

CONFIDENCE

We Back up Our Statements With Our Personal Reputation and Money.

We are so positive that we can relieve constipation, no matter how chronic it may be, that we offer to furnish the medicine free of all cost if we fail.

We think that it is worse than useless to attempt to cure constipation with cathartic drugs. Cathartics may do much harm. They may cause a redness, irritate and weaken the bowels, and make constipation more chronic.

Constipation is often accompanied and may be caused by weakness of the nerves and muscles of the large intestine or colon. To expect a cure you must, therefore, tone up and strengthen those parts and restore them to healthier activity.

The discovery of the active principle of our remedy involved the labor of skillful research chemists. This remedy produces results such as are expected from the best of the best known medicinal tonics, and it is particularly prompt in its results.

An Appeal to Wives

You know the terrible affliction that comes to many homes from the result of a drinking husband or son. You know of the money wasted on "drinks" that is needed in the home to purchase food and clothing. Order for us, in home-treatment and can be given secretly or taken without notice but in two forms, powder or pill. Your money will be returned if after a trial it has failed to benefit. Cost but \$1.00 a box—a mere trifle when compared with the amount a drinking man will spend in a day for liquor. Come in and get a free booklet and let us tell you of the good "DRINK" is doing. Geo. W. Mahood, corner Princess and Bagot Streets.

Science vs. Arts. Science and arts rugby teams will battle, this afternoon, for the inter-faculty championship.
