MARCHAND MAY RETURN

FORMER FRONTENAC HOCKEY PLAYER WAS HURT.

While Playing Hockey in Cleveland - He is Thinking of Returning to Kingston - Queen's Hockey Squad to Commence Practising.

Word has been received in the city that Ray Marchand, the goal keeper for the Junior Frontenacs last year, may return to the city. Ray went to Cleveland about three weeks ago from Hamilton to work for a big electrical concern there. The artificial ice rink there is in full swing and he had a few practices with an amateur team there, but was hurt. He has recovered so as to be able to be back in the game again, but is thinking a great deal of coming back to Kingston. If he does it will be that he will be the goal-keeper for the Senior Frontenacs.

Knows Nothing of It. Regarding the proposed Ottawa-Frontenac hockey match here on Christmas day, James T. Sutherland said today that he knew nothing about it except what had been said in Ottawa. He said the Frontenacs could not play against professionals as "Marty" Walsh, unless admittance was free. As regards a drawing card it would almost be impossible to make it pay on Christmas night.

Starting to Practise. The hockey squad at Queen's will be out for the first time next Monday afternoon for a work-out in the gymnasium. Practices will be held three times a week, Monday, Wednesday and Friday afternoons from five to six o'clock. As soon as the ice is formed the ice practising will be started also.

Inter Year Basketball. The inter-year basketball games at Queen's start a week from Saturday and the teams are getting ready for them. Arts '11 had a practice Friday afternoon, from two to three o'clock. The senior basketball practised from five to six o'clock, today.

FINE ENTERTAINMENT GIVEN Under Auspices of Portsmouth School Board.

One of the finest entertainments ever given in Portsmouth was that given in the Orange hall at the village on Thursday evening, under the auspices of the public school board of Portsmouth. Four hundred people were in attendance and every one thoroughly enjoyed the programme. The pupils of the school took part in the programme, assisted by Miss Gladys Baiden, daughter of Reeve Baiden. Others assisting were Alexander Atkins and J. Halliday, who rendered a duet, Miss Annie Halliday, acting as accompanist; Master Eddie Ryan, son of Dr. Ryan, violin solo.

The children put on many interesting and attractive pieces, all of which were accorded. A laughable sketch, entitled "Six Kittens" by six little girls, dressed as kittens, was given, also an amusing dialogue, entitled "Tom's Practical Joke," several songs and recitations, and an especially good feature was the girls' Japanese fan drill, by twelve girls, in Japanese costume. The entertainment as a whole was a comedy in one act, entitled "Mrs. Cobb's Telegram," in which Miss Gladys Baiden took the leading part. This was exceedingly well put on. The boys and girls who took part carried out their work in an able manner. The concert closed with "God Save the King." Richard Baiden was chairman of the evening.

Bazaar Was a Success. The last day of the Zion church bazaar was also a successful one and as a result of their labors the ladies of the church will have about \$150 clear of expenses. They had good crowds on Thursday and in the evening served a dinner to a large number of people. After dinner another concert was given by different artists. W. A. Beecroft and Messrs. Frank and Forbes, of Queen's, gave solos, and the last mentioned recited several times. Miss Alice Gibson and Robbie Gibson gave a piano and violin duet. Mrs. Lennox played the accompaniments.

Returned to Ottawa. Hon. C. J. Doherty, minister of justice, who came to Kingston to attend the consecration of Archbishop Spratt, left for Ottawa on Thursday night, in a private car of the Canadian government, over the Grand Trunk railway. He had as his guest H. W. Richardson, of this city, who will join the civic deputation which is to meet the government to-day with regard to a new Cataract bridge over the harbor.

Granted Water Lots. The Ontario Exploration company asked the two counties of Frontenac and Lennox and Addington, for the water lots in front of their property at Collins Bay. Members of the two counties went to the property on Wednesday and looked over it. They decided to grant the company the lots for a distance of 650 feet.

Building in Kingston. During November, building permits to the value of \$12,029 were taken out at the city engineer's office. From January 1st, to December 1st, the total amount of building in Kingston was \$311,259, as against \$219,597 during the same eleven months of 1910.

Inland Revenue Collections. The collections at the inland revenue office for November were: Spirits, \$1,035.27; malt, \$1,051.03; tobacco and cigars, \$1,382.02; bonded liquor (vinegar), \$214.29; molasses, spirits, \$27.15; other receipts, \$76. total, \$8,439.76.

Next Tuesday's Whig. Dr. Sigel Rouah's second travel article will be published on Tuesday next. It is a very rare letter and full of information in Norway and Sweden. Be sure and read it.

Grain for Montreal. Let passes issued at the canal office during November, en route to Montreal, were: 3,150,941 bushels of grain, 822 tons of flour, and 3,993 tons of coal.

