

A Reasonable Plea For the Stomach

If Your Stomach is Lacking in Digestive Power, Why Not Help the Stomach Do Its Work—Especially When it Costs Nothing to Try?

Not with drugs, but with a reinforcement of digestive agents, such as are naturally at work in the stomach? Scientific analysis shows that digestion requires pepsin, nitrogenous ferments, and the secretion of hydrochloric acid. When your food fails to digest, it is proof positive that some of these agents are lacking in your digestive apparatus.

Stuart's Dyspepsia Tablets contain nothing but these natural elements necessary to digestion and when placed at work in the weak stomach and small intestines, supply what these organs need. They stimulate the gastric glands and gradually bring the digestive organs back to their normal condition.

Stuart's Dyspepsia Tablets have been subjected to critical chemical tests at home and abroad and are found to contain nothing but natural digestive agents.

Chemical Laboratory, Telegraphic address, "Dibindo," London. Telephone No. 11929 Central, 20 Colindale Ave., Fincham Road, N.W., E.C.

I have analyzed most carefully a box of Stuart's Dyspepsia Tablets (which I bought myself at a city chemist's shop for the purpose) manufactured by P. A. Stuart, 50, 56 Clerkenwell Road, London, E.C.1, and have to report that I cannot find any trace of vegetable or mineral poisons.

Knowing the ingredients of the tablets I am of opinion that they are admirably adapted for the purposes for which they are intended. (Signed) John R. Brooks, F.I.C., F.C.S.

There is no secret in the preparation of Stuart's Dyspepsia Tablets. Their composition is commonly known among physicians, as is shown by the recommendations of 40,000 licensed physicians in the United States and Canada.

They are the most popular of all remedies for indigestion, dyspepsia, water brash, insomnia, loss of appetite, melancholia, constipation, dysentery and kindred diseases originating from improper dissolution and assimilation of foods, because they are thorough and harmless to man or child.

Stuart's Dyspepsia Tablets are at once a safe and powerful remedy, one grain of these tablets being strong enough (by test) to digest 3,000 grains of steak, eggs and other foods. Stuart's Dyspepsia Tablets will assist your food for you when your stomach can't.

Ask your druggist for a 50c. box or send to us direct for a free trial sample package and you will be surprised at the result. P. A. Stuart, Co., 150 Stuart Bldg., Marshall, Mich.

POLANDER GIVEN PASS. He Will Work His Way Home on a Steamer.

The Polanders, whose sad case was referred to in the Whig, on Monday, was given a pass as far as Montreal by the mayor. He was very anxious to get away on a steamer going across the ocean, and it is expected that he will be able to do this.

The Polanders, who received the sad news of the death of his wife in his far-off home, could not speak one word of English, and for this reason, his case was particularly sad. Some of his friends in Montreal, where he had been working for a time, had written a note for him, in English, telling his story.

Colds Cause Headache. Laxative Bromo Quinine, the world-wide cold and grip remedy, removes causes. Call for full name. Look for signature E. W. Grove, 25c.

CIVIC IMPROVEMENT

DISCUSSED BY H. L. HUTT, OF GUELPH, AT QUEEN'S.

Suggestions For Improvement of Streets, Public Buildings, and Entrances to Cities—Other Towns Are Brightening Up—Public Play Ground Question Brought Up.

The illustrated address given by Prof. MacClement's class room at Queen's university, Tuesday afternoon, by H. L. Hutt, B.S.A., of the Ontario Agricultural College, was listened to by about fifty people. It should have been heard by several hundred. Perhaps had the people been aware of just what the subject Mr. Hutt would speak on they might have attended in larger numbers.

His subject was on "Municipal and Home Improvement" and was illustrated by many fine views which he had taken himself at different times on his travels. He pointed out the necessity of having a good front-door or in other words have the railroad stations arranged as tastefully and as beautifully as possible. This was one thing in which Kingston was behind the times. He considered that such a beautiful city as we had here should look better to the traveler as he stepped off the train.

Public buildings, too, had a great deal to do with the fine appearance of a city. The way they were laid out to get the best advantage and to command the finest outlooks. The very best arrangement of trees and boulevards. The grading of the streets all tend to make a city beautiful and one that a visit to it would be remembered with pleasure.

Another thing he favored was a public play ground. Not one laid out with flower beds and artificially levelled, but one which was in its natural state where the children could enjoy themselves at all times without being in danger of damaging any property. He thought the playgrounds around school buildings should be looked after as well as possible, and he was sorry to say that Kingston fell behind somewhat along this line. It took time for all improvements, and he hoped that the next time he came to Kingston he would see that the people had caught the spirit of making the city still more beautiful than it was.

