ADVERTISING
Has been known to bring people a lot of initial or first orders for some very inferior goods, and right at this point is where a great many manufacturers or dealers fool themselves. Any manufacturing product which does not possess sufficient merit to do at least half the pulling for re-orders instead of relying upon the advertising to do it all are mighty good goods for a man to stop making.

GANANOQUE'S BANQUET

TENDERED TO HON. W. T. WHITE, SATURDAY, EVENING.

There Were 130 Present—Leeds Liberals Nominated W. J. Wilson to Oppose Mr. White.

Gananoque, Nov. 6.—The non-political banquet tendered to Hon. W. T. White, the new minister of finance, who is to represent this constituency as holder of one of the most important portfolios in the Borden cabinet, was under the auspices of Gananoque Board of Trade, brought to a most successful issue, at the Brophy house, on Saturday evening, when some one hundred and thirty guests sat down to the tables. About one half of the guests were from Lansdowne and the rear of the riding. The position of honor as guest of the evening was held, of course, by Hon. Mr. White, while from a distance were gathered here, Hon. Dr. Reid, of Cardinal, the new minister of customs; John Webster, M.P., Brockville; Rev. S. J. Robins, Brockville; T. J. Storey, president of the Canada Carriage Company, also of Brockville Conservative Association; John R. Darvall, Elgin, choice of the convention at Delta, on Friday, on the first ballot, for the legislative assembly; Firman Cross, Lansdowne, liberal candidate defeated by George Taylor at the election in September last; J. G. Mitchell, private secretary of Dr. Roche, Minnedou, Man., now secretary of state, and a number of representatives of the daily press of the province. With F. J. Skinner, president of Gananoque Board of Trade, acting as toastmaster, the following toasts were given:

"The King," responded to by the entire company standing and rendering the national anthem, being led by the Citizens' band orchestra, who were present and rendered a number of fine selections.
"Canada," proposed by R. G. Graham, and responded to by George Taylor.
"Our Guests," proposed by Charles Macdonald, C.M., and responded to by Hon. W. T. White in a resume of the historical, commercial, educational and constitutional conditions of the dominion, past, present and future.
"Our Industries," proposed by Mayor W. N. Rogers, and responded to by

MEN ARE HELPLESS AS CHILDREN

When Taken Suddenly Ill—Here is a Commonsense Safeguard.
Big, strong men are as helpless infants when he is suddenly ill. The sturdy chap in town usually loses his self-control, and is utterly unable to regard his condition with the common sense that characterizes his every-day actions.
For example: He comes home tired, eats a heavy dinner and sits down to read and smoke away a quiet evening.
Suddenly he notices a weight in his stomach; then sharp pains around his heart, and a feeling of suffocation. Thoughts of "heart disease" rush over him, and in his agony he fears the worst.
His trouble was acute indigestion, brought on by overloading his tired stomach.
A couple of Rexall Dyspepsia Tablets might have given him relief—might have saved him hours of suffering.
Carry a package of Rexall Dyspepsia Tablets in your vest pocket or keep them in your room. Take one after each heavy meal, and ward off indigestion.
Rexall Dyspepsia Tablets relieve stomach troubles by aiding nature to supply those elements, the absence of which in the gastric juices, causes indigestion and dyspepsia. They tend to aid the stomach to digest all kinds of food and to quickly convert it into rich, red blood.
We know what Rexall Dyspepsia Tablets are and what they will do. We guarantee them to relieve indigestion and dyspepsia. If they fail, we will refund your money.
Three sizes, 25 cents, 50 cents and \$1. Sold only at our stores or by mail. Remember, you can obtain Rexall Remedies in this community only at our stores—The Rexall Store, 61, W. Mahood.

Wrinkleless Skin Now Easy to Have

From Family Physician.

There is no excuse for any woman having wrinkles, now. It has been found that a simple mixture of sarsaparilla and witch hazel has a remarkable action upon the deepest wrinkles, no matter what their nature, whether caused by worry, habitual frowning, a debilitated condition or the ravages of Father Time. This harmless remedy, which anyone can easily make, obtaining the ingredients at any drug store, acts both as an astringent and a tonic. The combined effect of tightening the skin and heightening its vitality is to immediately affect every line and wrinkle, keeping the cuticle smooth and firm as in youth.
The proportions are one ounce sarsaparilla (powdered) to one-half pint witch hazel. The solution should be used as a wash lotion. It is equally effective in disposing of flabbiness of cheek and neck, as well as sagging below the eyes.

