THE SPORT REVIEW

QUEEN'S LOST TO OTTAWA COLLEGE BY 15 TO 14.

Game Was Won in Last Quarter—R. C. H. A. Soccer Team Defeated by Queen's by 3 to 1—Other Football News.

With the score of 14 to 5 in their favor five minutes before the game ended, Queen's senior rugby team went down to defeat at the hands of Ottawa College on Saturday afternoon. A rugby game is an uncertain as a horse race. It is never over till the referee's whistle blows for time. This was demonstrated at Ottawa on Saturday. It was a hard blow to Queen's to lose a game that looked to be theirs, but such is the order of things. Queen's themselves, in years past, have won games in the same way on Ottawa College pulled out the victory on this occasion. Two touchdowns in rapid succession raised Ottawa's score from five to fifteen, and beat the Presbyterians.

Queen's kicked off on Quilty's high kick, McDonald was pulled down near Queen's line. Queen's rushed for five yards, but for offside, Ottawa got the better. On a run, Lazare got nearly over. From the next scrum, Lazare got over for a touch-down, but the goal was missed. Ottawa, 5; Queen's, 0. Heffernan got the kick off and ran it back ten yards. From an offside pass Queen's got it at Ottawa's thirty. McDonald got five yards through center on Hazlett's kick and Ottawa roused. Ottawa, 5; Queen's, 1. Ottawa got the ball when Queen's failed to make yards, but for offside it went back. Queen's did a lot of heavy scrumming, but Ottawa held well. Leckie kicked far to Heffernan at Ottawa twenty. Hazlett tried a drop kick which failed, and Lazare ran it out. On a high punt, Ottawa roused. This ended the first quarter. In the second quarter, a long punt by Quilty was held by Hazlett on Queen's fifteen-yard line. Thus far the game, while not remarkably fast, was close and exciting, the tackling being very good on both sides. Queen's again got the ball for offside, and dribbled over Ottawa's line, but Shedy saved by a pick up and punt to Ottawa's backs gave Queen's an opportunity, and Hazlett went over for an easy touch. Leckie kicked the goal. Queen's, 8; College, 5. Ottawa now began to kick freely, while Queen's seemed anxious to hold it down. A fumble by Ottawa backs gave Queen's the ball at midfield. Fast open play followed, both back lines outworking well. Ottawa offside gave Queen's the ball at midfield, and heavy punting brought the ball to Ottawa's line. Ottawa worked it out, and in an attempt to kick on side gave Queen's the ball twenty yards out. Ottawa got a free kick on their own line. Leckie's return roused Queen's, 9; College, 5, which was the half-time score. No scoring was done in the third quarter.

In the fourth quarter Queen's long riddle gave another point, Queen's 11; Ottawa, 5. Then Macdonnell dropped a pretty goal from the field. Queen's 11; College, 5. Then came the two touch-downs by Ottawa in quick succession, winning the game. Ottawa College—Full back, Shedy; halves, Heffernan, Quilty, Lazare; quarter back, Killian; scrum, Martin, Kennedy, McDonald; wings, O'Leary, Sullivan, Pfohl, Harrington, Gilligan, Nagle. Queen's—Full back, Leckie; halves, Macdonnell, Dick, Hazlett; quarter back, Reid; scrum, Cochrane, Barker, Dunlop; wings, Youngie, Kinsella, Braking, Butler, Smith, Slier. Officials—Dr. Quinn and Dr. Nagle, of Ottawa. The Ottawa Citizen says: "It was really the blowing up of Queen's halves at the crucial moment that let the game slip from their grasp. Leckie, Hazlett and Dick fumbled while the fatal kick of the latter into the scrumming really gave Ottawa their winning touch, when a rouge might have saved the day for the wearers of the red, yellow and blue. On the line in the early part of the match the heavy Queen's wing broke through for big gains, but towards the close of

the match Ottawas were pushing them all over the field. The best of the losers on the half line were Hazlett and Leckie, while the goal dropped by Macdonnell was a dandy. McNeil hit but nevertheless stuck at it and directed the trick plays. Kinsella shone on the line, while Young, Slier and Smith made several pretty runs and tackled well."

Queen's Won Soccer Game.

The first exhibition game of association football was played at Queen's campus Saturday afternoon between Queen's and R.C.H.A., resulting in a win for the former by 3 to 1. The game was witnessed by quite a number of people, mostly students and battermen. Queen's defeated the soldiers because they had been practising daily for the past ten days while the soldiers had not played since at camp in the summer. The half-time score was 2 to 0, the battermen having failed to tally while Queen's notched the last score just before the whistle blew. The tit-color men had it on the soldiers in combination work and hard kicking, but with a few practices the artillery team will show a decided improvement. Queen's Goal, Fisher; full backs, Trimble and McArde; halves, Leeds, Ball and Sutherland; centre forward, R. D. McKenzie; left forwards, Bissonette and Masters; right forwards, F. H. MacKenzie, Lewis and McNab. R.C.H.A.—Goal, Smith; full backs, Art and Sawyer; halves, Dunphy, Tarrant and Carey; centre forward, Koskins; left forwards, Guy and Laferty; right forwards, Donaghue and Sparks. Referee—Hardiman, Queen's.