Died in Cleveland. The death occurred at Cleveland, Ohio, on November 22nd, when Mrs. C. A. Murdoch (formerly Jennie Walker) passed away. Deceased was born in the township of Olden, forty-nine years ago, but had resided in Napawan, before leaving for Cleveland. She was well known by many Kingston people. Besides her sorrowing husband and five children, she is survived by her mother, Mrs. N. J. Walker, Napawan, five brothers and six sisters, Clara, Amos, Alice, Robert, Lottie, George and Mabel, of Waterloo, N.Y., and Abina, Alonso and Chion, of Napawan, and Thomas W., of Kingston.

Bright Eyes, Rosy Cheeks. That depressing "used up" feeling and pallid face can be quickly exchanged for happiness and rosy cheeks by a course of Wade's Iron Tonic Pills. They build up the constitution, make new, rich blood, strengthen the nerves and improve digestion. Price 25c., at Jas. B. McLeod's, drug stores.

Mr. McDonald Resigned. John McDonald, inspector of weights and measures, formerly a resident of Kingston, but now of Ottawa, has resigned after serving over thirty years in the service. He will be succeeded by Controller Hinchey, of Ottawa.

Robert Summerville, student at Queen's, will preach in Cooke's church next Sunday evening. Rev. (Prof.) A. Laird will occupy the pulpit in the morning.

Left Hospital To-day. William Robinson, ex-M.P.P., Kingston's veteran citizen, who has been confined to the general hospital for some weeks, has so far recovered from his illness as to leave the hospital. He was removed to the home of his son, to-day.

Christmas Sale. In St. Andrew's hall, on "St. Andrew's Day," Thursday, Nov. 30th, 3 p.m.

Appointed Manager. C. Henderson Carter, Sherbrooke, Que., youngest son of Mrs. R. C. Carter, West street, has been appointed manager of the Bank of Montreal at Mahone Bay, N. S., near Halifax, Mr. and Mrs. Carter will leave Sherbrooke for their new home in about two weeks.

No Risk at All. Cuts, bruises, burns, scalds, boils, and such mishaps carry no risk of blood poisoning whatever, and cause very little discomfort if you promptly apply that sure cure, "Iodo" Ointment. None should be without it. Big 3 oz. jar 25c., at all drug-gists.

Presented With a Ring. The members of the choir of the First Baptist church "surprised" Miss Lillian Wright Tuesday evening, at the home of her father, T. Wright, corner of Sydenham and Queen streets. Games and music were indulged in and at the same time the choir presented Miss Wright, who has been a member of the choir for some years, and who is leaving for Toronto to enter an hospital as a nurse in training, with a pearl ring. S. A. Salisbury, choir-master, read the address and Miss W. Phillips made the presentation.

VERY SUDDEN DEATH THE SPORT REVIEW

OF JOSEPH HISCOCK, THE WELL-KNOWN MERCHANT. SUNDAY SCHOOL BASKETBALL GAMES PLAYED

Passed Away on Wednesday Morning at His Home—He Was Preparing to Retire From Business. Death came very suddenly from heart trouble, at seven o'clock, Wednesday morning, at his residence on William street, to Joseph Hiscock, one of the city's best known and most reliable merchants. Syd Hiscock was just on the eve of retiring from business, in fact was opening his retiring sale. He was down to his store Tuesday evening, and to A. J. Rees and him, appeared to be in his usual health and good spirits, although he complained of a slight touch of indigestion.

The late Mr. Hiscock, who was in his fifty-seventh year, was born in Montreal, and came to Kingston when twelve years of age. For years he was a steamboat steward, serving principally with the Folger, serving from that he went into the fruit and confectionery business on King street, and also kept different stores on Patterson street, being thirty years in business. Deceased was married to Elizabeth Wales, of this city, and she, with one son and three daughters, survive. Howard, at present taking an electrical engineering course at Lynn, Mass. Miss Reta, high school teacher at Stouffville, Ont.; Miss Grace, nurse-in-training at Clifton Springs, N.Y., and one sister—Edgar, of this city, and Mrs. (Capt.) Storey, of Collingwood.

The late Mr. Hiscock was a member of the Masonic order and the A.O.U.W. He was a Methodist in religion, being a trustee of Sydenham street church, and he was a liberal in politics. Deceased was alderman for Victoria ward for the years 1886-87-88-89. While he was quiet and unassuming, he was always interested in anything for the good of the city, and took a keen interest in clean sport, especially baseball and hockey.

The funeral will take place, Friday afternoon from his late residence, William street, and the service will be conducted by Rev. T. W. Neal.

