If You Investigate and Compare Values You'll Surely Buy Your Shoes Of Us. Because here you get the advantage of years of experience in handling Footwear of the highest character—assuring you satisfaction in style, fit and wear. We would like the opportunity to show you our shoes, and to point out the little differences that go to make a really good shoe; explain all further our methods, and a hundred other things that make us experts in the shoe business. The Fall styles are all in, and you'll surely be pleased with them.

J. H. Sutherland & Bro. THE HOME OF GOOD SHOE MAKING

STATISTICS OF 1861 A CHURCH WEDDING

REGARDING KINGSTON AND THE COUNTY OF FRONTENAC.

Kingston Population Was 12,743 Fifty Years Ago, While Frontenac's Was 27,347—Some Interesting Figures Given.

In two volumes containing the census of Canada in 1861, just fifty years ago, there are interesting statistics regarding Kingston and Frontenac. In that year Kingston contained 12,743 families, 2,182 houses, and only eighteen vacant houses. Kingston's population was then 13,743. The Roman Catholics totalled over one-third of the population, the number being 4,638. There were 47,122 Anglicans; 2,676 Presbyterians; 1,737 Methodists; 174 Baptists; and 177 Congregationalists.

It is of interest to note that fifty years ago Kingston contained more people than London, Ont. The city of Hamilton had only 19,096; London, 11,555; Ottawa, 14,669, and Toronto 44,821. The population of Frontenac in 1861 was 27,347, which number 14,544 were males and 12,703 were females. There were more people living in Portsmouth fifty years ago than there are now, the number being 892. There were thirty-nine more females in Portsmouth than males that year. The value of Frontenac farms then was \$4,389,391. The county produced the following: Fall wheat, 10,592 bushels; spring wheat, 224,955 bushels; barley, 53,222 bushels; rye, 50,494 bushels; peas, 174,632 bushels; oats, 491,282 bushels; buckwheat, 26,413 bushels; Indian corn, 28,980 bushels; potatoes, 31,187 bushels; turnips, 42,192 bushels; hay, 20,587 tons; wool, 82,147 pounds. Frontenac had the following live stock: Bulls, oxen and steers, 1,586; calves and heifers, 2,782; colts and fillies, 2,472; horses over three years old, 5,430; sheep, 26,642; pigs, 8,999. Total value of live stock, \$2,333,313. The county produced 636,452 lbs. of butter and 18,399 pounds of cheese.

Want to do Better. The executive of the augmentation committee of the Presbyterian church met in Toronto on Thursday last. The claims of presbytery for the quarter ending Sept. 30th were carefully considered and generally approved. It was decided to publish a leaflet on the work of the committee, which might be put into the hands of men engaged in the campaign to raise for the enterprises of the church \$500,000 this year, and \$1,000,000 next year. The committee is extremely anxious to be able, next March, to supplement the stipends in Ontario and Quebec up to \$900, in Northern Ontario and in the prairie provinces up to \$1,000, and in British Columbia up to \$1,100. It is felt that the adequate support of the Canadian ministry is absolutely vital to the success of the whole work of the church at home and abroad. In order that the attention of the committee may be realized, it will be necessary that presbyteries and others concerned exert themselves to the utmost and that congregations assign to this fund its fair share of their contributions to the schemes of the church.

Here's Some Good News. John Gleason, of Pure Ice Supply, writes the Whig that his customers can be assured that he has plenty of ice to supply needs for the next three months. Every time a man looks in a mirror he imagines that he sees a hero.

Stomach Sufferers Squander Millions

In Search of Relief. The world is full of disordered stomachs and ninety per cent of the money spent upon physicians and drugs goes in an attempt to cure the stomach. People are made to believe that in order to gain health they must doctor their stomachs and use cathartics. So the doctor gets a fee for the stomach treatment and the druggist for the physic, until the savings of a life-time are exhausted and yet no cure.

Let's be reasonable. The sick stomach is in every case the result of over-eating, hurried mastication and improper choice of foods. The mucous lining all the way down the food tract loses its sensitiveness, and when food is forced down the muscles fail to respond. They do not churn the food as they should. The glands no longer give out gastric juices to dissolve the food and render it capable of assimilation. The man has become a dyspeptic. There is one sure way and only one to bring positive relief. Put into that stomach of yours the very elements that it lacks to get that food into liquid form. It takes pepsin, diastase, golden seal and other ferments to accomplish this. The healthy stomach contains these elements. The dyspeptic stomach lacks part or all of them. Stuart's Dyspepsia Tablets is made up of just what the dyspeptic stomach lacks—Nature's digestives. Stuart's Dyspepsia Tablets are not a medicine, not a drug, not a cathartic. They do not cure anybody or anything. They do not cure any disease. They do not cure any ailment. They do not cure any ailment as arise from poorly digested food. While they digest the food the stomach recuperates. The mucous membrane is coming out of its stupor, the gastric juice is coming to the surface, the muscles are regaining their power. Every organ of the body takes on new life, the skin gains color, and the eyes are no longer tinged with yellow. You live. Why doctor and why drug yourself? Stuart's Dyspepsia Tablets will take care of your food while Nature cures you. Try a box at your druggist's, 50c. Or, if you prefer a free trial package before buying, send your name and address to-day. F. A. Stuart Co., 150 Stuart Bldg., Marshall, Mich.

