

RUGBY ON SATURDAY

QUEEN'S GOT A THOROUGH TRUNCING FROM MCGILL.

Score was 36 to 5—Ottawa College Defeated Varsity by 10 to 8—Argonauts and Tigers Won.

The result of the intercollegiate games on Saturday this Varsity McGill and Ottawa College, each having won two games and lost one. In Ottawa, Varsity made a better showing than Queen's did. Father Stantons' team winning by 10 to 8. In Montreal Queen's received an awful walling. From this distance McGill looks good to win the championship.

In the interprovincial, Hamilton Tigers will likely again win the honors. On Saturday they defeated Montreal by 19 to 0. At Toronto the Ottawas played Argonauts to an 8 to 4 score, so the latter have little upon "Marty" Walsh's team.

Royal Military College's win in Montreal against McGill II by 35 to 11 shows that the cadets this year should be in the senior series, as indeed they should also have been last season. They will easily secure the intermediate honors again this fall.

Cadets Beat K.C.I.

The cadets won the second game from the Collegiate boys on Saturday afternoon by a score of 35 to 11. The afternoon was ideal and a large crowd was present. The Collegiate boys have nothing to be ashamed of as they put up a fine game. The cadets are a lot heavier, but they did not use it on the footists boys. The game was one of the best seen in some time. The Collegiate boys started the scoring by getting six points in very few minutes. For the rest of the half they did not score another point. The half stood 23 to 6. After the teams came on the field for the second half they both played pretty even. Collegiate got a fine touch by stealing the ball and going down the field. The try was converted. The cadets played well, as they always do. They entertained their opponents to lunch after the game.

Mills, of Collegiate, was playing a fine game, and when tackling one of the cadets, was hurt and had to retire. Cadets won the round by 76

points to 15. They now will have to play with Queen's III. R.M.C.—Full back, Barwis; halves, Ross, Parker, Grey; quarter, Hutchison; scrumman, Deighton, MacIshewson; Whitehead; wings, Hay, Gordon, Fisher, Patterson, Latimer, Leach. K.C.I.—Full back, Edwards; halves, J. Stewart, Cooke, Evans; quarter, McIowan; scrumman, Sargeant, McCallum; Smith; wings, Mills, C. Stewart, Stewart, McCammon, Mowat, Brindley. Referee—Prof. Malcolm, Queen's. Empire—E. O. Sifer, K.C.I.

McGill, 36; Queen's, 5.

It was generally expected that McGill would defeat Queen's in Montreal on Saturday afternoon, but such a verdict was wholly unexpected. There is not such a difference in the teams as that. The Presbyterians must have had a nervous spell. This is Queen's third defeat in as many games, and it looks as if the wearers of the red, blue and yellow would be at the foot of the list when the intercollegiate senior standing is figured up at the close of the season.

Queen's opened the scoring with a nice dropped goal by Erskine, netting three points, but this early lead was neutralized when McGill touched down after Billington had made an unsuccessful attempt at a dropped goal. The ball went loose and Johnson, of McGill, fell on it for the first try of the game. Billington converted, McGill, 6; Queen's, 3.

Another half-dozen points came for McGill when Timmins went over for a try, which Billington converted, McGill, 12; Queen's, 3.

A kick into touch in goal gave Queen's another point, after a hard attack by the Presbyterians' back division. McGill, 12; Queen's, 4.

A kick over the dead ball line, from a dribbling play by Queen's gave the Presbyterians another point. McGill, 12; Queen's, 5.

The end of the quarter arrived with the score still as above. Queen's held McGill tight for two-thirds of the second quarter, but eventually loose work by the Presbyterians' back division gave the red, and whites possession at the thirty-yard line. A kick over and a rouge resulted. McGill, 13; Queen's, 5.

McGill's score was increased when Lee went over for a nice try, which Billington, however, did not convert. McGill, 18; Queen's, 5.

With the second half a few minutes

to go, and after having threatened to go over the line on several occasions, McGill kicked over the dead ball line. McGill, 19; Queen's, 5.

A rouge brought McGill's total of points up to the even score. McGill, 20; Queen's, 5.

The McGill line were having it practically all their own way at this stage, and Timmins went over for another try, which Billington failed to convert. McGill, 25; Queen's, 5.

Masson went over for another try for McGill, having intercepted a pass intended for a Queen's half-back. Billington converted. McGill, 31; Queen's, 5.

