WAS FOUND GUILTY

OF ATTEMPTING TO ENTER PRINCESS STREET STORE.

But Young Man Was Allowed to Go on Suspended Sentence by Magistrate—Claimed He Went Back of Store to Have Drink Out of Bottle With Friend.

At police court, Thursday morning, Magistrate Farrell found a young man, aged twenty-two, guilty of having attempted to enter Abernethy shoe store, Princess street, on the night of November 29th, and allowed the prisoner to go on suspended sentence.

The young man's story was that he had been at the back of the store, with another young fellow, having a drink out of a bottle, and that he had no intention whatever of breaking into the store. They went there for the purpose of drinking. The magistrate, however, did not put faith in the accused that he had been accustomed to going into barrooms for drinks, and he did not look upon the story as a likely one.

His arrest was brought about by "Bert" Abernethy, who was in the store at the time, and heard the noise at the back door. He was the first witness called in the case, and he told his story to the magistrate. He had remained in the store from six until eight o'clock, in the evening, and had heard a noise at the rear of the store. At first he thought that some of the drivers were at work, but on making an investigation he found that two young men were on the back steps. The shutters on the window had been pushed open.

Mr. Abernethy told about going to the rear of the store by way of the laneway, at the Randolph hotel, and taking the two fellows into custody. One fellow got away, but he managed to keep hold of the other, took him into the store, and then telephoned to the police.

J. M. Mowat appeared for the accused, who pleaded "not guilty," but after the evidence had been concluded, the magistrate said that he had not the least doubt in his mind as to who the accused had gone to the rear of the store. He would find him guilty of the charge laid against him. The accused had been unable to give any good reason why he should go to the rear of the store, and this was a strong point towards proving him guilty.

WILL GET SEVEN LASHES.

Prisoner Who Was Brought Here From North Bay.

A prisoner, who was brought to the penitentiary Wednesday afternoon, from North Bay, by Deputy Sheriff Varin and Constable Passmore, will receive seven lashes, in addition to his sentence of seven years, which was imposed upon him by Judge Leask. He is Arthur Flood, a young farmer, and received a boy's tax collector at North Bay, he having been found guilty of a serious offence against a girl under fourteen years of age, his wife's sister.

Rood feels his position very comfy. He was confident of escaping with a year or so, and was even so confident that when he was sentenced for sentence he smiled. Since his sentence, however, he has been very quiet and is worrying a great deal.

The North Bay officers also brought another prisoner, W. H. Prickett, who was sentenced to three years for having obtained money under false pretences.

POULTRYMEN HAD MEETING.

Will Hold Their Annual Show in January.

There was a fine meeting of the members of the Kingston Poultry and Pet Stock Association, on Wednesday evening. The members have decided to hold their annual show in January and from present indications it promises to surpass all others.

The members are taking a great interest in the work. There was a very large attendance at this meeting when a number of birds were judged in a most suitable manner, by the president, Robert Coffey. The association will meet every Wednesday from now on till the time of the show and the association is desirous of giving a large number out each evening and also to have them bring their birds with them so that they might be secured.

PAID HEAVY FINE.

For Securing Liquor For Member of "Prohibited List."

Found guilty of securing liquor for a member of the "prohibited list," Willard Phillips was, Thursday morning, fined \$25 and costs, by the magistrate. One month in jail was the option.

The charge was an old one, dating Oct. 14th. Thomas Brink, under oath, said that he was a member of the "prohibited list," and that on the day in question he had given Phillips a dollar bill and that he had secured a bottle of whiskey for him.

Remains Not Claimed.

The remains of the late William Coleman, who was employed on the Canadian Northern railway at Perth Road, and who died in the general hospital, are still unclaimed. They are still in one of the local undertaking shops. It is not known what will be done with the body as deceased has not any relations in this part of the country. It is possible that the railway company will bury the remains.

TO AID SANTA CLAUS

TO HELP HIM MAKE MANY HOMES HAPPY.

The Citizens Are Urged to Help Make a Fund That Will Bring Cheer and Gladness to Every Destitute Home.

If it were Christmas eve, a cheery night outside, but in the home of poverty the rooms were chilly and bleak, and the tired, despairing mother, surrounded by her little children, crying and angry, don't you think that it would be a great joy not only to see a hamper of provisions coming in but a great box containing toys sent by kind friends to gladden the hearts of the little children?

Would you not like to be one of those kind friends?

The city papers are devoting considerable space in urging contributions of money and toys for this very laudable cause. They are anxious to receive any amount and will acknowledge it anonymously, if the donor prefers it, or publicly mention otherwise requested. They want every child and grown person to enter into the scheme of helping Santa Claus by giving some of their substance for those for whom no one else will provide. Everybody who does this will have real Christmas joy, a pleasure greater than anything they can derive by receiving, for the good book says, "It is more blessed to give than to receive."

Every little contribution will help to satisfy the great hunger that is in the heart of every little child for something at Christmas time.

Citizens share in satisfying this longing, and help the little folks for once to realize what Christmas really is.

The following contributions, in addition to \$36.50 already received, are acknowledged:

In memory of John A. Gardner \$5.00

Tired Feet?

You can not blame the man, or you can not blame the woman whose feet ache, who has tired muscles and a body who is fatigued after a few hours walk.

The cause is a weak or broken down instep, also known as "flat-foot." The rheumatism, aches, pains, distorted looking, and the cramped toes, are all results of a weak instep or broken down arch.

Sometimes the perfect lines of the foot are destroyed and sometimes they are not, but the victim suffers all the symptoms.

T. F. HARRISON COMPANY. OUT AGAIN, IN AGAIN. Poor Michael McNally Cannot Keep Sober. Poor Michael McNally. He simply can't keep sober. The only time he can stay on the "water wagon" is when he is in jail, and the records at the police station show that he spends a great deal of his time in jail. On Tuesday, he was discharged at the jail, after serving a term for drunkenness. Last night he was arrested again on the same old charge. When McNally faced the magistrate, his worship stated that it was a great pity that there was not some farm, where the accused could be sent and made to work. A penalty of \$10 and costs or one month was imposed.

St. Luke's Sale and Tea. The Christmas sale of work in connection with St. Luke's church, held Wednesday afternoon and evening, was a most successful affair and a considerable sum of money will be realized as a result of their efforts. The sale continued with briskness throughout the afternoon and evening and by the time the affair was closed nearly everything was gone. In the evening a fine programme was given by ex-Mayor Couper, William Mack, Miss Daisy Johnston, Miss Spencer and Miss Mayell. A very fine drill, given by a number of young girls named the Dairy Maids' drill, was given in a very fine manner. Rev. R. S. Forni occupied the chair and Miss Muriel Metcalfe presided at the piano.