WAS THAT OF MISS BIRCH AND MR. PUTNAM.

Rev. E. B. Ryckman, D.D., Officiated—He Had Married the Bride's Parents—A Happy Hour at the Bride's Home.

The marriage of Miss Florence Lilian Birch, second daughter of Mr. and Mrs. Samuel Birch, to Mr. Clarence Otis Putnam, of Utica, N.Y., was celebrated at 10.30 o'clock, Wednesday morning, in Queen street Methodist church. Rev. E. B. Ryckman, D.D., who also married the bride's parents, officiated. The decorations in the church were unusually beautiful. Quantities of fine plants, salvia and palms were used in decorating the choir loft and organ, and huge bunches of graceful roses were placed on either side of the pulpit.

The bride was brought in and given away by her father and looked particularly well in a robe of heavy ivory satin, made en princesse, with square train. A handsome bertha of rose point lace, an heron neck and the stamens family, trimmed the bodice, and was caught in front by a rosette of orange blossoms. Tiny garlands of the same flower were used in trimming the kimona sleeves, and completed a most becoming bridal robe. The veil was gracefully arranged over a wreath of orange blossoms, and the bouquet was a tower of roses and lily-of-the-valley.

The bridesmaids were the two sisters of the bride, Miss A. M. and Miss Beatrice Birch. The former wore an exceedingly becoming gown of white broadcloth and lace. The short skirt was made tunic effect and trimmed with silk fringe. The bodice in front was a coat effect of lace, veiled in ninon, with peplum edged with fringe. The panel at the back of the skirt was attached to high empire waist line, with handsome lace buttons. The Dutch neck was finished with collar of real Irish lace and a smart jabot of ninon down the side front completed the costume. She wore a black velvet picture hat, faced with maize satin and trimmed with plumes. Miss Beatrice Birch looked charming in a smart gown of blue ninon and broadcloth. The handsome bodice of Irish lace was veiled in ninon and made in surplice effect, finished in front with a rose of silver cloth and at the back with a buckle of blue satin. The Dutch neck and short sleeves were finished with shirred ninon. The short skirt of blue broadcloth was en princesse with Van Dyke points, piped with blue satin, coming from waist to hips. She wore a black picture hat of cut beaver, trimmed with plumes and faced with pale blue tulle. The bridesmaids carried pink roses, which blended perfectly with their gowns. Mr. Theodore Avery, of Utica, N.Y., was best man, and the ushers were Royden Birch and Dr. Clapp, of Utica. The wedding march was played by Miss Letta Walker.

After the ceremony Mrs. Birch held a reception at her home, on Bagot street. The drawing-room, where the bride and groom received the hearty congratulations of the guests, was effectively decorated with roses and carnations. Mrs. Birch, mother of the bride, wore a beautiful costume of white satin, with overdress of black silk embroidered voile, and handsome trimmings of cut jet and fringe. Her hat was of black velvet with turned up brim of lavender satin, trimmed with feather band and black egrette. Mrs. A. C. Birch, of Utica, N.Y., wore a gown of cerise satin, veiled in grey silk marquisette, made in tunic effect and edged with jet fringe. The skirt was finished at the edge with a band of fur. A black picture hat, with willow plumes completed the costume. Among the many handsome gifts of the popular bride, was a handsome bracelet, set with sapphires from the groom, who also gave the bridesmaids hand-painted lace pins. After the wedding breakfast Mr. and Mrs. Putnam left amid a shower of good wishes and confetti for the Adirondack, where they will spend their honeymoon. Mrs. Putnam travelled in a tailored suit of navy blue broadcloth, worn over a crepe de chine blouse of same color, and a smart beaver cloth hat to match.

