THEY INJURE CHILDREN

Cathartics and Pills and Harsh Physics May Cause Distressing Complaints.

You cannot be over-careful in the selection of medicine for children. Only the very gentlest bowel medicine should ever be given.

We personally recommend and guarantee Rexall Orderlies as a safe and dependable remedy for constipation and associated bowel disorders.

Rexall Orderlies are eaten just like candy, are particularly prompt and agreeable in action, may be taken at any time, day or night, do not cause diarrhoea, nausea, griping, excessive looseness, or other undesirable effects.

There is really, in our opinion, no similar medicine so good as Rexall Orderlies for the purpose to which it is directed, especially for children, aged and delicate persons.

GETTING AFTER THE TRUSTS.

Mr. Rowell promises, when the liberals are returned to power in Ontario, to deal with the trusts. These are at the throats of the people, and the Whitney government has no desire to deal with them.

WONDERS AT OTTAWA.

The labour department at Ottawa is advertising itself. It was organized, of course, by Mr. King originally, under Hon. Mr. Mulock, and is continuing to work according to his plans.

Three instances have transpired of a more or less notable character. Hon. Mr. Rogers, when in the west seeking a seat after his call to the government, went to the coast and tried his 'prentice hand in the settlement of the coal miners' strike.

The longshoremen of Montreal had a serious difficulty, and a couple of the labour department's officials went down from Ottawa and used their persuasive powers successfully.

THE PREMIER AND THE PEOPLE.

The most notable interview of the year was that between a deputation from North Ontario, representing its three towns and Coleman township, and Sir James Whitney, otherwise known as the imperious one.

The deputation was not, perhaps, composed of the right persons—right in the sense that it was composed of admirers of the brusque Sir James, and that its members would be submissive and obsequious.

EDITORIAL NOTES.

Clearly Hon. Mr. Hughes has no use for the militia council at Ottawa. Why not dismiss it once? Why submit it to a long-drawn out and painful death.

So Bonar Law, who was a Canadian, carries favours with the Irish by pledging himself to protect the cattle trade against the Canadian by keeping up the embargo, Queer kind of friend.

The provincial boundary question is settled. It would have been disposed of ten years ago had the Manitoba government been willing. It was a ever ready and convenient political football for the Roblin government.

For the land's sake. Here is James L. Hughes with a suggestion that no man should be allowed to marry until he has served three years in the militia. According to the Hughes programme we must have militarism on the brain.

Socialist Maguire, of Temiscaming, talked to Sir James Whitney in his own live a Dutch uncle. It is well that the bluff Sir James occasionally runs up against one of his

SHE LEARNED FINANCE

WANTED IN NEW YORK FOR FRAUDULENT USE OF MAIL.

Left on an Auto Trip—And Authorities Fear That She Has Managed to Reach Ontario.

New York, Nov. 23.—A woman, who came down to the states from a small town in Ontario ten years ago, acquired a knowledge of business affairs in Boston, and then came on to New York in search of a wider field, was indicted by a federal grand jury for fraudulent use of the mails.

PUBLIC OPINION.

Best of Government. Brantford Expositor. The cost of civic government, under the Whitney regime has advanced sixty-five per cent.

Divorce Mill. Montreal Star. The divorce mill starts up at Ottawa again as soon as the senators gather.

Has Not Explained. Toronto Globe. Sir James has not yet explained why he lost \$25,000 to the Farmers Bank about the time when that institution lost about \$25,000 to Beatrice Nesbitt, the conservative boss.

Sir James is Off. Toronto Star. When Sir James Whitney says there are no bi-lingual schools, he must mean that there are no schools in which the two languages are taught.

The Canteen Again. Stratford Herald. On the subject of the canteen, it is hardly likely that Colonel Hughes will favor its restoration.

THE WHIG'S PUZZLE. Can You Guess What the Picture Represents? HE'S NOT VERY GOOD LOOKING

What other name for preacher? Answer to Wednesday's puzzle: Larch.

Stillman's Freckle Cream, at McLeod's Drug Stores, will get civilization lost about \$25,000 to Beatrice Nesbitt, the conservative boss.
