**THE SPORT REVIEW THE CHURCH SERVICES****QUEEN'S AND TORONTO ARGONAUTS THIS AFTERNOON.**

The Local Team Not to be Picked Till To-day—It Had a Good Practice Friday—Soccer Practice at Queen's.

It will be rather an uncertain rugby team which will face Argonauts at the athletic field this afternoon in an exhibition game which was arranged with the idea of giving each team a good work-out before the season opens. Queen's squad, numbering about thirty, was out on the campus, Friday afternoon, in the bleak wind for an hour and a half's hard plugging. No team can be whipped into shape in a week by any coach, and if the team is weak in any part, and it is bound to be, it will not be the fault of Coach Britton, Physical Director Bews or Manager "Jack" Marshall, all three of whom have worked as hard as they know how, during the past week in which the squad has been engaged in daily practice. The squad was divided up, yesterday afternoon, and scrimmaging and bucking the line were the main features of the practice. Different players on both teams showed up to advantage, and Argonauts, when they face the wearers of the tri-color at three o'clock will not find an easy mark.

Everyone knows the strength of the visiting team and it will need all the sand behind the Queen's team to hold the Queen City fellows down. The Toronto team has been reinforced by the addition of "Ken" Williams, of Kingston, who is one of the best punters in the game. "Ken" has played with Queen's in many games.

Queen's line-up for the game was decided at the practice on Friday, and will not be picked until just before the game. Coach Britton has not been with the team long enough to know just who to pick for the different positions, and will need time to form his opinion.

Had Association Practice. A number of the Scotsmen forming part of the line-up of the Queen's soccer team were out on the campus for a short time, Friday afternoon, limbering their legs for the practices which will start next week, the soccer league will be started soon here,

R.M.C. Athletic Sports.

The annual athletic sports at the Royal Military College take place on Wednesday, Oct. 4th, at 9 a.m., and 2:30 p.m. In the afternoon there are events open to students of McGill, Toronto and Queen's Universities, and to ex-caedets.

Baseball Results.

American League—Detroit, 9; Washington, 4.

National League—Philadelphia, 7; Pittsburgh, 4; Cincinnati, 4; Boston, 4.

Various Kinds of Sports.

A team of professionals from Australia and New Zealand is now touring England, playing the Northern Union game.

The troublers of the Ottawa Football Club have been patched up temporarily at least. They threatened to join the Ontario Union, and may yet do so.

"Ty" Cobb, the Detroit American League team-sensational fielder, is reported to be negotiating for the purchase of the Lincoln, Western League franchise.

The playing rules of the Canadian Rugby Union govern all O. R. F. U. games. The principal change in the rules of last year is the right of teams to substitute players at will.

Over in the American League, Connie Mack, with the pennant clinched, is using has-beens and recruits for the balance of the season, to give his regulars a rest, before the approaching world's series.

Each of the New Westminster lacrosse players, with the exception of Howard, earned \$1,370 this year. Howard took down \$1,500. Vancouver players took down in the neighborhood of the same sum.

In case New York wins the pennant in the National Baseball League, the world's championship games will alternate between New York and Philadelphia day by day, but if Chicago wins the schedule will be practically the same as last year.

In New York the "fans" have an abiding faith in Mathewson, Marquard, Ames, Wilfins and Cudahy, with "Big Chief" Meyers at the receiving end, and are quite willing to match them against the Philadelphia clan without that speed on the basis, which, of course, is satisfying to have as an extra asset.

"Jack" Johnson is disgusted with the turn affairs have taken here, causing the cancellation of his bout with Bomber Wells. Johnson says: "After finishing my contracts in England I will never put on the gloves in public again. I shall retire as heavyweight champion of the world, which no man before has ever done."

A Church "At Home."

The congregation of the First Congregational church held an "At Home," Friday evening, in the church parlors, which were decorated with ferns and asters. About one hundred were present, and enjoyed a social time. Vocal solos were given by Miss Hazel Massie and Miss Myrtle King, and instrumental solos by Miss Bassano-Rogers.

Extraordinary Hats.

At just ordinary prices, new derbies, \$2.50, new soft hats, in the popular shades; \$1.50, \$2, \$2.50. Campbell Bros., Kingston's only exclusive hat and fur store.

The Bishop of Ontario paid his annual visit to Kemptonville on Sept. 24th inst., and confirmed nine candidates, preaching to a large congregation in St. James' Memorial church. The church was beautifully decorated with fruit, grain, flowers, etc.

Don't leave your money in a bank for them to put out again and make a profit on it. See McCann about a good real estate mortgage.

The Y.W.C.A., at Queen's, had a happy gathering, on Friday, to welcome the freshets. Mrs. McNeil and Mrs. Scott were the chief speakers.

The weather is fine again.
