99 TIMES OUT OF A 100 "MECCA" OINTMENT CURES

IN MARINE CIRCLES

ALL BIG GRAIN STEAMERS TO UNLOAD AT KINGSTON.

No More Will Go Through to Montreal This Season—They Are All Required to Move the Grain Here From Fort William.

No more of the M. T. company's big grain steamers will lighter at Kingston and go through to Montreal this season. From now on, all grain brought down from Fort William to Kingston will be shipped by barges, the regular boats all being employed in moving the season's harvest from the head of the great lakes to the Limestone City.

The steamer Rosemount will be practically the last grain steamer to pass through the locks before next May, it is only because she has to take a cargo of rails from Sydney, N.S., to Fort William, that she is going so far, her services, as well as those of the other boats of the company, are all being required in the west, where the transportation business is just commencing.

The heavy fog during the night tied up vessels. The steamer, Rosemount, on her way from Fort William to the Montreal Transportation Company's elevator, was several hours late in arriving here.

M. T. Co's. elevator—Steamer Rosemount, grain laden, from Fort William, discharged 68,000 bushels of wheat; the steamer Westmount, from Fort William discharged 69,000 bushels of wheat; the tug Emerson, arrived from Lake Erie with two coal barges, cleared with two coal barges and one grain barge for Montreal; the tug Thomson arrived from Montreal with three light barges, and cleared for Montreal with three grain barges.

The steamer Dundurn passed down on Sunday, and the Donnaconna passed up.

The steamer Sowards arrived from Charlotte with coal for the dry dock.

The schooner Maize, from Oswego, is discharging coal at Booth's.

The schooner Abbie L. Andrews, arrived from Fairhaven with coal for R. Crawford.

The steambarge, John Randall, arrived from Port Milford with a cargo of canned goods. The steambarge, Westport, will load canned goods at Port Milford.

The sloops Granger and Laura D, arrived at Richardson's elevator with grain, from bay ports.

At Swift's Wharf—Steamer John Randall, called on Sunday afternoon and discharged canned goods; steamer City of Ottawa, due to pass up today; steamer Belleville, is due to pass up today; steamer Rideau King, cleared for Rideau points this morning; steamer Aletha, down from bay ports this morning; schooner Bertie Calkins, cleared for Oswego Saturday morning.

The steamer Seguin was tied up at the Kingston dry dock for several hours early Monday morning on account of the heavy fog.

AFTER MANY YEARS.

Kingstonian Succeeded in Locating Her Father.

Mr. and Mrs. Lawrence Kenney, of 881 Division street, will leave shortly for England, where they will visit Mrs. Kenny's parents. Mrs. Kenny has not seen her parents for nineteen years, and an interesting story surrounds her life.

When a child of four years, she became lost, and was taken to Canada by other parties. Her parents searched for her, but without success. Mrs. Kenney recently placed a letter in the Liverpool Courier, and has received a letter from her father as a result of this letter.

Mrs. Kenney was formerly Miss Mary Marie Jones, known in Kingston as Minnie Jones. Naturally Mrs. Kenny is very anxious to see her father, and for this special reason, she and her husband will journey across the Atlantic in a short time.

ENGLAND'S HISTORIC CHURCH.

Sermon in St. George's Cathedral By Bishop Mills.

The Bishop of Ontario in St. George's cathedral, on Sunday evening, gave a brilliant presentation of the origin and continuity of the English church; it was panoramic, and epigrammatic. His lordship gave Theodore, Archbishop of Canterbury, the credit due but often denied him of welding the scattered church in England into one whole, and creating a model, upon which 150 years later, the nation of England was founded. The bishop departed from the stereotyped illustrations to prove his point, and drove home the fact of the identity of the church to-day with that which was formed in Britain soon after the dawn of Christianity.
