

WAS A CONFIRMED DYSPPEPTIC

Now Finds It a Pleasure to Enjoy Meals
Here is a case which seemed as bad and as hopeless as yours can possibly be.

Gentlemen—I have much pleasure in mentioning to you the benefits received from your Na-Dru-Co Dyspepsia Tablets and can cheerfully recommend them.

The fact that a lot of prescriptions or so-called "cures" have failed to help you is no sign that you have got to go on suffering.

TRIUMPH OF LABOUR.

Labour men, the province over, will rejoice in the election of Allen Studholme, of East Hamilton. Sir James Whitney disliked Mr. Studholme because he was not responsive enough. He would not recognize the all mightiness of the premier and set him at defiance. Once before the word went out; "Kill Studholme," and he was elected by a combination of liberals and labourites.

FRONTENAC A FIXTURE.

Rev. Mr. Melnes was not elected in the county of Frontenac on Monday, and the more's the pity. He was well qualified for the work of a legislator, and if capacity were the only consideration he should have been elected by a large majority. One who has attended the political meetings informs the Whig that no such addresses as Mr. Melnes' have been heard in this county for many a day.

NEW LEASE OF POWER.

The province of Ontario has pronounced upon the government of Sir James Whitney and given him a renewed lease of power—with a warning that when next he appeals to the people he will probably get a notice to quit. The manner in which the dissolution was made did not add to the popularity of the government. The evident purpose of it was to take advantage of the people, and especially of the liberal party, which, having received a severe jolt in the federal election, was not expected to rally at once.

EDITORIAL NOTES.

Rowell for premier of Ontario four years hence. Write that down, and do not forget it. Yesterday's elections returns are a warning to Sir James. He sought a snap verdict. He would, if he could, shut out all opposition, from the legislature. He has seen his best days. Public opinion is turning against him. It will run in that direction until it pushes him out. The taxation of land values is permitted in British Columbia. Alberta is making land values the basis of all taxation. In Ontario, Whitney fights the reform. He will surely surrender when some of his own supporters are pledged to vote for it at all hazards.

DOCTORS ENDORSE

NEWBRO'S HERPICIDE. When a doctor endorses a preparation it means more than an ordinary testimonial. His opinion is always that of the professional man devoted to the welfare of the people. Dr. J. J. Boyd, Covington, Tenn., says: "I feel it my duty to write this for the benefit of those suffering from dandruff. In the average case, a few applications of Newbro's Herpicide will remove all dandruff. It is advisable to continue its use for several weeks." The words of J. B. Thompson, M. D., No. 2 Burrough Place, Cor. Hollis St., Boston, Mass., are not less enthusiastic. "I can only speak in praise of Newbro's Herpicide. It is all that is claimed and perhaps more. Herpicide not only cleanses the scalp but brightens the hair, gives it life and makes it soft."

Dr. T. A. Moore, Duncan, Ariz., writes of his experience: "My scalp was in places covered by patches of dry, scaly material and the itching was incessant. Since using Herpicide all these evils have disappeared and my hair is soft, smooth and growing. Hair has grown on spots before but thibly covered. Newbro's Herpicide is the original remedy to kill the dandruff germ, and stop falling hair. The terrible itching which goes with dandruff is allayed almost at once. Herpicide is for sale at drug stores and one dollar size bottles are guaranteed. Applications may be obtained at the leading barber shops. Be sure you get genuine Herpicide. Send 10c. in postage for sample and book to The Herpicide Co., Dept. R., Detroit, Mich. Jas. B. McLeod and L. T. Pest, special agents.