W. T. Sampson and Reeve, C. E. Britton, in a retrospective review of the town as a manufacturing centre.
The details of the banquet were in charge of the following strong committee, to whose able management is due the great success of the affair: F. J. Skinner, president Board of Trade; B. Ford Jones, vice-president; A. W. Taylor, secretary; C. A. Watt, secretary; W. J. Wilson, J. T. Green, H. Britton, W. T. Sampson, W. J. Gibson, Charles Macdonald, George K. Taylor, C. A. Lewis, E. P. Wright and C. V. Kitchin.
At the liberal convention in Delta, on Saturday, no selection of a candidate was made, the matter being left in the hands of the executive committee, with authority to take such action as they considered in the best interests of the constituency. The committee chose W. J. Gibson.
Guy Fawkes day was celebrated, yesterday, by I.O.G.T., No. 21, of this town, when upwards of fifty, headed by the Salvation Army band, attended worship in Grace church. F. J. McClement gave a very acceptable discourse.
Efforts are being put forth by the local Salvation Army corps to acquire possession of the site of the old Maple Leaf skating rink, for the erection of barracks accommodations.

The contract for the enlarging of the local post office has been let to D. A. Mitchell.
On Saturday afternoon, Hon. W. T. White, accompanied by Messrs. George Taylor, Charles Macdonald and a delegation from the Board of Trade, made an inspection of the Gananoque post office.
There was a fair turnout of both farmers and citizens at the market on Saturday. The people will, however, have to be educated to some extent as to the benefits of such an institution, having had none for so many years.
The Board of Trade has taken up the matter of having a change made in the holiday service at the post office, which has been from 8 to 9 a.m. and 4 to 5 p.m., this being deemed insufficient. The question of closing the post office at 7 p.m. was also discussed, and these will be brought to attention of the proper authorities at an early date.
The handsome Ward Marathon cup recently won by Robert O'Brien, Gananoque's popular long distance runner, together with some dozen other apps and trophies won by "Bobby," are on display in N. J. Deir's window, King street.

The Star Gives Warning.
On the navy Mr. Borden was silent. At this stage of affairs, that was only to be expected. The naval question is the most important which will come before the new government; and it is only fair that the ministers should be allowed time to consider the problem in all its bearings before they announce a policy. All we have to say is that, when it comes, it must be a progressive policy—and not a retreat. It will never be enough to "wipe something off the slate" (they must write something stronger in its place. Our readers know what we think they should write, and while we are ready to support a better policy, if one be proposed, we will never be ready to receive in silence a worse.

The Company has outstanding \$1,500,000 7% Cumulative Preferred Stock and \$2,000,000 Common Stock, both of which are listed upon the Toronto and Montreal exchanges.

The present capacity of the plant which may be said to comprise everything required for the building of the most modern and up-to-date locomotives, provides for a yearly output of seventy-five engines, but as each year many satisfactory orders have been declined owing to the inability of the Company to make the deliveries required, it has been decided to proceed immediately with such enlargement of the works as will increase their future output to at least double their present capacity. Therefore, it may safely be assumed that a corresponding increase in the earnings of the Company will be assured.

At the present time, the Company has a sufficient number of orders on its books to keep it fully employed for about a year, and if negotiations for additional contracts now pending are successful, the Company will have abundance of work until the early months of 1913.

The excellent management of the Company has been further strengthened by the acquisition of Mr. A. W. Wheatley as its General Manager. Mr. Wheatley is one of the foremost locomotive manufacturers in America, having, previous to joining this Company, been the General Manager of the American Locomotive Company's plant at Dunkirk, N.Y., the second largest locomotive works on this continent.

When you can see through a man, it doesn't necessarily mean that he has a clear conscience. Successful men seldom hand their friends the brand of advice they use themselves.
