THE GANANOQUE BAND

GAVE A MINSTREL PERFORMANCE THURSDAY EVENING.

Dargavel Expects to Lock Horns With Wilson—Gananoque Was Eager for Passage of Kingston Hotel By-Law.

Gananoque, Nov. 17.—The Citizens' Band Minstrels, at their opening performance last evening in the opera house, drew a good attendance, and put on a very interesting and entertaining performance. Their parade of the streets at noon was a very spectacular one, headed by W. J. Bulloch and R. H. Britton on horse-back, the band following with the performers, five brigade and Boy Scouts. A number of fine selections were rendered during the early evening in front of the opera house. Another performance will be given to-night, a feature of which will be the presentation of a handsome souvenir to one of the prominent members of the band.

J. R. Dargavel, choice of the conservative convention recently held at Delta, to contest this constituency for the legislative assembly, held his organization meeting in the town hall last evening, for the appointing of committees to conduct the campaign in this part of the riding. He expects to again have W. J. Wilson for his opponent and to have a struggle if he wins.

The citizens of Gananoque manifested great interest in the vote in Kingston, yesterday, on the new hotel question, and were anxious to see the by-law carried by a substantial majority.

At their re-organization meeting, Wednesday evening, St. Andrew's Y.P.A. elected these officers: President, Arthur Belfie; vice-president, Miss Mae Logan; secretary, Miss Viola Crawford; treasurer, George Gibson.

Joseph De Wolfe has been appointed returning officer for this riding in the coming legislative assembly elections.

Gananoque market, through the vigorous push of the board of trade, and ably seconded by the town council, is progressing favorably.

Two artillery inspectors have been in town this week, looking over the equipment of No. 8 field battery, in command of Lieut.-Col. J. B. Robinson and Capt. Russell H. Britton.

Sale women's boots, \$1.35. Dutton's, 209 Princess street.

NE TEMERE DECREE CONDEMNED IN LONDON

The Protestant Canadians Will Stamp it Out Says A Dublin M. P.

London, Nov. 17.—At a largely attended meeting here, the Ne Temere decree was condemned. Lord Kinnaird said that such a decree from an alien power which claimed a universal right over many matters must be resisted.

Hon. J. H. M. Campbell, M.P. for Dublin University, asserted that the decree had become a grave scandal in Canada, where, he added, matters were becoming acute, and Protestant Canadians were determined to stamp it out.

"There is a deliberate conspiracy," the speaker concluded, "to put this insolent, arrogant decree all over the world. Does anybody imagine that Mr. Gladstone or Lord Salisbury would have stood this decree for five minutes?"

The Archbishop of Canterbury wrote to the meeting as follows: "Any branch of Christ's church must clearly have power to define the conditions of its membership, but in my opinion it is much to be regretted that by the promulgation of this decree—even more, than by the language which appears to have been sometimes used to secure obedience to it—the Roman Catholic church should introduce confusion into domestic life and give rise to unnecessary and disquieting doubts."

Promotion for Sir Max.

London, Nov. 18.—The selection of Bonar Law as leader of the unionist party is considered by the Canadian colony in London as presaging added political prestige and promotion for Sir Max. It is generally understood that Sir Max's entrance into politics was at the suggestion of Mr. Law, and that ever since the young Montrealer has been Mr. Law's right hand man. The unionist leader has a high opinion of Sir Max's capacity, and will no doubt give it early opportunity for expression in the important work of organization of the force of the tariff reform party.

Moving Pictures in Schools.

New York, Nov. 18.—The board of education of Brooklyn has decided to give a series of moving picture entertainments in several of the evening recreation centres of the borough, devoting one evening a week at each of the centres to this purpose. The pictures shown will be usually four in number and will be dramatic geographical, literary and historical.

Ended Her Life.

Pittsburgh, Nov. 17.—Dr. M. Ethel Kirk, aged thirty-five, was found dead in her apartments in the Geyer building on Friday from the effects of chloroform.

The doctor had committed suicide by plunging cotton saturated with the drug into her mouth and nostrils. Financial troubles were the cause.

Rear-Admiral Suicided.

