**THE SPORT REVIEW**  
R.M.C. WISS INTERCOLLEGIATE CHAMPIONSHIP.  
Took Both the Singles and Doubles—Queen's at Ottawa—Another Rifle Shooting Association.  
The Royal Military College Tennis Club won both the singles and the doubles in the Intercollegiate tournament, which was held at the Military College grounds on Thursday and Friday.  
Rhodes and Macdonald (R.M.C.) won from Jackson and Dempster (McGill) by 6-1, 6-8, 6-9, 6-2.  
Rhodes (R.M.C.) won the singles from Green (R.M.C.) by a score of 6-1, 6-3, 6-3.  
After the games tea was served in honor of the visitors.  
The standing of the different colleges is as follows: R.M.C., first; McGill, second; Varsity, third; Queen's, fourth. Varsity won the championship last year, but were not in it this year.

**Queen's vs. Ottawa College.**  
Queen's rugby team took a long-earned and much-needed rest Friday afternoon, preparatory to going to Ottawa to-day. The team had the final workout Thursday afternoon, and spent Friday resting in preparation for the trip and the game this afternoon. The team is in excellent condition, and will give Father Stanton's bunch the time of their lives. Leckie, the captain, has a bad thumb, as the result of a collision with another player, but hopes to get through the game without any serious results.  
"Shorty" Dick will get a tryout with the team to-day, on the back division, in the place of Leckie, who has retired to his old position as full back. "Shorty" is a good man, and will likely prove his mettle. McNeil will be played at quarter. Greg, George will play spare. Foster will likely play part of the game at outside wing. Barker will be in the scrum, while McIlquham will be reserved. The probable lineup of the team will be:  
Full back, Leckie; halves, Dick, Hazlett and Macdonald; quarter, McNeil; scrum, Barker, McLeod and Rodden; outside wings, Smith and Erskine; middle wings, Smith and Erskine; inside wings, Young and Kinsella.

**Will Not Play Saturday.**  
It was announced that the junior C.I.R.F.U. game, between Collegiates and R.M.C. II, would take place Saturday afternoon, at the Royal Military College grounds, but the game will not be pulled off until Wednesday afternoon, at the athletic field.  
**City League Meets.**  
The executive of the City Baseball League will meet Monday evening, to elect officers for next season.  
**Six Men For a Hockey Team.**  
At a meeting of the National Hockey Association, held in Montreal a few days ago, it was decided that from now on only six men would be played on a hockey team, the rover being done away with.  
Local hockeyists have scarcely had time to ponder the idea yet but they do not think it will ever be taken up in Intercollegiate or O.H.A. circles. Many are of the idea that the dispensing with this may place too much work on the centre player.

**To Form Rifle Association.**  
Discussion is under way for the formation of a rifle association in connection with the Sunday school, A.A.A., and it is quite probable that a meeting will be called to go into the matter more fully. It is too late this fall to organize but indoor shooting could be carried on during the winter, possibly in the armories. The government assists associations by furnishing a certain amount of equipment. The idea is meeting with approval.  
**R.C.H.A. Sports To-day.**  
It is quite probable that the remainder of the R.C.H.A. sports will be run off at Barrieffield this afternoon. If the work was in a position so that the soldiers could get away they would do so.

**Notes on Sports.**  
Belleville curlers will have a new rink of steel construction.  
Signs of winter are seen in the elections of hockey and curling clubs.  
Opinions differ as to the benefit of reducing National Hockey Association teams to six players.  
Ben Simpson, of Hamilton, and George Simpson, the ex-Varsity player, are the officials for the Argonaut-Montreal game to-day in Montreal.  
Owing to the fact that the Ontario A. C. has dropped out of the intermediate series of the Intercollegiate, McMaster and Varsity II are left alone in their division.  
Hall, the speedy half of the McGill rugby team, who captained Bishop's College school last year, broke his arm at practice, Wednesday, and will be out of the game for the season.  
Outfielder Schulte, of the Chicago National League club, and Ty Cobb, of the Detroit American league team, won the automobiles offered this year for the player in each league who was adjudged by a "jury" of newspaper men to have been of most service to his club in 1911.  
Marty Walsh says that the reduction of teams to six men will make hockey ragged and militate against combination play, tending to make individualism instead of team work, the predominant feature of the national winter game. Walsh points out that in the event of one penalty only two forwards would be left on the ice. He says, moreover, that it would be far too strenuous for any man to attempt to do what any of three forwards would be expected to do.  
Efforts will be made by the Ottawa football club to have the new governor-general, the Duke of Connaught, the guest of honor at the big Ottawa-Tiger game here on Oct. 28th, and incidentally kick off the half. His royal highness is to make his home in Ottawa, and, like the late governor-general, Earl Grey, will no doubt take an active interest in the athletic features of the capital. The duke, in

**The Man On Watch.**  
One hears of provincial rights and women's rights, remarks the Lampman, but he wishes to champion the babies' rights. He has been asked by a mother to remind the town council, in behalf of the babies, that in future the street crossings should be connected with the sidewalks either by a slight incline or at least with a very small drop. At present, many of the crossings are a foot below the walk, and when baby is taken for a drive in its carriage, it is injurious both to itself and its mamma to have the carriage drop down from the sidewalk with a sudden jolt. Let the streets committee, of which Town Councillor Rigney is president, remember this petition of the babies, who ask that they be given a fair show.