Collegiate Meet Soon. Plans at the Collegiate Institute will be formulated this week for the formation of a hockey team. A team will be entered in the junior intercollegiate series, this winter, despite the fact that they lost the championship last year and have lost some of their good material also. A meeting will likely be held, Wednesday or Thursday evening.

R.M.C. is Ready. The Royal Military College rugby team is ready for the contest, on Saturday, with the Rough Riders, of Hamilton, for the Dominion intercollegiate championship. The Hamiltons have a long jump to the play for it and are coming against their wishes. The game will be played at Queen's athletic field, in order that a gate may be collected. The officials have not been decided yet but Cadet Gwyn, captain of the team, forwarded a list to Hamilton and the authorities agreed to a number of them but the two who will guide the game have not been decided yet. They will likely be picked in a day or so.

S.S.A.A.A. Meeting. A meeting of the S.S.A.A.A. has been called for Thursday evening for the consideration of some matters. It was postponed from last week on account of the fact that a quorum could not be gathered.

Rifle Association Booming. The proposed Rifle Association, in connection with the S.S.A.A.A., is doing well and is now practically an assured thing. The necessary papers are here and it only remains for the officers in connection with the affair to conform with the regulations.

Notes on Sports. Grand Rapids, Mich., will again enter the Ontario tankard curling competition. Alexander Munroe, the English wrestler champion, is coming to America to meet Frank Gotch, on Dec. 25th.

The Ottawa Stanley cup holders have again given up hope of landing Fred Taylor, who was awarded to the Montreal Wanderers.

The New Edinburghs will not play Winnipeg for the Allan cup, but will take an exhibition tour to Port William, Kenora and Winnipeg.

The University of Toronto rugby team will lose only four of their players for next year: Elliott Green and Frank Bassard, of the regulars, and Duff Wood and Craikshanks, of the substitutes.

It is almost certain that the remaining Canadian championship games, intermediate and junior, will be played on snow-covered fields. The junior final will not be played until a week from Saturday, and perhaps not until later.

The old R.M.C. half, Smith, certainly played a strong game for the Argos at flying wing, and Arnold, the other recruit, was of some assistance, although he did not shine as much as he has in other games.

Toronto Globe: When other unions than the Intercollegiate finally got their eyes opened to the reason for Varsity's success, if they ever do, and realize that speed and the open game are the answer, football will improve and be benefited all over the country. The Argos are perhaps the best non-collegiate team in Canada for years, but they were not good enough.

Presented With a Ring. The members of the choir of the First Baptist church "surprised" Miss Lillian Wright Tuesday evening, at the home of her father, T. Wright, corner of Sydenham and Queen streets. Games and music were indulged in and at the same time the choir presented Miss Wright, who has been a member of the choir for some years, and who is leaving for Toronto to enter an hospital as a nurse in training, with a pearl ring. S. A. Salisbury, choir-master, read the address and Miss W. Phillips made the presentation.

AT Y.M.C.A. GYMNASIUM LAST EVENING—WINNERS WERE BROCK, ST. JAMES' AND SYDENHAM TEAMS—NOTES ON SPORTS.

The second group of games of the Sunday School Basketball League were played at the Y.M.C.A. gymnasium on Tuesday evening. On a whole, better basketball was played. The games started about 7.15 and lasted until about ten o'clock.

The first was between Brock and Bethel and resulted in a win for Brock with a score of 21 to 10. Half time score stood 7 to 4. The teams: Brock—McCormick, Crawford, Ferguson, Kinch and Reid.

Bethel—Edgar, Wilson, Veale, Law and Mercer—Leslie Meek.

The second game was very one-sided from the start to finish. The two teams interested were St. James' and St. John's. The former won by the score of 32 to 3. Half time score was 15 to 3. The teams: St. James—Potter, Sampson, Partidge, Sharpe and Eford.

St. John's—Davidson, Scammell, Dennison, Stevenson and Forsythe. Referee—F. Pound.

The last game was a very good exhibition of ball. Both teams showed improvement since the first game. The contestants were Sydenham and Cooke's, the former winning by 15 to 4. Half time score was 6 to 4.

Sydenham—Wightman, Ward, Trotter, Pense, Barnum, Wood, Cooke—Smith, Kiell, Sherbino, Parkhill, Filson. Referee—Leslie Meek.

The next games in the junior Sunday school basketball series will take place on Thursday afternoon when Cooke's and St. John's and St. James' and Queen street teams meet. It is likely H. Edgar will referee one of the games.

Plans at the Collegiate Institute will be formulated this week for the formation of a hockey team. A team will be entered in the junior intercollegiate series, this winter, despite the fact that they lost the championship last year and have lost some of their good material also. A meeting will likely be held, Wednesday or Thursday evening.
