Annual Week of Prayer.

A meeting of the Evangelical Alliance was held Tuesday afternoon in the Y. M. C. A. building. Present: Rev. T. W. Savary, president, in the chair; Revs. Prof. Alexander Laird, H. D. Whitmore, D. McCallum, Dr. Mc Gillivray, Dr. Ryckman, T. W. Neal, J. Webster, A. Mershon, S. Selley, and Captain Turner, Messrs. R. E. Jones, F. G. Lockett, E. F. Trimble and the secretary, Douglas Loring.

The new president, Rev. T. W. Savary, gave a short and very interesting inaugural address. After thanking the society for the honor conferred in electing him president, he set forth in brief the principles governing the Evangelical Alliance, and suggested something which might be done to improve the interest and influence of the local branch.

Considerable business was transacted and among other things arrangements were made for the observance of the annual week of prayer, which will be held from the 5th to the 13th of January, 1912.

Gave Concert at Rockwood.

Thirty members of the choir of St. John's Street Methodist church went to Rockwood hospital, Tuesday evening, and gave a concert to the inmates. The music rendered was of high order, and was very much enjoyed.

The programme consisted of four choruses by the choir; quartette by W. Mack, N. Armstrong, Harold and Harvey Angrove; vocal solo by Miss I. Jenkins, Miss J. Hoag and Miss A. Elder and Harvey Angrove; duet, Mrs. James Small and Harold Angrove; flute solo, Mr. Cameron; reading, Miss Mayell.

After the concert the choir was entertained by the Rockwood authorities, and a very pleasant time was spent.

Removing to Kingston.

A. N. Robinson, one of Maxville's prominent citizens, prior to his departure for Kingston, was on Tuesday evening the guest of honor at a banquet given by the gentlemen of this town at the Commercial hotel. Support was accorded to about forty guests, after which loyal and social toasts were proposed by A. J. MacEwan, chairman, and were heartily responded to. During the evening Mr. Robinson was presented with a gold-headed cane. The band was also in attendance and added much to the entertainment.

REGIOPOLIS HOCKEY CLUB HAS ORGANIZED.

Frontenac Hockey Club Executive Meets on Friday—No Additions to be Made to the Kingston Skating Rink.

Regiopolis College Hockey Club held its annual meeting, Tuesday afternoon, for the election of officers and other business. There is great interest shown in the sport this year and a large number remained for the meeting.

The following officers were elected: Honorary president, Rev. E. J. Mac, B.A.; honorary vice-president, Hon. Dr. Sullivan; president, F. J. Quinn; first vice-president, Rev. V. Meagher, B.A.; second vice-president, W. H. N. Gill; secretary, Michael J. Kennedy; treasurer, Stewart Crawford; captain, Intercollegiate team, F. Ryan. The appointment of a captain for the second team was left over till next meeting.

R. V. Yellowly was chosen delegate to the Intercollegiate meeting, and F. J. Quinn and E. Ryan will be delegates to the City Hockey League.

There being lots of material in the college this year for two teams, it was decided to enter a team in the junior Intercollegiate and junior City Leagues.

To Play in Ottawa.

A special to the Whig from Ottawa says: Basil George, the well-known forward of the Queen's hockey team, will play in Ottawa this winter. George, employed for some time in engineering work at the O'Brien mines, Cobalt, accepted a position recently in the department of mines, to which he will be attached permanently. George graduated from Queen's last spring and was one of the fastest hockey players ever developed at the Kingston university. He comes to join the Ottawa team, which has already been located in the capital. George intends to play hockey this winter and will, probably, figure in the Ottawa section of the Interprovincial Amateur Hockey Union. Several of the Ottawa clubs are already angling for him, but while the New Edinburghs claim first call, it would not be surprising to see him throw his lot with the Stewarts.

Gilbert, the famous Queen's goalkeeper, is also here and, likewise, looked for one of the Interprovincial clubs. Stewarts may land him too, for the New Edinburghs already have eleven stops in "Clint" Benedict and "Charlie" Slack.

Late Sporting News.

A meeting of the executive of the Frontenac Hockey Club has been called for Friday evening, for the purpose of discussing matters pertaining to the welfare of the hockey teams, such as the purchasing of sweaters and other paraphernalia necessary for the players.

The covered rink will go this season without the improvements which it was announced last spring would be made regarding more seating room in the galleries. The discussion over the expiring of the lease has fixed things so that now it is too late to do anything this year.

The management of the Frontenac hockey team has received no intimation officially that either McAmmon or Davidson would return to the city to play hockey, although a telegram was sent to them immediately it became known that they could not play amateur hockey out there. They would indeed be welcomed here if they should come back. No answer has been received here in response to the telegram sent.

TO AID SANTA CLAUS

TO HELP HIM MAKE MANY HOMES HAPPY.

The Citizens Are Urged to Help Make a Fund That Will Bring Cheer and Gladness to Every Destitute Home.

There is a real satisfaction in seeing the manner in which the people are responding to the appeal for contributions towards Christmas cheer. A good many have expressed a willingness to play the part of Santa Claus for the poorer children of the city. But there is need for a much larger sum than has so far been reported. Every dollar will be carefully spent and in a service which will not be duplicated from any other source.

The societies, the churches, the individuals, who have been generously disposed at Christmas, and who have been accustomed to go out on Christmas eve on their errands of mercy need not fear any intrusion upon their territory and any overlapping of their work must go on, and the new work as well.

Let the little ones speak through the papers for your kindly remembrances, and let us add your name, gentle reader, to the list of Santa Claus Friends.

The gifts of the Fellowship Club of the Y.W.C.A. are dressing sixty dolls to aid Mr. McConachie in his Santa Claus work. Any individual or any one who has the time to help will be gladly supplied by the Y.W.C.A.

SUIT AGAINST THE CITY

For Injuries Sustained by a Lad on a Walk.

William George Draper, 417 Albert street, has entered a claim against the City of Kingston, for a hundred dollars for damages, for injuries to his son, who was hurt, on one of the city walks. It seems that on the 24th of May last, his son, George H. Draper, who had been sick for some time, was walking with the aid of a crutch, and in some way his crutch caught in a hole in the walk and threw him to the ground. It is claimed that the city is to blame for the accident, as a man was sent next morning to fix the walk. The case is in the hands of W. B. Madie, and will likely come up at the next sitting of the county court.

Debate Was a Tie.

The intercollegiate debate between Queen's and Ottawa College, held in Ottawa, on Tuesday evening, resulted in a draw. The affirmative was taken by Ottawa College, the leaders being J. G. Goughlin and A. G. McElhugh, and the negative was argued by Queen's, whose leaders were W. C. Clark, M.A., and H. McIntosh. The subject was: "Resolved that the best system of taxation is that which imposes taxes on land values only."

An Egworth League Event.

The social evening held at the home of Mr. and Mrs. N. Timmerman, Princess street, Tuesday evening, in aid of the Egworth League of Princess street Methodist church, was a most enjoyable and successful affair. A large number of young people were present and spent the evening with music and games. Refreshments were served early in the evening and the gathering broke up about 11:30 o'clock.

People Should be Thoughtful.

Some criticism has been made of the fire department because this morning they went to the corner below that on which the fire was. It seems that a call was rung in from the corner of Bay and Montreal streets, and the brigade naturally went there. The fire was a block above and the firemen went when they discovered where the blaze was. People who ring a fire alarm should remain at the box to direct the firemen, unless the blaze can be readily seen.

WE ARE PREPARING to serve you better this Xmas than ever before.