A try in the last minute, when Digby was pulled over, after a twenty-yard gain by Masson, gave McGill another touch-down, which was not converted. McGill, 36; Queen's, 5.

McGill—Full-back, Murray; halves, Billington, Ross, Masson; quarter, McEwen; scrumman, Rogers, Oliver, Savage; inside wings, Johnson, Digby; outside wings, Lewis, Laing; middle wings, Watson, Timmins. Queen's—Full-back, Leckie; half-backs, Deck, Hazlett, Macdonnell, quarter, McNeil; scrumman, Dunlop, Barker, Cochrane; inside wings, Amella, Young; outside wings, Cook, Smith; middle wings, Erskine, Rodden. Referee—W. McEster; umpire, Walter Nelson, both of Montreal.

Queen's Athletic Meet.

Queen's annual athletic meet was held at the Athletic Field, Monday afternoon, in preparation for the intercollegiate meet to be held in Montreal, on Thanksgiving day. The advance sports pulled off a few days ago put the students in fine shape for the annual meet and it is expected that some records will suffer.

All Kinds of Sports.

In the first two women's basketball contests Bender and Plank together fanned eighteen men.

Miss Dorothy Campbell, of Hamilton, won the Berthelmy cup in the Philadelphia golf tournament.

Bombardier Wells has been matched to meet Gunner Moir in a twenty rounds contest in London, England.

The pole vault was the only new record made in Toronto University games. A height of 11 feet 2 inches was made.

Connie Mack values his Philadelphia infield at \$100,000. He says he would not sell Baker, Collins, MacInnes or Barry for less than \$100,000 each.

American league baseball teams had all the better of the post season games. The White Sox and Browns had little difficulty in disposing of the Cubs and Cardinals respectively.

"Larry" Doyle, of New York Giants has so far outshone "Eddie" Collins, of Philadelphia. Doyle's play, in fact, has been one of the few bright spots in the Giants' defence.

Stanley, a runner from Prince Edward Island, won the quarter mile race in McGill sports, equalling the time made by Rev. J. D. Morrow, when he was a student at McGill. The time is 51.45 seconds.

With the Alberta end of the Western Canada Hockey League, out of the running for this season, it is stated that a third team from British Columbia will enter the competition along with the Victoria and Vancouver teams.

On top of the decision of the English authorities to forbid the Johnson Wells fight, comes the news that a bout arranged between the welterweight champions of France and England is placed on the forbidden list.

This looks to be the end of the fighting game in the old country.

GOOD WORKS NOT ENOUGH

To Secure One's Entrance Into Heaven.

"Good works are not the passport to heaven," said Rev. F. G. Robinson in his morning sermon in Princess Street Methodist church, Sunday. "Many people think if they give liberally to the church and assist the poor, that their future is provided for, but they are mistaken. The words of the prophet, 'Unless ye believe in the Lord God with all thy might, ye shall not be saved,' were perfectly true and only by believing this could anyone be sure of eternity. The preacher affirmed that there were too many people of the above-mentioned kind in the church today.

A MISSIONARY FROM JAPAN.

Speaks of the Work Being Done in That Land.

Rev. J. Cooper Robinson, a missionary from Japan, occupied the pulpit in St. Luke's church, Sunday morning. His talk was on missions in Japan and the work being done. In burning words he spoke of the privations endured by the missionaries to advance the cause of Christ and the different receptions accorded them in the various districts. He pointed out how much the universities are doing for the Japanese and the readiness with which they acquire knowledge. His talk was most interesting and was listened to attentively.

Laid Wreath on Grave.

On Sunday, James Bute, of Houston, Texas, visited the grave in Catarqui cemetery of his old friend, the late William Craig, "laird of Glenburnie," and laid a beautiful wreath of flowers upon it. Mr. Bute and Mr. Craig were companions for years on fishing trips in Frontenac, during the summer and autumn months, when the well-known Texas gentleman, sojourned in Kingston. Mr. Bute leaves on Tuesday for his southern home.

Were Royally Entertained.

Miss Emma Reesie, Kingston; Miss Helen Rochester, Redfere, and Miss Myrtle MacIver, St. Thomas, were the guests of the former's uncle, Hon. R. M. Harvey, and Mrs. Harvey, Montreal, Vermont, also Judge and Mrs. Harvey during the past week. While there they were entertained at a concert by the former's uncle, Hon. R. M. Harvey, and Mrs. Harvey, at an informal musical, given to introduce them in Montpelier musical circles.

