**Some Costly Elections.**  
Montreal Gazette.  
From evidence given before a U. S. senate committee it appears that while it cost \$107,000 to elect Lane Stephenson, a member of the senate, for Wisconsin, his three competitors, for the party nomination spent one \$42,000, one \$30,000 and one \$11,000. A senatorship is one of the big prizes of U. S. political life and there is naturally keen competition for the favor of the party that can give one. It is a pity that the competition is so much one of purses.

Robert H. Dowles, a native of Prescott, and up to June last a resident of Cardinal for many years, died on Saturday last in Calgary, Alta. He leaves one brother, Samuel Dowles, of Prescott.

**Would Fall in a Faint**  
When She Attempted to Work so Exhausted Was the Nervous System.

The Feeble, Wasted Nerves Were Restored and Revitalized by Dr. Chase's Nerve Food

Nervous prostration is a terrible disease to all who understand its symptoms. At times the sufferer feels comparatively well, but with slight exertion the dreadful helplessness returns and all strength and vitality seems to leave the system. This letter from Mrs. Martin very well describes the terrible condition in which many a sufferer finds herself. She also tells how she regained health and strength by using Dr. Chase's Nerve Food after all other treatments had failed.

Mrs. Edwin Martin, Ayer's Cliff, Que., writes:—"Before I began using Dr. Chase's Nerve Food I was in a terrible condition from nervous exhaustion and prostration. Dizzy spells would come over me and I would fall to the floor. The weakness was so great that I could not so much as sweep the floor without fainting, but the nerve food helped me after the doctors failed. It has done wonders in building up my nervous system. I can do my own housework now and washing and feel that this great medicine has been a God-send to me. I think it is the best of medicines."

**A Valuable Aid in Fighting Tuberculosis**  
The modern weapons against the "White Plague" are fresh air and nourishing food. For years Cod Liver Oil has been recognized as probably the best form of nourishment.  
The difficulty has been with its nauseating taste and its tendency to upset the digestion. In  
**NA-DRU-CO Tasteless Cod Liver Oil Compound**  
the nasty taste and the indigestibility have been done away with entirely. The Compound is very agreeable both to the palate and the stomach. At the same time it retains the nutritive and curative properties of the pure Norwegian Cod, strengthened by the addition, in just the right proportions, of Extract of Malt, Wild Cherry, and Hypophosphites of Lime, Soda, Potassium, Magnesium and Iron.  
When a child or cough "hangs on", particularly with a child or growing boy or girl, don't take chances. Start right with a bottle of Na-Drucod Tasteless Cod Liver Oil Compound—it will quickly build up the strength to throw off the cough or cold.  
Ask your druggist about Na-Drucod Tasteless Cod Liver Oil Compound. He has it—or can get it—in 50c. and \$1.00 bottles. 103

and possess a range that will always give you complete satisfaction. Its efficiency is based on a stove experience of over half a century. Its improvements are those that have been thoroughly tested and found to be of real value to a range.

It is made of material that will give lasting service, the parts subject to the greatest strain and wear are especially reinforced, and it has a reputation to live up to that obliges the makers to see that every range turned out of their factory is perfect.

It is always good policy to be thoroughly informed about any article before buying.

We will be pleased to explain the Happy Thought Range to you and then when you have examined the other stoves in the market—we will be ready to do business with you.

**You will be proud of the bread you'll make with PURITY FLOUR**

AFTER seeing a batch of big, golden-crust, snowy-white loaves, that you have baked from PURITY FLOUR, you will, indeed, be proud of your cooking-ability—and proud of your wisdom in deciding to pay the little extra it costs to procure such high-class flour. You will admit, too, that we are justified in the pride we take in milling this superb flour.

**PURITY FLOUR**  
"More bread and better bread"

PURITY FLOUR is milled exclusively from the best Western hard wheat—the world's finest. More than that, PURITY FLOUR consists entirely of the high-grade portions of the wheat. The low-grade portions are separated and excluded during the PURITY process of milling. Such high-class flour, of course, expands more in the baking. It makes "more bread and better bread."

It makes lighter, flakier pastry, too, if you just take the precaution to add more shortening. On account of its unusual strength PURITY FLOUR, for best results, requires more shortening than ordinary flour.

Progressive dealers, everywhere, sell PURITY FLOUR and take pride in recommending it.

Add PURITY FLOUR to your grocery list right now.
