CUT IN TWO BY AUTO

SPEEDING CAR FAILED TO MAKE THE TURN.

Kingston, Ont., Knights of Columbus Have Miraculous Escape From Fatal Injury in Accident That Smashes Car.

Waterloo, N.Y., Times. Filled with knights of Columbus from Kingston, Ont., a big touring car owned by William Sullivan, of this city, failed to take the turn leading from Flower avenue west to Hillcrest road, Sunday, and after leaving the road, crashed into a telegraph pole, completely wrecking the front of the car.

This car, with several others, had been loaned to take the Canadian visitors about town and, as Mr. Sullivan's chauffeur was away, Hadley Smith was secured to drive the car. The accident occurred near the club house of the Jefferson County Golf Club and the golfers playing there shouted warning when they saw the high speed at which the car was travelling, but they were too late.

The pole into which the car crashed was a foot in diameter and was cut through in two pieces, the intersecting section of the pole flying high in the air. The upper portion of the pole remained suspended in the air, held by the wire, while the car passed over the lower part.

It was almost a miracle that no one was hurt seriously, although a Kingston man was slightly cut about the hand by flying glass. The front of the car was badly smashed, and it was hauled to the barn Sunday night.

SCHOOLS RE-OPENED

With a Very Large Attendance, Tuesday Morning.

"School days, school days, dear old golden rule days,

Reading and writing and 'rithmetic."

The Collegiate Institute and public schools re-opened Tuesday morning after the holidays, and every indication points to a record attendance.

The "kiddies" found it rather tough turning out to school after a two months' vacation and many a mother had to call several times to get the little tots out in time for school.

Today was more of a preparation day, getting the scholars in their classes, but to-morrow the pupils will get down to hard work for another term.

John McErmott, is in town for a few days.

DEATH OF MRS. THOMAS ALLEN.

Formerly Miss Laura Ely, of This City, at Edmonton.

Kingstonians will learn with profound regret of the death in Edmonton, Alta., of Mrs. Thomas Allen, formerly of this city. Deceased was ill only two weeks with septic blood poisoning and her death came as a great shock to her many friends here. She passed away Saturday at the home of her sister, Mrs. Miller. The remains were interred at Edmonton. Her death is more sad from the fact that she leaves five small children. Both Mr. and Mrs. Allen, the latter formerly being Miss Laura Ely, lived here for many years before going west. Besides her sorrowing husband and children she leaves four brothers and three sisters. Her father, Samuel Ely, is living here, with his daughter, Mrs. R. E. Aiken, Earl street.

Labor Day was a big day on the street railway. The company reported that they carried 10,300 people during the day. This was the second largest day of the season, the other large crowd being carried on Civic Holiday, when the old boys were in the city. Monday marks the close of Lake Ontario Park and many citizens made the last trip of the season.

Confidence nerves an army for a stroke, but cock-sureness gives it a wild aim. Russell Vanhorn, Clergy street, is seriously ill at his home with typhoid fever.

Miss A. Edgar, Edgemoor street, went up to Toronto on Tuesday.

There is more Catarrh in this section of the country than all other diseases put together. In the last few years were diagnosed to be incurable. For a great many years doctors pronounced it a local disease and prescribed local remedies, and by constantly failing to cure with local treatment pronounced it incurable. Science has proven catarrh to be a constitutional disease therefore requires constitutional treatment. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, Ohio, is the only constitutional cure on the market. It is taken internally in doses from 10 drops to a teaspoonful. It acts directly on the blood and mucous surfaces of the system. They offer one hundred dollars for any case it fails to cure. Send for circulars and testimonials. F. J. CHENEY & CO., Toledo, Ohio.

CAPTAIN SAVED A DOG

YACHT RAMONA DOUBLED ITS COURSE TO DO SO.

Low Water at Wharves is Causing Much Trouble in Unloading Freight—Grain Carriers Lightened Their Cargo Here and Went on to Montreal.

The water around the wharves is getting so low that if it gets much lower it will be difficult for the passenger boats to land at all. It is so low that to get freight on some of the big boats is a very difficult task. On Sunday, when the Toronto was unloading some freight at the wharf a load of soap happened to topple into the water but it was hauled out before it sunk.

The observation yacht Ramona put about and doubled over its course on Saturday to rescue a dog that had fallen overboard. "Miser," a remarkable bulldog, which takes great delight on the club ramble, fell overboard between Thousand Island Park and Frontenac. The canine career would have been clipped short but for the captain, who altered the course of the vessel so that the dog could be pulled aboard.

Cleveland despatch says: Grain shippers at the head of the lakes were active yesterday and tied up tonnage to load early in October at 1 1/2c and early in November at 1 1/2c. The figures are lower than the charter rates made a few weeks ago, but are no higher than many have predicted.

The steamer Diagonaona passed down on Tuesday.

The steamer Sowards cleared for Oswego.

The steamer Missisquoi was in port from Gananoque to-day.

M.T. Co.'s elevator: The tug Emerson cleared for Montreal with three grain barges; the tug Bartlett cleared for Oswego with the barges Hilda and Nadine, loaded with pulpwood; the tug Bartlett returned light to Kingston and will clear to-night with oil barge No. 86 and barge Winnipeg, for the Welland canal; tug Hall cleared for Montreal with two grain barges; tug Thompson, from Montreal, three light barges, cleared for Montreal with three barges; steamer Kinnmount, from Fort William, lighted a cargo of oats and cleared for Montreal; steamer Canadian is due to arrive this afternoon, will lighter grain and clear for Montreal; the barge Quebec arrived, grain-laden, from Montreal, and will clear for Montreal.

At Swift's wharf: Steamer H. M. Pellatt took a cargo of Orange Meat to Fort William, where it will be shipped to Winnipeg; steamers Kingston and Caspian made the river trip Monday; steamers Toronto and North King made the river trip today; steamer Ramona was up from Gananoque and other ports Monday; steamer Altha was down from bay ports Monday; steamer Rideau King cleared for Ottawa Monday morning; steamer Rideau Queen is due from Ottawa this evening.

The steamers Waterloo is laid up at Morrisburg for repairs. While on her last trip down to Montreal the vessel suffered a break-down, and coming back, suffered another mishap, and was compelled to go into Morrisburg.

The steamer Alexandria was at Fort George wharf, at one o'clock this morning, on her trip down to Montreal and Quebec. The vessel had a big cargo of freight.

The steamer Regina passed up on Monday.

The steamer Niagara and Wakeodah passed up on Sunday.

The steamer Pellatt passed up on Monday night.

The schooner Julia B. Merrill cleared light for Oswego to load coal for Collins Bay.

Light Has Vanished.

The light at Nine Mile Point, about which there has been so much complaint of late, has vanished, so marine men say, and it is now a very dangerous spot to navigators. It is stated that it is high time that the marine department looked after the matter.
