Of Phillipsburg, Montana, Tells How She Was Cured of Dandruff.

Mrs. Mary Gregovich, of Phillipsburg, Montana, under date of Nov. 26th, 1899, writes: "I had typhoid fever this summer, consequently was losing my hair thickly, and my head in places was perfectly bald. Newbro's Herpicide had just come into use in Phillipsburg, and the doctor strongly recommended it to me. After three or four applications my hair stopped falling out, and is coming in again quite thick. I used to be troubled greatly with dandruff, of which I am now quite cured." Kill the dandruff germ with Herpicide.

Sold by leading druggists. Send 10c in stamps for sample to the Herpicide Co., Detroit, Mich. One dollar bottles guaranteed. Jas. H. Newbro, special agent, Kingston.

THE SPORT REVIEW

"KEN" WILLIAMS ELIGIBLE TO PLAY WITH ARGONAUTS.

Mathewson's Great Record as a Pitcher—Duke of Connaught to Attend Varsity-Ottawa College Game at Capital.

The Montreal Herald says the Interprovincial hockey union is doomed.

The Argonauts and T.A.A.C. will play a Toronto city rugby championship game on Thanksgiving day.

Smirle Lawson has turned down the Ottawa proposition and the Oarsmen are after him hot foot.

Montreal thinks "Ken" Williams, who helped Argonauts to win last Saturday's rugby game, is ineligible as a non-resident.

Hamilton fans are in the highest of spirits over the "tiger" game against Ottawa last Saturday, and they cannot see anything to it but Big Four and Dominion championships.

His Royal Highness the Duke of Connaught has accepted an invitation from the Ottawa university athletic association to attend Saturday's football game at Varsity Oval between the Toronto, Varsity and Ottawa College teams.

It has been practically decided to build a race-course on the Port Main side of the Fraser River, B.C., with a mile track, to cost about \$200,000. The Westminster Thoroughbred association of New Westminster is behind the project.

"Jack" Ryan has returned to Ottawa from Hamilton and appears all right after his accident last Saturday. He did not get out of the hospital till Sunday night. It is still doubtful whether he will be able to play next Saturday against Argonauts.

Mark Toole, the well-known hockey goal-keeper, will have charge of a team in Cleveland this winter. Mark gives it as his opinion that the reduction of the team to six men in the N.H.A. will result in a faster game, making an improvement from the spectator's viewpoint.

Toronto News: They must be very keen on lacrosse in the British Columbia region when they can hand out offers of \$20,000 for one player, which is the amount the Quebec, of the Temechea, is said to have hung up for him if he will take charge of the Victoria team next year.

Ottawa Citizen: Interviewed after the—no, it wasn't a game—Marty Walsh declined to speak for publication. "I didn't see any match," commented the Ottawa coach. "It was just a series of Hamilton scores and kickoffs at centre. As far as I could see the officials spent most of their time carrying the ball back to the midfield."

Mathewson, since reporting to the New York Giants' array in 1910, has pitched just 429 games for his people, with 289 victories, attached against 131 defeats. His average through eleven years of mainstay work stands 687, and when it is remembered that his first three years involved winning with a tail-end team the data flashed above can be better appreciated.

"Williams is eligible to play with Argos," said President Wright, of the Interprovincial. "When he was transferred to Montreal he asked me, and I ruled that he was O.K. That rule was made to prevent the importation of players during the series. Williams was a bona fide resident of Toronto for seven or eight months and resided here when he played his first game. Then he was moved. He wants to play with Argos, and he is clearly not a football importation."

We want you to try Rexall Orderlies on our guarantee. They are eaten like candy, and are particularly good for children. They seem to act directly on the nerves and muscle of the bowels. They apparently have a neutral action on the other organs. They do not purge or cause other inconvenience. A MILKMAN WAS SUMMONED

For Failing to Keep a Clean Stable.

For failing to keep a clean stable, a milkman named Peter Edwards, was summoned to the police court Thursday morning, and the magistrate allowed the case to stand over for a week. The milkman explained that he was about to sell his cows and dispose of his business, but the magistrate said that this was no excuse. The stable would have to be put in a sanitary condition at any rate, and for this reason he enlarged the case for a week.

Some Aged Apples.

Cobourg, Oct. 19.—When William Bannett, Bethel Grove, was storing his apples this fall, he found in the bottom of a barrel a half-dozen apples of the Ben Davis variety in perfectly sound condition and as firm as they were the day they were picked. They were probably of last year's growth.

A Farmer Fatally Hurt.

London, Ont., Oct. 19.—Thomas Parker was injured, perhaps fatally, while working on a farm near Embro, with a threshing separator. The belt got twisted, drawing the separator at a fierce speed out of the barn towards the engine, running over Parker's chest and head.

The market on Thursday morning was very small. Potatoes are very scarce. Large quantities are being shipped into the city to the local merchants from outside places. The price asked on the market is about \$1.2 a bag.

Aubrey Derbyshire, night operator at the Grand Trunk station, is back in the city after spending the past week with his parents at Fermoy.

Many a man who claims that he has been driven to drink commenced the business without a particle of urging.