Hoskins a Professional.

Hoskins, the centre forward of the R.C.H.A., association football team, is a player of no mean ability. In fact he played professional football in the old country before coming here. He was a good tender. At camp in Petewawa he created a name for himself.

Gave Him a Locket.

The members of the Victoria baseball team, as a tribute to their manager, "Ned" Hartick, for the way he looked after them for the past season, have presented him with a locket, beautifully engraved. On the inside the names of all the players of the team are engraved.

Other Rugby Games.

Argonauts 7, Montreal 1. Hamilton 25, Ottawa 0. Varsity 18, McGill 11. Collegiate Beat Victorias. The rugby team from the first form of the Collegiate Institute defeated the Victoria school team on Saturday morning by a score of 13 to 1. "Jack" Evans and Stewart were the stars for the Collegiate.

R.C.H.A. Sports.

The finals of the R.C.H.A. sports were pulled off at the Barrfield commons, Monday. The results were: Shot put—Gr. Dunphy, Sergt. Pennie, Gr. Hoang. 100 yards dash—Gr. Portugais, Br. Dumphy, Pte. Skippen. High jump—Pte. Skippen, Br. Dumphy, Br. Warburton. Running long jump—Sergt. Pennie, Pte. Skippen, Br. Dumphy. Throwing cricket ball—Gr. Portugais, Dr. Guy, Gr. Macdonald. Hop, step and jump—Sergt. Pennie, Pte. Skippen, Gr. Hoang. Throwing the hammer—Sergt. Pennie, Br. Dumphy, Pte. Skippen. Band race (wheelbarrow race)—Corpl. Connolly, Bandsman Tarrant, Bandsman Le Fevre. The special prize of ten dollars goes to Sergt. Pennie, who was successful in winning four finals. This is the prize given for the dismantled sports.

McNeil Was Injured.

McNeil, quarter back for Queen's rugby team, received several injuries in the game Saturday, in Ottawa. He had his nose broken and two teeth knocked out. His nose was set all right and he will be able to play again in a week or so.

St. Paul's Team Lost.

The St. Paul's basketball team, who went to Ottawa Saturday to play the Y.M.C.A. team there, suffered the first defeat away from home since playing together. The Ottawas defeated them by a score of 36 to 33 during the first half of the Kingdomean had the better of the play, the score being 23 to 16 in their favor. Ottawa Y.M.C.A.—Glenn and Cole forwards; Seaman, centre; Stinson and Moore, defence. McCormick and McNeil lough, defence.

Kingston Scouts Won.

The Kingston Scout rugby team fell an easy prey to the Kingston Scout team, which went down there Saturday to have a friendly game, the score being 57 to 1, in favor of the Limestone City boys.

THE MINISTER OF EDUCATION

To Formally Open Gordon Hall on Wednesday Afternoon.

After the laying of the corner stone of the Nicol metallurgy building at Queen's University on Wednesday, Hon. Dr. R. A. Pyne, minister of education for Ontario, will formally open the new chemistry building, known as Gordon hall, which was a gift from the Ontario government in the interests of science in the eastern part of the province.

The Duke to Attend.

D. P. Branigan, local manager of the Grand Opera House, received a telegram this afternoon, stating that the Duke and Duchess of Connaught have given their patronage to and will attend the performance of "The Russian Ballet" in Ottawa on Thursday. The ballet will be in Kingston on Wednesday.

Samuel Graham, of California, who has been visiting his relatives here for the past month, left today for home. While here, Mr. Graham saw snow for the first time in eight years. "An experienced photographer" develops all films from Gibson's Red Cross drug store.

SERMON TO CHILDREN

BY CANON STARR IN ST. GEORGE'S CATHEDRAL.

The Neglect to Teach the Child the Fundamentals of Religion—Gave Good Advice to Parents.

A preparation for children's day, observed throughout the Church of England in Canada on Sunday, October 15th, was held in St. George's cathedral on Saturday evening, with an address by the Dean of Ontario, on the importance of the work and the need for consecrated service on the part of teachers. There was a corporate celebration for teachers and scholars at eight on Sunday morning and at Matins, Canon Starr preached on "The child, the home, the church and the Sunday school. His text was 'And He took a child and set him in the midst.' The preacher began by saying that almost all parents hope for the best things for their children, and do not realize that there is any possibility of the child becoming the loafer, the tramp, the criminal, but neglect of teaching the child the fundamentals of religion often brings these sad results. An inspiring thought to all who have to do with the little children is that Christ, though He saw the possibility of sin and failure, always regarded the child with confidence and hope. The church failed in the past to grasp the importance of the child, but to-day's error seems to be over-indulgence. Conservation, which is becoming the ruling principle in many forms of activity, some are beginning to realize, must be applied to the upbringing of the children if they are to be fitted to take the place of the strong ones who are passing. The heads of the nations are gradually coming to realize that the health of a nation depends on the health of its individuals, and that the intellectualism once put forth as a substitute for religion in the training of youth, has failed. Our Sunday schools are striving to do religious work among the child life of the nation, and considering the lack of encouragement from the home, it is surprising that results are as good as they are. The speaker appealed to those who had no children, to be responsible for children at school. He pointed out the value and importance of home life and asked that an extra effort be put forth to help along the work for the children. At three in the afternoon there was a children's service when the Dean of Ontario, asked their questions which they answered brightly and promptly. The surplined choir was present and the singing was hearty.

