************** **Cured of Shingles** and Eczema

By Cuticura Soap and Ointment. Chest Raw, Bleeding and Itchy.

"I just want to say a good word for Cuti-ura Soap and Ointment. In November, 00. I had what the doctors call shingles and eczema. My chest was raw and bleeding and itchy. I was that way all winter. It was it got worse. I had the best doctors treating worse again. I sent to you for a sample cake I got a box of Cutieurs Cintment. I have acd with them and do feel pleased to ak I have something I have confidence in, ould anyone be suffering as I did, I hope at they will do as I did, and I am sure of at they will do as I did, and I am sure of the commending them from

CITY FULL OF INTEREST FOR THE TOURIST.

Numeries and Monasteries-One of the Oldest Churches.

Quebec is one of the oldest cities

America. It is noted for its ancient institutions and is one of the most teresting cities for tourists on the ontinent. A recent writer says: The ancient seminary and divinity school, founded in 1663, still is full of undents training for the Roman. Catholic priestnood; the Laval Un:versity, which is the largest and most important educational institution in Canada, is being r built and the books and historical manuscripts, which are the most interesting part of it, are packed away with the pictures, which propably are the most important in Lanada. The ... my has more than

100,000 volumes, .ac.uding the most complete concenion in existence of works relating to the exploration and early settlement of the Dominion. It was customary for both military and ecclesiastical taplorers to deposit their journais and somer manuscrip's with the university, which was found d by Mgr. as Lava, the first Roman Cathone pishop of Canada, and they ire now the source or material as well as inspiration for associans. A pub-

d translations . much of the most important his at i material. The university is composed of four chools-art, .a., menterne and the logy. There are as dolessors and an iverage of about a saludents.

ushing house or coverand has print-
