MACKENZIE RING SAYS THEY

WANT JUSTICE.

Hon. Mackenzie King, formerly minister of labor, in an address in Toronto, shows the general laxity of the present government towards labor in-terests. After calling attention to the appalling statistics which show that 20,000 men industrially engaged were killed in Canada every ten years, Mr. King pointed out the economic loss not only to labor, but in the home He said these deaths are not volun-

industry not bear the cost? Railway and damage to rolling stock; manufaction to interest to provide for accibegets strange emotions. Marriage Thousands of people are interested ery. The industry carries this. Why should human life be differently estimated? Why should the victim if his life fatherless family be forced into court processes of the day?

This is the question which hundreds of thousands of workingmen on the mines, factories, the buildings, the metal trades, the several branches of transportation have been asking them-selves for years, and this is the quesmercy on the grits. Where possible in Monk has been a believer, and is yet, tion which they look to those who are seeking their support to answer. What answer has Mr. Whitney given? None. He has shelved the whole question. He has appointed a chief justice of one o be taken by others. And yet the pub- try, that it has employment for many the courts to report upon it, and the ic appointments fall far short of the men, and that these must be support- chief justice has been a year upon the
