Cadets Beat K.C.I.

The cadets won the second game from the Collegiate boys on Saturday afternoon by a score of 35 to 14.

Another half-dozen points came for a try, which Billington converted.

A kick into touch in goal gave Queen's another point, after a hard attack by the Presbyterians' back division.

A kick over the dead ball line, from a dribbling play by Queen's gave the Presbyterians another point.

The end of the quarter arrived with the score still as above, Queen's held McGill tight for two-thirds of the second quarter, but eventually loose work by the Presbyterians' back division gave the red and whites possession at the thirty-yard line.

McGill's score was increased when Billington over for a nice try, which Billington, however, did not convert.

With the second half a few minutes gone, and after having threatened to go over the line on several occasions, McGill kicked over the dead ball line.

A range brought McGill's total of points up to the even score. McGill, 29; Queen's, 5.

The McGill line were having it practically all their own way at this stage, and Timmins went over for another try, which Billington failed to convert.

Queen's went over for another try for McGill, having intercepted a pass intended for a Queen's half-back.

Advanced sports pulled off a few days ago put the students in fine shape for the annual meet and it is expected that some records will suffer.

All Kinds of Sports.

In the first two world's baseball contests Bender and Plank together fanned eighteen men.

Miss Dorothy Campbell, of Hamilton, won the Perthshire cup in the Philadelphia golf tournament.

Bombardier Wells has been matched to meet Gunner Moir in a twenty rounds contest in London, England.

The pole vault was the only new record made in Toronto University games. A height of 11 feet 2 inches was made.

Connie Mack values his Philadelphia infield at \$400,000. He says he would not sell Baker, Collins, MacInnes or Barry for less than \$100,000 each.

American league baseball teams had all the better of the post season games. The White Sox and Browns had little difficulty in disposing of the Cubs and Cardinals respectively.

"Larry" Doyle, of New York Giants has so far outdone "Eddie" Collins, of Philadelphia, Doyle's play, in fact, has been one of the best bright spots in the Giants' defense.

Stanley, a runner from Prince Edward Island, won the quarter mile race in McGill sports, equaling the time made by Rev. J. D. Morrow, when he was a student at McGill. The time is 54.5 seconds.

With the Albert end of the Western Canada Hockey League, out of the running for this season, it is stated that a third team from British Columbia will enter the competition along with the Victoria and Vancouver teams.

On top of the decision of the English authorities to forbid the Johnsons' Wells fight, comes the news that a bout arranged between the welterweight champions of France and England is placed on the forbidden list.

This looks to be the end of the fighting game in the old country.

GOOD WORKS NOT ENOUGH

Secure One's Entrance Into Heaven.

Works are not the passport to heaven, said Rev. F. G. Robinson in the morning sermon in Princess Street Methodist church, Sunday.

Man, he think if they give liberally to church funds and assist the poor, that their future is provided for, but they are mistaken. The words of the prophet, "Unless ye believe in the Lord God with all thy might, ye shall not be saved," were perfectly true and only by believing this could anyone be sure of eternity.

The preacher affirmed that there were too many people of the above-mentioned kind in the church to-day.

A MISSIONARY FROM JAPAN.

Speaks of the Work Being Done in That Land.

Rev. J. Cooper Robinson, a missionary from Japan, occupied the pulpit in St. Luke's church, Sunday morning.

This talk was on missions in Japan and the work being done in burning words he spoke of the privations endured by the missionaries to advance the cause of Christ and the different receptions accorded them in the various districts.

He pointed out how much the universities are doing for the Japanese and the readiness with which they acquire knowledge. His talk was most interesting and was listened to attentively.

Laid Wealth on Grave.

On Sunday, James Bute, of Houston, Texas, visited the grave in Cataqui cemetery of his old friend, the late William Craig, "laid of" a beautiful wreath of flowers upon it.

Mr. Bute and Mrs. Craig were companions for years on fishing trips in Frontenac, during the summer and autumn months, when the well-known Texas gentleman, sojourned in Kingston.

Mr. Bute leaves on Tuesday for his southern home.

While there they were entertained by Secretary of State and Mrs. Devitt, at an informal musical, given to introduce them in Montpelier musical circles.