Among the guests present at the wedding were: Mr. and Mrs. A. C. Birch, Utica, N.Y.; Messrs. Gerald, Ralph and Jack Emery and little Miss Florence Emery, Rev. and Mrs. S. Selvery, Mrs. H. J. Wilkinson, John McKelvey, Mr. and Mrs. Robert McKelvey, Miss Allan, R. Allan, Mr. and Mrs. John Macdonald, Mr. and Mrs. L. J. Henderson, Mr. and Mrs. W. Minnes, Miss Lorraine Montross, Mrs. Brock Graham, Mrs. W. King, Lowell, Mass.; Mrs. Spencer, Montreal; Mr. and Mrs. James Minnes; Mr. and Mrs. Currier, of Ottawa; Capt. and Mrs. Robert Crawford, Mr. and Mrs. W. T. Minnes, Mr. and Mrs. J. C. Campbell, Mrs. T. G. Smith, Mr. and Mrs. G. Y. Chown, Mr. and Mrs. W. A. Mitchell, Mr. and Mrs. John Bate, Houston, Texas; Dr. and Mrs. Gordon Mylks, Dr. and Mrs. A. W. Winnett, Mr. and Mrs. Charles A. Low, Mrs. H. B. Craig, Capt. and Mrs. Karl Folger, of Ottawa; Miss Florence Cunningham; Mr. and Mrs. A. P. Christmas, of Montreal; Arthur Wilkinson, Miss Bessie Smythe, G. H. Smythe, Misses Carrie and Ethel Waldron, W. Waldron, Miss Kate Craig, Miss Mabel Palmer, Mrs. H. L. Lorton, Miss S. Jenkins, Miss Mabel Milo, Miss Jennie McKelvey, F. Bishop, of Ottawa; James Farrell, Dr. J. J. Hartly, Stanley Graham and Garnet Lockett.

Accompanied the Remains. The remains of the late Edward S. Boyden were accompanied from Toronto to Kingston on Tuesday by his brother, Samuel Boyden, his two nephews, Messrs. Walker from Cleveland, Ohio, and T. A. Gillen, of Toronto. The officers and members of the Kingston Old Boys' Association, of Toronto, met on Tuesday morning at Home's undertaking parlors, where a short burial service was conducted for their late comrade. The woman who looks younger than she is has a much cause for worry.

ABERNETHY'S

A CANDIDATE IN OTTAWA

Is a Brother of L. P. Robinson, of Kingston.

Dr. R. Preston Robinson, the Conservative candidate in West Ottawa, is one of the best known physicians in Ottawa and is a brother of L. P. Robinson of this city, proprietor of Cataraqui Milk Dairy, Rideau River near Portland on the Rideau River and obtained his degree in Queen's University, starting to practice in Carleton Place with his uncle, Dr. R. F. Preston, now chief whip in Sir James Whitney's government. Politics runs in the family as another uncle, Dr. R. H. Preston, has represented Leeds for eighteen years.

Dr. Robinson has been identified with many of the public health reforms in Ottawa during the past few years. He has served on the staff of the Protestant hospital and was for two years a member of the Board of Health. He is looked upon as a very promising candidate in Ottawa West.

W. D. BLACK, of Parliament, the Conservative candidate for addition, to succeed W. J. Paul, M.P.

The world applauds the woman who forgives an erring husband, but it gives a man the laugh who forgives a fortunate wife. A young man can't even imagine that his best girl will ever like her mother a few years hence. A girl's idea of a rose without a thorn is a handsome young man who is rich and eligible.

Fearful Headaches

Stomach Bad, No Appetite, Was Losing Weight and Strength.

Wonderful Change When Health Was Restored by Dr. Chase's Nerve Food

Headache is a symptom and not a disease in itself. It acts as a danger signal to warn you of serious trouble. By reading Mr. Bonneral's letter you will be satisfied that there is no treatment to be compared to Dr. Chase's Nerve Food as a means of building up the system and removing the cause of headaches, sleeplessness and indigestion. Mr. Charles Bonneral, Kleinburg, Ont., writes: "I wish to communicate to you the great cure which I received from Dr. Chase's Nerve Food. For over two years I suffered from fearful headaches, my appetite was always poor, and the stomach bad. I took medicine from physicians, but the headaches persisted, and I was rarely free from them. "Headache" about Dr. Chase's Nerve Food I began using it, with little idea that I would be benefited. I had become thin and weak, but the very first box helped me, and with continued treatment I have been cured and feel like a new man. The headaches have disappeared, my appetite is good and digestion excellent." I write this letter in hope that other sufferers from headache may use Dr. Chase's Nerve Food and be cured.

These proceedings will occupy several weeks, and in the meantime Canadian affairs must get along as best they can under the guidance of a deputy minister and the civil service.

THE DAY'S EPISODES

LOCAL NOTES AND THINGS IN GENERAL.

Occurrences in the City and Vicinity—Other Brief Items of Interest Easily Read and Remembered.

Ask your grocer for King's Quality flour.

Howard Quinn, Bagot street, underwent a serious operation in the Hotel Dieu hospital, and is now doing nicely.

Court Frontenac, No. 29, I.O.F., will say farewell to Rev. Dr. Mackie, on Thursday evening. All Foresters are invited.

Henry O'Brien, the clerk at the Randolph hotel, was able to be out again on Tuesday after being confined to the Hotel Dieu for four weeks.

