

SIR JOHN CARLING RUGBY ON SATURDAY

IS NOT EXPECTED TO LIVE MANY HOURS. A Farmer Near London Gored by a Bull After Falling From a Tree and Fracturing His Arm.

London, Nov. 6.—Senator Sir John Carling, aged 64 years, formerly a member of the Ontario legislature, then M.P., and postmaster general, and later minister of agriculture, in John A. Macdonald's administration, is not expected to live through the day. He has been ailing many months.

After falling from a tree and fracturing his arm, Allan Taylor, a farmer of the district, was nearly gored to death by a mad bull. He was finally rescued by his wife, a boy and a dog. His condition is precarious.

All Frozen Out. Toronto Star. Hon. Adam Beck has been kept out in the fields tending the flock as many years as Jacob served for Rachel, and even yet it is by no means certain that he will not be given Leah.

He is still at large, the unrewarded creator of the administration, forgiven his sins but unthanked for them, feared but not favored, and yet more a leader in his party at this moment than any portfoliated associate of the Premier except Mr. Hanna. Mr. W. K. McNaught still fetches and carries for lesser men.

The Ontario government will construct a \$75,000 dam at Round Lake on the Bonnechere river. This will be done so that the town of Renfrew will have its present water power for developing electricity augmented.

Belts Heroin, a Quebec farmer, acquitted by a magistrate on a murder charge, has arranged to sue the informants. Anon Carter, of Belleville, fell about six feet from a ladder to the cement pavement, and broke his leg.

The Packard Motor Car company, Detroit, has \$14,000,000 worth of orders piled up for the 1912 season.

Full cut, with sufficient elasticity to promote real bodily freedom. TIGER BRAND UNDERWEAR. neither binds nor hags—yields gently to every movement of the body, yet permanently retains its shape against wear and washing.

Table with 4 columns: Quarter, R.M.C. Varsity III, Varsity, R.M.C. Juniors. Totals: 4-3.

Both R. M. C. teams were thus successful in Toronto on Saturday. The final games will be played here on Saturday next with the Varsity II and III teams, and the cadets will try hard to win both championships.

LOST 45 POUNDS IN WEIGHT

NOW WEIGHS 125 POUNDS, THANKS TO "FRUIT-A-TIVES"

PLANTAGENET, Ont., Jan. 31st, 1910. About March 1st, 1909, I was taken deathly sick with Liver Congestion and Stomach Trouble. I failed from 125 pounds to 80 pounds and was confined to bed for eight weeks. The doctors said they could do nothing for me, and as a last resort, one of the doctors told me to try "Fruit-a-tives"—if they would not cure me, nothing would.

My husband bought some "Fruit-a-tives" and inside of ten days, I was able to leave my bed. My stomach got strong and I could eat and retain my food. Today, I weigh 125 pounds.

For further particulars, have been received a committee will be appointed to draw up a schedule. There will be three series, senior, intermediate and junior.