FOR DUKE'S ARRIVAL

K. and P. Stations Being Decorated For Occasion.

The preparations for the arrival of the Duke of Connaught, the governor-general of Canada have been started. Employees of the road were busy all day, Friday, putting up bunting around the station to greet his royal highness. Stations along the way are also preparing a welcome for the uncle of King George as he passes through, Saturday morning. The train bearing the royal personage will arrive at 8.30 o'clock from Hamilton, and leave again at eleven o'clock.

A Colt in Trouble. A young horse, driven by Albert Gravelle, of Portsmouth, commenced to do some circus-stunts at the corner of Montreal and Princess streets, Friday morning, and as long as it confined itself to these everything was all right, but after a while it commenced to kick holes through the dashboard. It started to run, but only went a short distance before it came in contact with a spring wagon standing beside the walk. The shaft and the dashboard were broken. This is the same colt which caused Mr. Walter Gravelle's injury, which kept him confined to the Hotel Dieu for the past two months.

THE HALLS OF QUEEN'S

A LECTURE BY PROFESSOR LLOYD, OF TORONTO.

On "Labor Unrest in Great Britain" - The Alma Mater Elections Will Take Place on Saturday.

In the large English room, on Thursday afternoon, Prof. Lloyd, of Toronto university, gave a lecture on "Labor Unrest in Great Britain." The speaker had the advantage of speaking from first-hand knowledge, as he had spent the summer in the old country, and had made a special study of the great strikes which took place there. He pointed out that the unrest in Great Britain was part of a general unrest in trade circles throughout Europe and America. The two main leaders in the strike were Tom Mann and Benj. Tillett. These had learned the strength of the sympathetic strike in Australia. A strange thing occurred in London, in event, too, for which the government was blamed. Before it was possible to get the mail carried through the city, permits to do so had to be secured from Benj. Tillett. These permits were written on post office paper with the initials G.R. (George Rex), in the corner. The cause of the strikes were due to the rise in the cost of living while the wages had remained almost stationary, and also to the unfulfilled hopes raised by the legislation of the liberal government. The people expected much from the old age-pensions, insurance, employment, etc., bills passed, but as yet the operation of these has produced no amelioration of conditions.

In reply to a vote of thanks proposed by Prof. Swanson and seconded by Prof. Shelton, Prof. Lloyd said that when the conditions in America became more settled it is probable that similar crises through sympathetic strikes would occur here. During the past few days the candidates for the A.M.S. executive have been putting in hard work to advance their interests. Meetings have now been held in all the faculties. One good at least has resulted from the bringing forward of a platform for arts. The candidates have had something to talk about. Some of the meetings seemed almost like a debating society, with speakers just on the affirmative and opponents on the negative side. Preparations for the polling are all complete, and a record vote is looked for. It is hard to say at the present time what candidates will be successful. The several committees are working their best and as usual it is expected that the Le-Vana Society will decide the issues. If many ladies vote against the arts' candidates, their chances will be greatly lessened and the science and medical candidates' chances correspondingly heightened. Much conversation is going on, but the decision is on the knees of the girls, or of the divinities.

ST. ANDREWS TEA AND SALE. On Thursday Afternoon Was Very Successful. The Woman's Home Association, of St. Andrew's church, held its annual tea and sale in the church hall on Thursday afternoon. A large crowd was present. The articles for sale were very fine. The ladies are very proud of the success they made of their undertaking. The fancy table was in charge of Mrs. W. S. Hughes, assisted by Mrs. James Threlk, Miss Minnie, Miss M. Fowler, and Miss Moxart. The home-made table was in charge of Mrs. A. J. Wells, assisted by Mrs. J. M. Strange, Mrs. James Minnie, and Miss Smith; candy table, in charge of Mrs. R. J. Reid, assisted by Mrs. Scobell, the novelty table, in charge of Mrs. H. Brock, assisted by Mrs. Post, and the Misses Fowler; high paid, Miss Donnelly.

PAID IN FINES. Amount Received by Provincial Government and City. License Inspector C. W. Wright, today, made out his check to the provincial government, and to the city of Kingston, for the amount due from liquor fines for the last six months. The distribution amounted as follows: Received by provincial government, \$4,655; received by the city of Kingston, \$4,650. The additional amount received by the government is made up of fines and transfers.

The first distribution, dating up till June 9th, resulted as follows: Government received \$3,980; city, \$2,300. St. Paul's Church. Rev. Dr. Peterson Synch is to preach in St. Paul's church on Sunday morning at 11 o'clock service. "Buy shoulder braces," Gibson's.

Tired Feet?

You can not blame the man, or you can not blame the woman whose feet ache, who has tired muscles and nerves, who is fatigued after a few hours walk. The cause is a weak or broken down instep, also known as "flat-foot."