The "Indian" population of the town will soon have a chance to express their disapproval of the legislation enacted for some years against them. The Lampman does not think much of the "Indian law." It is too hard on tavern-keepers, who are inclined to be fined if their bartenders sell to those on the list, even though they may have no idea of the parties barred from getting drink. The tavern-keepers will also have a chance to express themselves upon the legislation which takes from their tills five per cent of the bar money when it exceeds forty dollars a day.  
There are many people who are anxiously awaiting the time when the morality society will present to the town council its petition asking that the liquor licenses be reduced by twelve. A prominent election worker told the Lampman that if the measure went to the people it would carry, and he would do all he could to make sure of its passing. The worker in question is a drinker himself, but believes that the town has too many places for the sale of intoxicants.  
The argument is used by the liquor men that the more of the small drinking places cut off, the more "hard" liquor will be drunk. The chief liquid consumed is ale and beer, whereas in the larger bars, whiskey and other strong intoxicants yield the largest revenue. Lessen the number of bars and there will be more home drinking, is their claim. The Lampman is inclined to agree that after all, bar drinking is perhaps better than home drinking, for one is apt to consume more in his own house than he would in a bar. No doubt the whole matter will be fully discussed during the coming reduction campaign. The Lampman thinks, however, that the people will vote to wipe out a number of the bars, for Kingston certainly has too many.

The country will not be safe until a Presbyterian kirk elder is appointed to the Borden cabinet, the Lampman declares. How the new premier came to ignore the Presbyterians is a mystery. Kingston elected, one as her representative, and put up two in order to have a choice.  
—THE TOWN WATCHMAN.  
**Saturday's Market.**  
There was a very large market on Saturday morning. The prices in some cases were very high. The 8:30 o'clock boat brought over about 200 island produce for the market. The price for fresh eggs was 35c, a dozen; butter sold at 30c; potatoes at \$1.25; pig, poultry, from 75c to 90c, a pair.

**THE CHURCH SERVICES**  
Favorable, Monday, 5 p.m.; general prayer meeting, Wednesday, 8 p.m. Music: Morning, anthem, "Praise Him"; Evening, anthem, "Sing, O Heaven"; mixed quartet, soloists, Miss Mitchell and W. Mack. Students and all others will receive a hearty welcome to this church.  
Queen Street Methodist church—Rev. S. Selvery, M.A. B.D., pastor. Rally day Sunday school and church. Rev. T. W. Neal, pastor of Sydenham Street Methodist church, will speak at 11 a.m., on "Reasons Why All the Members of the Congregation Should Belong to the Sunday School." The pastor will speak in the evening on "The Achievements and Characteristics of Methodism," suggested by the meeting of the Ecumenical Methodist Conference in Toronto, at 2:45 p.m., a grand rally of the Sunday school forces, to which all the parents are invited. Music: Anthems, "His Loving Kindness" and "Hear Me When I Call." Solos by Mrs. Evans and Mr. Trimble. A cordial welcome to students and strangers.

**SKIN TROUBLES GROW WORSE**  
Eczema, Psoriasis, and other skin troubles are caused by myriads of germs at work in the skin. Unless these germs are promptly destroyed they rapidly multiply, gnawing their way deep into the sensitive skin. This is what causes that awful itch, and what seemed a mere rash may grow worse and develop into a loathsome and torturing skin disease with its years and years of misery.  
Don't take any chances! Destroy the germs at the beginning of the trouble with that soothing and cleansing wash, the D.D.D. Prescription for Eczema.  
We have had experience with many remedies for skin trouble but have never seen such remarkable cures as those from D.D.D. Prescription. Instant relief from the very first application.  
If you have skin trouble of any kind, we certainly advise you to drop in and investigate the merits of D.D.D. or why not drop a line to the D.D.D. Laboratories, Dept. K.W., 49 Colborne street, Toronto.  
We know that D.D.D. will help you. George W. Mahood.

**Revises Old War Days.**  
Colonel Joseph E. Caven, who is manager of "The Squaw Man," company, which comes to the Grand Opera House on Monday night, is a unique and interesting character in the theatrical world. The colonel served in the Confederate army. He was a distinguished officer on the staff of that brave and gallant soldier, General Albert Sydney Johnston, who fell in the midst of the victory at Shiloh.  
**The Hats With a Guarantee.**  
Buy a Bowler and you will have Fashion's latest and a hat that is absolutely guaranteed, even against accident. These celebrated hats, as well as the other leading makes, are to be had in Kingston only at Campbell Bros., the style centre for men's hats.  
**The New Public School.**  
The work on the new Methodist school is going along nicely. The first storey is up, and preparations are being made to put up the girders for the next storey. By the time the men are going, the roof will be on in about three weeks' time. The building is going to be a fine looking structure and the rooms will be very large. The building will be somewhat of the style of the Collegiate Institute.

**Years of Suffering**  
A Desperate Case of Catarrh in the Head.  
"My father had catarrh in the head for a long time. It was such a desperate case that he didn't know what to do, but one of his friends recommended Hood's Sarsaparilla. He got a bottle immediately, and as soon as he commenced taking it he felt relief and after the use of two other bottles was completely cured. He was so well pleased he has ever since recommended Hood's Sarsaparilla." Duke Albert Prince, work, P. 2.  
Get Hood's Sarsaparilla today. Sold by all druggists everywhere.