Back From Concert-Trip.

Miss Emma Reesie, centrally, soloist, Kingston; Miss Helen Rochester, Renfrew, and Miss Myrtle MacIver, pianist, St. Thomas, have returned to Kingston after a concert trip through the eastern states. They had a very successful and pleasant trip.

RANKIN WAS CHOSEN

CONSERVATIVE CANDIDATE FOR FRONTENAC COUNTY.

Defeated J. S. Gallagher, Present Member, on the Fourth Ballot—Six Names Were Proposed and Voted Upon.

At a meeting of the conservatives of the county of Frontenac, held at the court house on Saturday afternoon, Anthony M. Rankin, of Kingston, reeve of the township of Kingston, was nominated as candidate for the conservative party for the Ontario legislature.

He defeated the present member, J. S. Gallagher, of Hargreavesville, on the fourth ballot, by a vote of sixty-nine to forty-eight, after Dr. Spankie, of Wolfe Island, had been put out of the running, on the third ballot, by the narrow margin of one vote. One vote more, and Dr. Spankie would have tied with Mr. Rankin.

REEVE A. M. RANKIN, Frontenac conservative candidate for Ontario Legislature.

Six names were proposed and voted upon, and five others, nominated, withdrew from the contest. Those in the contest were J. S. Gallagher, the present member, Anthony Rankin, Dr. W. Geddes, Verona; H. J. Moreland, St. Lawrence; J. E. Freeman, Portland; Dr. Spankie, Wolfe Island.

Those nominated, but who retired, were: John Taylor, Storrington; W. Langwith, Storrington; John Kennedy, Bedford; L. H. Rutan and Andrew Grey.

James Martin, Pittsburgh, the president, occupied the chair, and there was a good attendance of the members of the association. He congratulated the members on their success, in the recent election, and then proceeded with the business of the meeting.

Dr. Edwards, M.P., and W. F. Nickle, M.P., were present and delivered brief addresses, but who retired, were: Mr. Duff, minister of agriculture, was to have been present, to deliver an address, but was unable to do so, owing to press of other business.

WOLFE ISLAND PUT UP A GREAT FIGHT

For Dr. Spankie, and the islanders were in hard luck, to be defeated on the third ballot, by just the one vote. The Wolfe Island voters then turned around and gave Mr. Rankin their support, with the result that he was selected as the candidate by a majority of twenty-one votes over J. S. Gallagher.

All the candidates addressed the members briefly, before the vote was taken, and pledged themselves to give all their support to the lucky man, whoever he might be, and after the final vote had been taken, and Mr. Rankin was declared as candidate, the selection was made unanimous, on motion of J. S. Gallagher and Dr. Spankie.

Following is the result of the vote on the fourth ballots:

First ballot: Gallagher, 38; Spankie, 37; Rankin, 31; Freeman, 6; Geddes, 3; Moreland, 3.

Second ballot: Gallagher, 45; Spankie, 39; Rankin, 36; Freeman, 1; Moreland, 4.

Third ballot: Gallagher, 46; Rankin, 42; Spankie, 41.

Fourth ballot: Rankin, 69; Gallagher, 48.

In allowing his name to go before the meeting, Mr. Gallagher paid a warm tribute to the Whitney government, stating it was the best Ontario had ever had. He had been asked to accept a candidate, by his supporters, and had consented to stand. In the past, he had always served the county as best he could, and while that while he had been member, he had accomplished more for the county than any other previous member. If elected he would continue to serve to the best of his ability; if defeated in the vote, he would join heartily in supporting the candidate selected.

Dr. Edwards and W. F. Nickle took occasion to thank the electors for support given them in the last election.

Dr. Edwards brought forth a ripple of laughter, when he remarked that the patronage was now in the hands of the conservative party, and that all the followers had better see to it that they get their share. He had already received forty or fifty letters from conservatives, asking for positions. No doubt there were a few others he had not heard from who were "too modest," to use his own words, to write.

Dr. Edwards pointed out that those who were too modest to write, could make use of the mails, and he would take all the requests into his "serious consideration."
