QUICK RELIEF FROM THAT PERSISTENT, HACKING COUGH

We mean the kind of cough it gives one a cold shiver just to hear—the dry, deep-seated back—hack—hack—hack—that scems as if it were tearing the very vitals. That's the kind of cough that means business.

Fortunately, though, that is also one of the kinds of cough for which Na-Dru-Co Syrup of Linseed, Licorice and Chlorodyne was first prescribed, and which it has been relieving with great promptness and regularity ever since. Na-Dru-Co Syrup of Linseed, Licorice and Chlorodyne is absolutely free from harmful drugs of any kind, and is safe even for children. Itispleasant to take, and acts quickly, relieving the irritation, loosening the phlegm, promoting expectoration, and so stopping the cough.

Thousands declare it to be the best cough syrup they have ever tried.

Your Druggist will gladly recommend it, and will supply you with either a 25c. or 5oc. bottle. The National Drug & Chemical Co. of Canada, Limited. 116
