"FRUIT-A-TIVES" THE BEST PREVENTATIVE

There is practically no danger of Typhoid Fever as long as you keep the bowels regular with "Fruit-a-tives."

Typhoid is an inflammation of the bowels, due to a germ. This germ enters the body in milk, water or food. If the bowels are constipated, the germ remains in the body long enough to attack the delicate lining and thus Typhoid begins.

"Fruit-a-tives" acts directly on the system of all impurities. "Fruit-a-tives" will not cure Typhoid—but it will cure Constipation, assist Digestion and tone up the system—thus preventing Typhoid.

ROYAL MILITARY COLLEGE TEAM WINS

The Dominion Intermediate Rugby Championship Again— Defeated Hamilton Rough Riders Here on Saturday by Score of 10 to 9.

For the second year in succession the Royal Military College intermediate rugby team, champions of the intermediate intercollegiate series, have won the title of Dominion champions. They defeated Hamilton Rough Riders, champions of the intermediate inter-provincial union, in a tightly scored game at the Queen's athletic field, Saturday afternoon. The closeness of the game may be judged from the fact that at full time the score was 10 to 9, in favor of the Cadets, and twice during the game the score was tied.

It was plain to everyone who witnessed the game that the R.M.C. team was superior to that of the Hamilton aggregation, and their condition was also superior from the fact that in the last quarter the "jungle kings" were held scoreless. True, the Cadets scored only two points, but they had the

CADET "JACK" GWYNNE, Captain of the champion Royal Military College team.

better of the play, in fact they had the better of the play all through the game, but on account of hard luck, and some fluky decisions they were up "against it."

Each team was credited with a touch-down, but the one scored by Hamilton was of a dishwater type. The ball was dribbled over the line. Cadets should have had five more points credited to them as one touch in the second quarter was not allowed on the claim of interference.

The men who handled the game could not agree very well. Robbins was one of the men who handled the senior rugby game in Toronto last Saturday. Dixon, the referee, over-ruled him twice, and this is only done in extreme cases.

The soldiers' training stood them in good stead, while their weight was a factor in the winning of the game. Their team, on the whole, was considerably huskier than the Rough Riders, and gained their yards through bucking time after time, while only in a few cases did the Hamilton line break through. The combination of the R.M.C. team was almost faultless and it was in rare cases that it failed to work. The soldiers took some risks and seldom were they sorry for it.

Manson, the living wing for the victors, was the star of his team, with Harvey, the half-back, a close second. Harvey's kicking, as well as Manson's, was responsible for the points gained. The whole Hamilton team tackled well, although the condition of the ground made that part of the game very uncertain work. The Cadets were better sprinters than their opponents and consequently had them stopped in this direction.

As usual, Carruthers, the star punter for the military men, was right on the job with his right leg, and his kicking was decidedly advantageous during the whole game. Galt's leg worked well, too.

The rooting of the Cadets was one of the features of the game. During the first half when the Rough Riders were leading by several points, the rooters, who were in a body in grand stand, yelled their parodies and songs lustily. This certainly had an effect on the team for in the last part of the game they pulled up considerably. It takes plenty of grit to root when the team is on the under side of the score, but the Cadets were right there with the cheers.

When the game was over the Hamilton men took their defeat gamely. They cheered the victors loudly, and all the way back on their car they were singing and shouting till they were hoarse.

The First Quarter. The game opened with a strong wind blowing across the field, and to the Rough Riders' advantage. The

condition of the Cadets was shown, and the injuries of the Rough Riders were numerous. R.M.C. carried the ball into Rough Rider territory, and Carruthers kicked, forcing Crocker to rouse. While Rough Riders strove hard to clear their end of the field, they found it very difficult to get away, and were forced to rouse again. Score: R.M.C., 10; Rough Riders, 9. This was the only period of the game in which R.M.C. led in the scoring.

Perhaps the kicking of both teams was no more conspicuous than in the last quarter, when Carruthers, at one time, kicked three-quarters the length of the field. Before Carruthers' kick had reached the ground, Shoemberger, Gwynne and Mallory were there, and tackled Manson on the Rough Rider touchline. But from the next scrimmage the ball was carried back into centre field, and R.M.C. lost one of their best chances to score again. For the remainder of the game R.M.C. seemed to have the better of the play, which was mostly in Rough Rider territory, but they failed to score. In the last two minutes Rough Riders seemed to back up a little. Through an injury, Rough Riders replaced McKenna by Barrett. The play for the last five minutes was very close, and when time was called, the score stood: R.M.C., 10; Rough Riders, 9.