Ask your grocer for King's Quality flour.

Italy has declared war on Turkey, but the entire population in Kingston and Portsmouth will do that the last Monday in October," says the Portsmouth philosopher.

For best results for bread or pastry, use "King's Quality" flour.

Helen Stevenson, the four-year-old daughter of Lawrence Stevenson, Ellice street, underwent an operation in the Hotel Dieu hospital, and is doing as well as could be expected.

Yes, others make good flour, but it was left to us to make "King's Quality" manufactured by the Maple Leaf Milling Co.

Dr. George Hanley, White Plains, N.Y., is visiting his father, James Hanley, of the customs house. Dr. Hanley is superintendent of the St. Agnes hospital for children. He has some three hundred children under his care.

The Farmers' Bank. London Advertiser. On Sept. 1, T. W. Crothers, E. C. of St. Thomas, speaking at Kerwood, declared that the Conservative party, if returned to power would indemnify every man, shareholder or depositor, who had lost a dollar by the failure of the Farmers' Bank. Mr. Crothers made no pretence of expressing merely his own view. He assured his hearers that he spoke for his party.

Mr. Crothers had no right to make such a speech unless he had Mr. Borden's sanction. If he had not Mr. Borden's sanction he was guilty of a particularly flagrant piece of trickery. His speech was intended to influence the electors, and no doubt hundreds, perhaps thousands, of Farmers' Bank creditors cast their votes for Conservative candidates believing that they were voting for their own pockets. Unless Mr. Crothers spoke without authority, they have the right to ask the new Government for the immediate return of every dollar of their money.

The Farmers' Bank. Canadian Courier. Some day this week, Sir Wilfrid Laurier will drive in his motor car to Rideau Hall and hand his resignation to the governor-general. The latter will probably ask Sir Wilfrid who he would suggest as his successor. This is usual, but not absolutely necessary. Sir Wilfrid will no doubt advise his excellency to summon Mr. Borden, and the advice will be followed. Mr. Borden will drive down to Rideau Hall, and receive a request to form a ministry. He will consent. He may then or at a later date hand to his excellency the list of members for the new cabinet. His excellency will accept them all, and they will be sent for and sworn in as privy councillors. They will then resign their seats as members of parliament and go to their constituencies for re-election. When they are re-elected, parliament will be summoned.

ALL YOU NEED IS A CASCARET TONIGHT

No Sick Headaches, Bilious Stomach, Coated Tongue or Constipated Bowels by Morning.

Turn the rascal out—the headache, the biliousness, the indigestion, the sick, sour stomach and foul gas—turn them out to-night and keep them out with Cascarets.

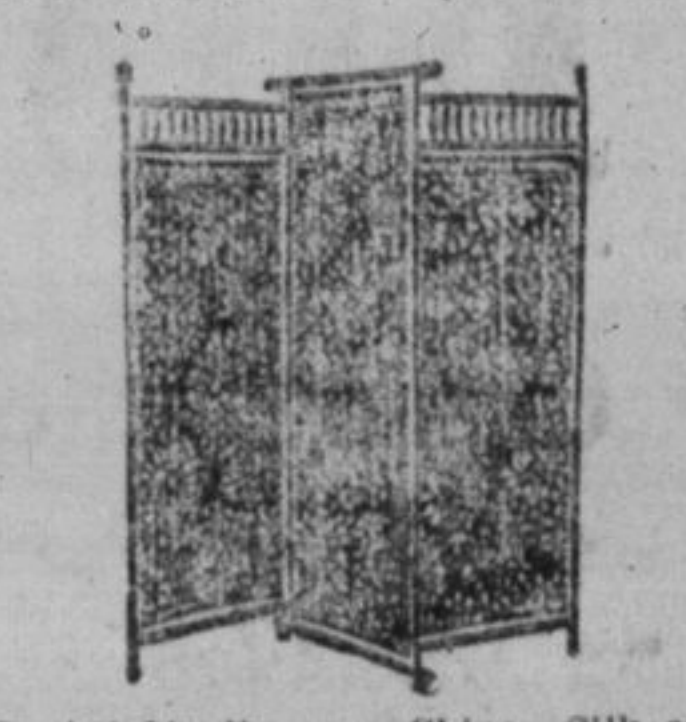

Millions of men and women take a Cascaret now and then and never know the misery caused by a liver, clogged bowels or an upset stomach.

Don't put in another day of distress. Let Cascarets cleanse and regulate your stomach; remove the food, undigested and fermenting food and that misery-making gas, take the excess bile from your liver and carry out of the system all the decomposed waste matter and poison in the intestines and bowels. Then you will feel great.

A Cascaret to-night will surely straighten you out by morning. They work while you sleep. A laxative from any drug store means a clear head and cheerfulness for months.

Children love to take Cascarets because they make good-natured people.