Washington, Nov. 17.—Rear-Admiral John Y. Taylor, U.S.N., retired, shot himself in his residence here, yesterday, dying within a half hour. He was eighty-two years old. Despondency over failing health is believed to have prompted the suicide.

TOO LITTLE TRAINING

OF CANADIAN MILITIA, GENERAL MACKENZIE SAYS.

Military Training Advocated in Universities—Hallifax Preacher Denies That Soldiers Swept the Country Into War.

Ottawa, Nov. 17.—The militia conference, which met in the railway committee rooms of the commons this morning, proved even more interesting than that of yesterday. General Colin Mackenzie, C.B., chief of the staff, gave an address, in which he urged the need for practical organization. He pointed out that it was essential that organization should be the same in time of peace as in war. He showed that the number of men trained last year was less than one per cent of the population, and laid stress upon the fact that there was less training here than in England, notwithstanding the difference in area of the two countries.

Lieut.-Col. Fotheringham submitted a report from a sub-committee advocating military training in the university. The report recommended the creation of university and college battalions, which would furnish competent and well-trained officers for militia regiments. General Mackenzie cordially endorsed the idea.

Rev. Mr. McMillan, of Halifax, in endorsing the idea of training the youth in military matters, took occasion to deny that it was the soldiers who swept the country into war. It was more, often the work of editors, of stock speculators, and sometimes even of the pulpit.

Major R. W. Leung, chairman of the trans-continental commission, made a practical speech, endorsing the cadet movement and applauding the work being done by the boy scouts.

General Myers, of the United States army, was given a hearty welcome. He complimented the Canadian militia and laid stress upon military training which was given in the schools of the United States. He brought a message of greeting from his fellows to the officers of the Canadian militia, and trusted that their relations would always remain friendly.

The delegates were entertained to luncheon by the minister of militia in the parliamentary restaurant.

THE HALLS OF QUEEN'S.

Two Candidates For Alma Mater Presidency.

A day quiet interest is being manifested in the university in the coming Alma Mater society elections. Two candidates for the presidency are in the field: R. S. Stevens, B.A., student of the final year in medicine, and J. MacKinnon, B.A., final year arts. Whichever candidate is elected it is felt that the chair will be efficiently filled. Campaigning has already begun and a stiff fight is looked for. Names of candidates for other offices will soon be before the students.

Arts '13 and '15 met in a hard-fought contest on the lower campus, on Thursday, for the Mitchell trophy. The game was very close. Neither side had anything on the other fellows. The result was a draw, fourteen points all. As a team the freshmen showed a better knowledge of the game, but individually the smartest work was seen on '13's. Elgrim, especially, bucked the line for yards repeatedly. MacLaren was never far behind. Of their backs, Fraser gave the best exhibition. For '15 all the backs did well, especially in kicking and punting, but were rather weak in kicking. An extra ten yards to a punt in the last minute of the game would have given them the victory. Great enthusiasm has been manifested in these games, which shows that given a fair opportunity for exercise the sporting spirit of the university is far from being dead.

The tie will be played off at a later date.

The university association team is looking forward with confidence to the match at Toronto on Saturday. It is drawn will be sufficient to bring the championship to Queen's. "So boys go in and win."

PRICES NOT ADVANCED.

This is the Statement of Dominion Canners, Ltd.

In the Whig of Nov. 11th we published an article on "Canned Goods Going Up," and in receipt of a letter from the Dominion Canners, limited, intimating that so far as its prices are concerned canned goods have not gone up this year. Prices to the wholesale trade are practically the same as last year in some instances lower. Short crops are prevalent throughout the world this year, and, as a matter of fact, the price of tomatoes in the states today is, if anything, higher than the opening prices of the Canadian wholesale trade. Tomatoes are selling at \$1 per dozen, net, L.O.B., at Baltimore, and very much poorer in quality than the Canadian goods. Peas in the states opened at fifty to 50c. per dozen higher than in Canada. If there are advanced rates it is the wholesale trade that have made them, not the canners.

Colebrook Tidings.

