment, and with the intention of locating the owners, rescued them from the flames. A. W. Graef and F. C. Schang, two students, saved a jewel case containing several articles of jewelry of indeterminate value from the flames and have made every effort to locate the owner to no avail. They will continue to search for the owner, and if efforts proved futile, will turn the case over to Mr. Trussell, who was manager of the burned hotel.

The articles of jewelry, while possibly not of great value, are initialed, and from association probably mean much to the owner.

Most of the Frontenac guests have returned home and many lost articles will perhaps never be returned, even though the finders be impelled by honest motives.

O. S. Dennis, the hotel accountant, has left for his home. When the fire threatened the main building of the hotel, Mr. Dennis took the money from the office safe, it had been put to pay the employees. Approximately \$4,000 was there, and Mr. Dennis carried around this amount in bills and coin until the following morning when the amount was checked up to pay off the employees. It balanced to a cent.

Bills announcing a reward of \$250 for the apprehension of any of the hotel vandals have been circulated throughout the islands.

**BARNs WERE BURNED**

ON R. H. MCGUINNESS' FARM,  
NEAR NAPANEE.

Loss is \$3,000—Tramps Suspected of Causing the Blaze—Death of Alexander Lafferty.

Napanee, Aug. 31.—On Wednesday morning, about three o'clock, the barns of R. H. McGuinness, Belleville Road, were burned to the ground. The fire had gained such headway that the barns and contents were totally destroyed. The cause of the fire is unknown but it is thought some passers-by or tramps must have been responsible. Loss about \$3,000, partly covered by insurance.

Alexander Lafferty, an old and highly respected resident of Napanee for many years, passed away on Friday last. The funeral took place on Sunday afternoon and was largely attended. A large family, of grown up sons and daughters survive.
