# "The Only Thing That Will Relieve Neuralgia."

The piercing pains of Neuralgia, which often follows a bad cold or La Grippe, are frequently almost unbearable and few medicines afford any relief to the sufferer.

'I am a rural mail carrier and have been a user of the Dr. Miles medicines for years.

Dr. Miles' Anti-Pain Pills can't be beaten. They are the only thing I have found that will relieve my neuralgia and I have tried most everything, besides medicine from the doctor. I am willing to tell anyone what the Anti-Pain Pills did for me."

CHARLES HILDERBRANDT. · Woodvill. Ohio If you, like Mr. Hilderbrandt, "have tried most everything" in vain, why not do as he did, fight your aches and pains with Dr. Miles' Anti-Pain Pills. Let the pills bear the brunt of the battle. No matter how stubborn the contest, they will come out victorious.

Dr. Miles' Anti-Pain Pills stand on their record, which is a long list of cures extending back a generation.

Druggists everywhere self them. If first package falls to benefit, your druggist will return your money.
