CRITICAL DAILY.

A German Correspondent Says the Itailans Are Losing in Nightly Skirmishes-Cholera Has Claimed Many Victims.

Tripoli, Oct. 20.-The position of the Turks appears to be growing more critical daily. They have with drawn to the Djebel Mountains. Italian scouting parties who penetrated ten kilometres (about six miles) into the interior, failed to find a single Turkish soldier. One of the deserters stated that the Turks could not resist for more than another week.

Turks Busy at Night.

Berlin, Oct. 20 .- Edward Mygind, as. experienced and reliable correspondent of the Zeitung am Mittag, cabling hi paper from Jerba, an island belong ing to Tunis, and a point where he escapes the Italian censorantp, say that Italian losses in nightly skir that the Italian assertions that the Turks and Arab allies are discouraged and intend to surrender are pure

Cholera, he states, has claimed many victims, among the Italian troops and the residents of Tripoli. Mygind adds that 20,000 Italian troops have been landed on the Tripolitan coast; their organization excellent, though the soldiers complain that their clothes and equip ment are too heavy; and that there is no thought of an advance into the interior before the present army has been reinforced.

Germany Interferes.

Berlin, Oct. 20 .- The government has interfered in the case of a German reserve. Lieut, Von Lochow, whom the Italian consul has ordered to leave Tripoh because he is suspected of being a spy. Germany demandthat Italy prove her case before expelling a citizen of Germany.
