

and ads. Iolsted upon them, and the bites have not healed. Ah! but I said I am here to bring the people to our store with **FACTS**, not **Fakes**.

I am going to tell the people just what we are doing. The whole story of this stock is in this advt.

Abraham Lincoln Once Said

"You can fool all the people some of the time, you can fool some of the people all the time, but you can't fool all the people all the time."

OLD ABE KNEW WHAT HE WAS TALKING

ABOUT.

Although I am a young man, I have had a great deal of experience. I have sold stock in all the principal cities in Canada, and there is not a place where I have been that I couldn't go back to and do the same thing over again.

I am not in it for my health, I am in it to make money, the same as any other man is in a business. And my success is the result of

Fair Treatment

Always giving the people what we advertise, and advertise only what we have to sell.

H. GREENBERG,
Sales Manager.

Every Article in the Store has a colored tag on. The price is marked in plain figures, you can look around yourself, our salespeople will not annoy you. If you do not wish to buy you are welcome just the same. Every visitor means a customer some time. This is not an ordinary everyday Bargain Sale, don't forget that. It is a Sale that takes place very rarely, a real **BANKRUPT STOCK SALE**, so don't miss it whatever you do.

WEDNESDAY, the 29th instant

Is the opening day of this Bang-up, Crowd-bringing Sale

JOS. ABRAMSON AND H. GREENBERG. Purchasers of the Crumley Bros. Stock

Do not allow anything to keep you away from this Sale. It means dollars and cents to you.

P.S. On account of the limited time we have to dispose of this stock, and the very low prices at which we will sell the goods, we will not be able to exchange anything, so be careful in choosing the correct sizes.

I Am No Kellar or Conjuror

I cannot wave my hands in the air and produce a roll of goods or a pair of gloves. But what I can do, and so could you if you were in this business:

When I get a stock of nice, clean merchandise at 42 cents in the dollar, which is less than half price, I can sell it to you at a bargain and still make money for myself.

I am going to sell every dollar's worth of goods in this store, and I will give them to you at prices that will make friends for me and send me business every day that I am here.

H. GREENBERG,
Sales Manager.