The teams: Hamilton—Flying wings, Crocker, Harvey, Manson, Harvey, and Finlay; quarter, Chagnon; scrummers, Kober, O'Hara, and McKenna; inside wings, Miles and Belle; middle wings, Stansel and Gow; outside wings, Malstead and Otton. R.M.C.—Full back, Galt; halves, McCarty, Carruthers and Lawson; quarter, Blackstock; scrummers, Shoemberger, Mallory and Gwynne; inside wings, Sweeney, and Storms; middle wings,

Roberts and Pearce; outside wings, Gwynne and Shoemberger. Referee, "Reddy" Dickson, Varsity; umpire, Frank Robbins, Hamilton. The Cadets' Captain. Cadet "Jack" Gwynne, captain of the champions, may well be proud of his team. He started off in September little thinking that he would be able to produce a champion fourteen in either intermediate or junior series, but his untiring work has resulted in the R.M.C.'s great victory over Toronto, Montreal and Hamilton teams. It is never an easy thing to beat a Tiger team, but the team of cadet youths has succeeded in doing so. The champions also owe a great deal to their centre half, the Kingston lad, who is such a magnificent punter, namely, Colin G. Carruthers, son of J. B. Carruthers, of this city. It has taken Kingston to furnish the R.M.C. with its star punters during the past few weeks, Stewart Robertson being the half back last year who kicked the cadet team to victory.

An Ex-Captain Here. Ex-Cadet "Tilly" Young, who captained the R.M.C. intermediate rugby team for two years, and who is now in Boston, was here on Saturday and witnessed the contest, win the Dominion intermediate championship from Hamilton Rough Riders. Smith and Arnold, of Argonauts, and "Pete" Campbell, the famous Varsity quarter, who are all ex-cadets, were expected down, but they could not get away.

Queen's Hockey Team Busy. Queen's hockey squad will have the first workout of the season on the floor of the gymnasium Monday afternoon. This will begin a long term of training which the players will undergo before going on the ice. This training in the gymnasium has always been of great benefit to them and was one of the things which made Front-nacs winners of the junior O.H.A. last season.

Junior R.M.C. Team. The junior R.M.C. rugby team, champions of the junior intercollegiate series, are hot after the junior Dominion championship, and to try and know if they will go to Toronto next Saturday to play with that team, which snatched the junior championship of the western division from Hamilton Wanderers on Saturday. The cadets, though only winning by a small margin in Montreal, think they can strive successfully for Dominion honors in the west. The cadets are fast and can be expected to hold their own, although playing on strange grounds.

To Be No Game. The University of Toronto delegation which attended the Cornell-Pennsylvania game at Philadelphia, returned without definitely arranging an exhibition game between Varsity and an American college. The Americans were somewhat in accord with the scheme, but refused to commit themselves further. It is highly improbable that a game will be arranged.

Uniform Rugby Rules. It is proposed to establish a commission composed of prominent football men to make the rules of the various Canadian unions uniform. The sooner an intelligible and definite set of rules are adopted for the game all over the Dominion, the better. It should have been done long ago.

Pittserry Budget. Pittserry, Dec. 2.—The Ladies' Aid and Clover Club in connection with St. John's Presbyterian church, held a successful sale and ten in the Orange hall on November 28th. Music was furnished by Gananogue talent. A goodly sum was realized. D. Breckenridge is local blacksmith. Charles Lane had a narrow escape from being seriously hurt. When returning home from Gananogue, his horses became frightened while descending a hill, and upset the wagon over the embankment, and then ran away. Miss Mamie McFadden intended leaving for Kingston to stay some time. Mrs. Robert McNinch, Leeds, spent a few days the guest of her parents, Mr. and Mrs. McClement, Sr. Miss Ella Green-zan is visiting on Wolfe Island.

Dislocated His Shoulder. James J. Benge, physical director at Queen's University, and also at the Y.M.C.A., is laid up with a dislocated shoulder. He was engaged in doing some athletic work, last week, and in some way he knocked his shoulder out of place.