Back From Concert Trip.

Miss Emma Reesie, centralist, soloist, Kingston; Miss Helen Rochester, Redfere, and Miss Myrtle MacIver, pianist, and violinist, St. Thomas, have returned to Kingston after a concert trip through the eastern states. They had a very successful and pleasant trip.

RANKIN WAS CHOSEN

CONSERVATIVE CANDIDATE FOR FRONTENAC COUNTY.

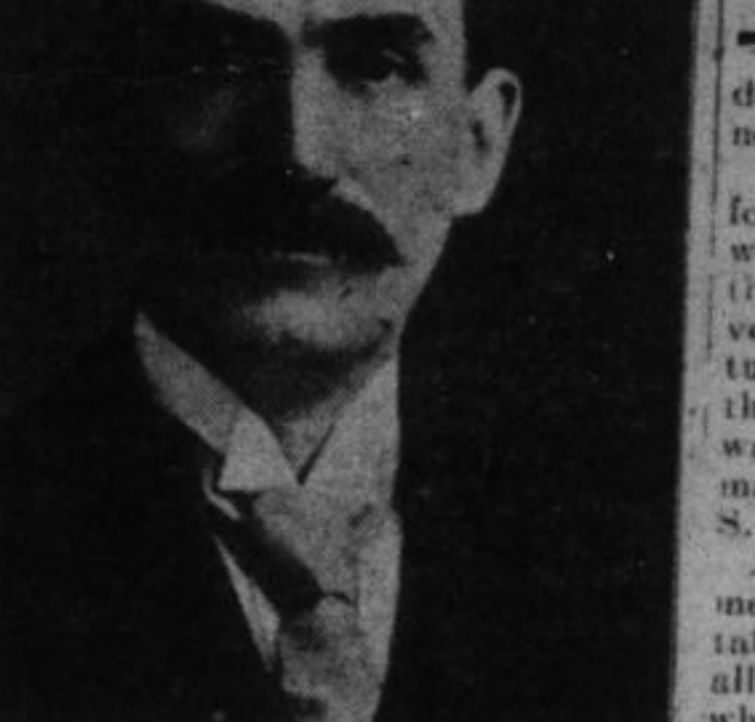

Deceased J. S. Gallagher, Present Member, on the Fourth Ballot—Six Names Were Proposed and Voted Upon.

At a meeting of the conservatives of the county of Frontenac, held at the court house on Saturday afternoon, Anthony M. Rankin, of Collins Bay, reeve of the township of Kingston, was nominated as candidate for the conservative party for the Ontario legislature.

He defeated the present member, J. S. Gallagher, of Harrowsmith, on the fourth ballot, by a vote of sixty-nine to forty-eight, after Dr. Spankie of Wolfe Island, had been put out of the running, on the third ballot, by the narrow margin of one vote. One vote more, and Dr. Spankie would have tied with Mr. Rankin.

Men, as a rule, are first discovered by their enemies. Their antagonism is on the searchlight, and the proof stand the flash. It was only in this way that Mr. White ever knew that dyspepsia was one of Mr. Black's worst enemies. Sitting face to face at a two-by-four table he handed his afflicted friend the bill of fare:

- Oyster Cocktail. Stuffed Olives.
- Roast Chicken.
- Sirloin Steak with Mushrooms.
- Roast Beef Hash.
- Boiled Ox Tongue with Sauerkraut.
- Lobster a la Newburg.
- Baked Pork and Beans.
- Combination Crab Salad.
- Hot Mince Pie.
- Pineapple Fritters.

Mr. White ordered a little of each. Mr. Dyspepsia Black, ordered crackers and a glass of milk. "I had such a big breakfast this morning," he said, "that I'll just take a bite to keep you company." But Mr. White could not be deceived. "I am afraid you can't stand the clam," Mr. Black said. "Why don't you say you have dyspepsia and be done with it? You'll always have the hungry look anyhow as long as you have dyspepsia. Now listen. My stomach was in just as bad condition as yours at one time, but now I can eat anything at any time. For instance, this clam chowder would be just as welcome to my stomach as your crackers, and milk. You don't realize how this dyspepsia business is robbing you of your spirit, of your energy and ability to think quickly. I can't help notice it. You haven't the cheer and sociability you had three months ago. Now I'll tell you what to do," and thereat the cheerful Mr. White took a vial from his pocket and extracted a wee tablet. "There, there is a tablet which contains an ingredient, one grain of which digests 3,000 grains of food. For even the worst dyspeptic it's the only thing that really gives relief. AT THE GRAND.