Battle of Trafalgar.

It was in this battle that Lord Nelson issued the historic command, "England expects that every man this day will do his duty." Nearly every battle shown in theatres depicts struggles between north and south American troops. The public will now be afforded an opportunity of witnessing something real British at Wonderland in this great battle between the English and French, tonight and Tuesday afternoon and evening.

Here is a Pointer.

Have you cold hands and feet, shills, pain in the back? If so your blood is impoverished and your constitution run down, Wade's Iron Tonic Pills will positively restore perfect health. As a blood maker and nerve strengthener they are unequalled. Price 25c. at J. B. McLeod's drug stores.

"Buy kodak films," Gibson's.

WONDERLAND FAMOUS FOR STAGE

GEORGE MILLS & CO.

CLOAK AND SUIT WEEK

Donaghue-McClusky Wedding.

A very quiet wedding was performed at St. Mary's Cathedral on Monday morning, by Rev. Father McDonald, when William Fawcett Donaghue and Miss Mary Allen McClusky were united in marriage. The ceremony was performed at 7:30 o'clock in the presence of a few friends. Edward Hammond and Miss Kathleen Dunphy acted as groomsmen and bridesmaid. A reception will be held this evening at the home of Mr. and Mrs. Hugh Paynter, York street, for the young couple, who will take up their residence here. The bride has just arrived from England, while the groom has been here about a year.

Serious Results Follow.

Cold, clammy hands and feet, and pains in the back result from impoverished blood. Serious consequences follow neglect. Wade's Iron Tonic Pills make new, rich blood, tone up the system, add vitality to wasting tissues, and strengthen weak nerves. Price 25c. Sold by J. B. McLeod, drugist.

Woman Fainted in Church.

While service was being conducted in St. Mary's Cathedral on Sunday evening, a woman in the congregation fainted, and had to be taken to her home in a cab.

Recovered Stolen Goods.

William Allarie had a coat and a pair of trousers stolen from him on September 20th, but luckily the police were able to locate them for him. At the time of the theft, Mr. Allarie was wine clerk at the Whitney hotel, when a sneak thief entered his room and purloined the goods. Constable Craig located his belongings in a second-hand store, where they had been left by the thief. Mr. Allarie says he had a watch, razor and a tie pin stolen at the same time, and he still has hopes of recovering them.

New Lights Appreciated.

The new lights, placed in the city park, from West street, to Stuart, were in use for the first time on Saturday night and were greatly appreciated by the people living in the west end. The poles were all put up on Saturday and the wiring completed. The park is well lighted in all sections now.

ST. ANDREW'S SOCIETY J. MED. MOWAT WAS ELECTED PRESIDENT. Annual Meeting Saturday Night—Members Expressed Regret at Departure of Rev. Dr. Mackie—Report of Secretary. At the annual meeting of St. Andrew's Society, held on Saturday night, in the city council chamber, the following officers were elected: President, John McDonald Mowat, first vice-president, George B. McKay, second vice-president, Prof. W. L. Grant; honorary secretary-treasurer, James Stewart; chaplain, Prof. Dall; auditor, G. W. Maxwell; pipers, Messrs. Fraser, Macdonald and Clark; Committee, Lieut. Colonel Massie, D. Scott, D. Murray. The celebration of St. Andrew's day was left in the hands of the committee. The suggestion was also made that the society purchase a lot at Cataract cemetery, and this matter was also left in the hands of a committee, to report. The report of the secretary was most satisfactory, showing that assistance had been given to families, and it was also reported that there was a snug balance of \$100 in the bank. Prof. Dall will preach the anniversary sermon for the society at Chalmers Church, on November 26th. The society deeply regrets the going-away of Rev. Dr. Mackie, and the secretary was instructed to convey to him the regret of the members. Dr. Mackie was associated with the society for over a quarter of a century, and during that time no other member showed so good an example of enthusiasm, which invariably resulted in effective advancement of the object of the society. On Monday the members of St. Andrew's Society presented Dr. Mackie with a signet ring, as a parting gift. GOLD MEDAL FOR L. UGLOW For Canadian Mining Institute Competitive Essay. Word has just been received from H. Mortimer Lamb, secretary of the Canadian mining institute, that L. Uglow, of this city, has been awarded the president's gold medal, and first prize for a competitive essay prepared last session at the school of mining in the department of geology. This competition is open to students of Canadian universities and embodies the students research work on any scientific problems. Mr. Uglow investigated the origin of a newly-discovered nickel deposit in the Porcupine camp, and in winning this medal reflects great credit both on himself and the school of mining. Two years ago N. L. Bowen, M.A., B. Sc., also of this city, won the gold medal and cash prize on an essay which was prepared similarly in the department of geology of the Kingston mining school.
