CAUGHT IN HAYSTACK HOW GOES THE FIGHT? DEATHS AT GANANOQUE NINE PEOPLE KILLED

ABDUCTOR OF MISS PRICE IN CUSTODY.

Was Caught in North Dakota—He Returns to Canada Without the Necessary Formalities.

Winnipeg, Sept. 18.—The most famous man in the history of the west ended at ten o'clock Sunday when a climax of the search lasting four days, in which one thousand armed men were involved, the man who is thought to have assailed Miss Gladys Price, a school teacher, was captured in a haystack three miles south of the border. Sheriff May of Hannah, N.D., made the arrest. The prisoner gave his name as Henry Bill Wilson, of Hannah, N.D., and said he was raised at Duquesne, Iowa.

He returned to Canada without requisition papers. A reward of \$500 offered by Manitoba will be paid to the Hannah posse. Chief of Provincial Police Elliott is at Hannah with ten deputies.

It is reported that Wilson or Brown has admitted his identity and confessed to the abduction. The prisoner is at Borden, Man. Violence is threatened and additional Mounted Police have been sent for.

A BIT OF EVERYTHING ABOUT THE CAMPAIGN.

Who Wants to Vote for Bourassa?—A Tory Vote Means That—May Not Have Another Opportunity.

Vote for reciprocity and free trade. Hurrab for Mowat. The liberals will win this time.

Vote for Mowat, "the pride and hope of the liberal party."

Laurier's majority may be forty or fifty seats. Kingston will be one of them.

Why not give reciprocity a trial? The agreement can be repealed at any time.

Reciprocity will increase trade and it's trade that makes the wheels go round.

Laurier will go back with from forty-five to seventy-five of a majority.

Mr. Borden's trouble about reciprocity is all because the wrong party laid the egg.

Reciprocity pact is an agreement which may be terminated at any time Canada says so. Give it a trial.

Don't have will enough alone but make it better. This is an age of progress. Canada must not stand still yet.

"Laurier is going back," says the conservative candidate in Essex. Such frank admissions by Tories are of daily occurrence.

Canada's trade with United States is \$336,000,000. Will Canada be any more disloyal when that amount of trade is doubled?

Reciprocity was a great blessing to Canada for thirty years. Why not give it another trial? The pact can be cancelled at any time.

That the Laurier government will be returned is generally admitted. Would it not be a mistake for Kingston to be in opposition?

"I have not yet met a man in favor of reciprocity," shouts Sir James Whitney. He has missed his brother in Prescott who is out and out for the pact.

Canadians need not buy from or sell to the United States unless they wish to under reciprocity. We shall be just as free to do what we like as we are now.

"The best thing about the reciprocity agreement is that it can be cancelled any time by a stroke of the pen."—John Herron, conservative candidate in Macleod.

The fact that W. F. Nickle, M.P.P., is the Tory candidate for Kingston, may be taken as another evidence of the unpopularity of holding a seat under Sir James Whitney.

The Kingston workmen realize that this is their battle; that reciprocity will mean untaxed food for them and a competition that must result in the lowering of prices.

Sir John A. Macdonald said: "The farmer never asked for anything and never got it." He seems to have wakened up, has asked for something and has a good chance of getting it.

Reciprocity is really a business proposition, not a political question. Every elector who regards it as such should vote for the measure, because both parties have declared that it will be to the advantage of the country.

Right Hon. W. E. Gladstone, as far back as 1846, when he was secretary of state for the colonies, wrote that "it will afford her majesty the most sincere satisfaction" if reciprocity can be arranged between Canada and the United States.

Every workman's wife should be an advocate for reciprocity. She buys the food and she ought to know how expensive the cost of living has become. Her influence on her husband should result in a vote for Mowat on Thursday next.

A September Wedding. On Saturday, September 2nd, Miss Minnie, only daughter of Mr. and Mrs. J. Hunter, was united in marriage to William P. Paupst, of Moose Creek, Ont. Gananoque, Sept. 18.—At the home of her sister, Mrs. Robert Brough, Market street, Miss Elizabeth Ferguson, one of Gananoque's highly respected benevolent residents, passed peacefully away on Saturday morning, in the eighty-eighth year of her age. She never married and for many years made her home with her sister, Mrs. Robert Brough. The funeral takes place this afternoon at Gananoque cemetery.

The coal schooner Horace Taber cleared light for Oswego on Saturday on Saturday for another cargo of coal.

Another of Gananoque's elderly and esteemed residents passed to rest on Saturday evening at the home of Mr. and Mrs. Delos Eaton, Brook street, where she had made her home for a number of years, in the person of Pamela Edgley, relict of the late J. Edgley, in her seventy-seventh year. Deceased was twice married, her first husband being Henry Earnes. The funeral takes place this afternoon at Willow Bank cemetery.

William Tomkins, a well-known and respected King street carter, had the misfortune to severely injure his leg by a fall on the pavement the latter part of the week. The ligaments were torn loose and his injuries will lay him up for some time.

Grace Methodist Sunday school held its annual class rally yesterday afternoon. The services were practically memorial in honor of Robert Raikes, of Gloucester, the father of the Sunday school movement. A nice musical programme was also rendered by the pupils and O. A. Meredith with his orchestra assisted in the musical numbers.

Rev. F. A. Cassidy, returned missionary from Japan, filled the pulpit of Grace church, at both services, yesterday. Efforts are being made to get Mr. Cassidy, as a permanent supply during Mr. Fitcher's indisposition, the latter having through overwork placed himself in a very serious condition, requiring a good long spell of perfect rest and quiet.

An interesting feature of the service in Grace church, last evening, was the public reception and dedication of twelve lady visitors, as provided for by the tenets of the church, the number comprising the Mesdames E. O. Britton, William Meigs, C. Knight, H. Griffin, C. Stott, Mrs. H. Ford, J. A. Jackson, G. Root, and A. B. Allen, and the Misses Essie DeLong, Beatrice G. Aikens, and Hattie Conner. BY AUTOMOBILE AT THE SYRACUSE FAIR.

The Car Was Driven by Lee Oldfield—An Alexandria Bay Man is Among the Dead.

Syracuse, N.Y., Sept. 19.—Nine persons were killed and fourteen injured, some seriously, as the result of an accident during the closing laps of a fifty-mile automobile race at the State fair track, Saturday afternoon, when a Knox car, driven by Lee Oldfield, burst from the track, crashed through the fence surrounding it, and plunged into the throngs that lined the speedway. The dead are: Charles Hamill, Hammond, N.Y.; Fred J. Arnold, Syracuse, N.Y.; Charles Bellantyne, Syracuse, N.Y.; James Coit, Alexandria Bay, N.Y.; Fayette Fink, Fairville, N.Y.; Leo Habins, Syracuse, N.Y.; Unknown man, 69 years old; Unknown man, 25 years old; Unknown boy, 10 years old.

For more than twenty miles, spectators declared, Oldfield had been driving his car with one of the shoes flapping. In the hope of beating out Dr. Palani, however, his manager, instead of stopping him, it is said, urged him to increase his speed. In spite of the fact that it became quickly known that many had been killed and injured, the officials of the track refused to call off the race and the last few miles were run while hundreds thronged the track.

Oldfield, the driver, who is among the injured, is in a city hospital, and is being guarded by an officer, and as soon as he recovers will be arrested.