"The Girl From Rector's" Coming on Thursday.

The New York Evening Journal has this to say of "The Girl From Rector's": "There is a laugh a minute by actual count during the playing time of 'The Girl From Rector's' at Joe Heber's theatre. 'The Girl' has caught the fancy of Broadway and the walls of Weber's' budge almost nightly with the crowds. 'The Girl From Rector's' is a marvelously vivid personality. The company, as a whole, is one of the best seen on Broadway in many years." "The Girl From Rector's" will be seen at the Grand on Thursday, October 26th.

Gilmore's Greatest Success.

"The Mummy and the Humming Bird," the ever-lasting successful comedy-drama in four acts, will be seen at the Grand on Saturday afternoon, October 28th.

The story deals with the life of a woman whose husband is not the sort that goes in for frivolity and gaiety, and she falls under the wiles of a designing villain who has already wrecked one home and for whom a wronged husband is seeking. There is the usual happy ending, however. The eminent actor, Paul Gilmore, will head the company which is the best that has ever been selected for this play, and includes Miss Kadeny's Hutchinson, a most popular society actress. On Saturday evening, Mr. Gilmore will present "The Bachelor."

TO RECEIVE REPORTS

As to the Signing of the License Reduction Petitions.

A meeting of the workers in the license reduction campaign will be held in the Y.M.C.A. building on Friday evening for the purpose of receiving reports from the ward chairmen, as to the progress of the fight. A strenuous effort is being made by the temperance people to have the license of the city cut down by twelve. Enough names are signed to the petitions presented to the city council that the council must put the matter before the citizens to vote upon. The license men are working hard and had put up a hard fight.

THE SOCCER GAMES

MCGILL DEFEATED QUEEN'S BY ONE GOAL TO NOTHING.

The Montreal Team Was in Danger Near the Close of the Game—R.C.H.A. Defeated C.L.C.'s by 5 to 3.

McGill soccer team had its work cut out on Saturday afternoon to beat Queen's at the lower campus by the close score of 1 to 0, and had to work "like blazes" to do it. For a triller this game had them all "skinned," and a score of times the Queen's students, who were along the line in large numbers, cheered as they thought the ball would go through the Montreal posts, but the quick punting of the red and white gave them the game.

The half-time score was nothing for either team, with both sides fighting for all they were worth to put the ball through the posts. McGill managed to slip one through just after the second half opened, but for the remainder of the game the ball was in McGill territory most of the time. The brilliant work of the McGill full backs and the goal keeper saved them from defeat.

Both teams were in fine form, and put up an exhibition of association that was beautiful to see. At different stages of the game, the teams were all in from the fierceness of the conflict, and were mighty glad to rest when a player was hurt. There were few casualties, both teams playing in a gentlemanly manner. McGill made a desperate effort near the close of the game to annex another goal, but it was of no use, for Queen's were determined that one goal was enough.

Queen's—Goal, Fisher; full backs, Trimble and McCardell; halves, Melton, Ball and Sutherland; centre, B. McKenzie; forwards, F. D. McKenzie, Foster, Bissonette and Masters.

McGill—Goal, Wilson; full backs, McVitty and Bayne; halves, McIntosh, McDermott and McCaug; centre, Beaton; forwards, Lindsay, Grant, Bott and Scott.

R.C.H.A. Team Won.

The R.C.H.A. soccer team won from C.L.C.'s in the first league game of the season, Saturday afternoon, at the cricket field, by a score of five goals to three, in a fine exhibition game. This is the first appearance of the C.L.C. team this fall and considering the fact that R.C.H.A. has played two exhibition games with Queen's put up a good game. The game was watched by a large crowd of followers of both teams and the play was fast and exciting.

R.C.H.A.—Goal, Constantine; full backs, Hoskings and Harte; halves, Short, Sawyer and Carey; forwards, Chappin, Lafferty, Francis, Donaghd and Sparks.

C.L.C.—Goal, Edwards; full backs, Smith and Brown; halves, Anderson, Roach and Stinson; forwards, J. Anderson, Peters, Heap, Guy and Kershaw.