Colebrook, Nov. 16.—There was no service in the church here last Sabbath on account of the heavy rain storm. Dr. C. E. Smith and wife, (the latter formerly Miss Helen A. Wartman), spent over Sunday at F. S. Wartman's, and left for their future home in Saskatoon, Sask., on Tuesday. Mrs. Alice Gibson and daughter, Marie, Harold Anderson and Douglas Dollar, all of Nanapanee, spent the week-end at A. C. Warner's. Stanley Lee and wife, of La'pam, visited a few days at Justus Gilligan's. Mrs. Charles Hicks has returned from Syracuse, N.Y., where she has been on a visit. Edgar Lakens of Petworth, has moved in with George Mills. Henry Woodruff has returned from his fishing trip.

Hard on the Man.

Premier Asquith has at last consented to receive a deputation of suffragettes, and Mrs. Pankhurst wished a thousand women to accompany it. A warm time is in store for the poor man, if they all start talking at once.

THE WORLD'S EPISODES

A SHIP SWALLOWED UP

IN QUICKSANDS AFTER BEING STORM-TOSSED.

Crew Saved by Basket Apparatus on South Australian Coast—Fate of a Norwegian Barque.

Melbourne, Nov. 17.—Driven ashore before a terrific gale, then swallowed up in the quicksands of the beach, was the fate which befell the Norwegian barque Margia, off the South Australian coast, near Kingston, last night. A heavy surf had swept the vessel from stem to stern, and the crew, after terrific efforts, attracted the attention of a number of settlers on the shore. The ship, however, was at first unable to reach the shore, although only half a mile's distance separated the crew from almost certain death and safety. Then the wind drove the vessel ashore.

In a short time the barque began to subside, and it was discovered that she was being caught in the grip of a vast quicksand area which was gradually swallowing the hull. The crew managed to get a rope ashore with the aid of a rocket, and by sliding in a basket down the rope from ship to shore the whole crew effected their escape.

A few minutes afterwards, only the masts of the ill-fated ship were visible above the treacherous quicksands.

DRESSES THAT WERE WORN

By Kingston Ladies at Opening of Parliament.

There was a larger representative of Kingstonians than ever before at the brilliant opening of the twelfth parliament of Canada. Thursday afternoon. This description of the Kingston ladies and the costumes they wore will interest Whig readers.

Mrs. W. F. Nickle, white satin, veiled in blue marquisette and trimmed with Irish lace.

Miss M. Gordon, black crepe de chene over black satin, with sequin net.

Mrs. W. J. Crothers, black Chintilly lace, over white satin, touches of white.

Mrs. R. H. Toye, black satin foulard, trimmed with jet and rose point lace.

Miss Cunningham, white sequin robe, veiling white satin.

Miss Richardson, pale green satin, daintily trimmed with silver and fringe.

Miss Irene Williams, pale blue crepe de chene over pale blue, finished with fringe and sequins.

Her royal highness, the Duchess of Connaught, wore an exquisite gown of gold tissue, with long tunic heavily beaded and finished with gold lace, embroidered in design of roses and leaves around bottom of skirt in silk and garniture of pearl and bugles; the bodice made in surplus effect, one side of corsage having gold lace and not opening over embroidered vest of the same material as the skirt. Her royal highness wore a magnificent tiara and necklace and ornaments of diamonds and several orders including the Order of Victoria and Albert, King Edward's family order, and King George's family order, the order of St. John of Jerusalem and order of Crown of India.

SIX MONTHS IN CENTRAL.

Aged Toronto Man Stole Fur Coat at Belleville.

Belleville, Ont., Nov. 17.—John Williams, aged sixty-two years, who claims Toronto as his home, stole a fur-lined coat from J. Bargman's place of business. He was arrested, and pleaded guilty to the offence. A sentence of six months in the Central Prison was imposed.

Took Coat by Mistake.

Quite a flutter of excitement was caused in a local hotel, to-day, when it was found that a fine overcoat, the property of one of the boarders, was missing. It was afterwards found that a well-known farmer, at Sydenham, had taken the coat by mistake, and the hotel proprietor drove out to Sydenham this afternoon to get the coat.

Hot Box Delayed Train.

The mail train from the west, was several hours late, to-day, owing to a hot box which delayed the train at different points from Port Hope east. The fast express went through on time, and made the connection at Brockville, for Ottawa passengers.
