ARE WORRYING CAILLAUX.

Campaign French Premier.

Paris, Dec. 13.-The campaign against Premier Caillaux was coninued this week with increased bitterness. Much of this undoubtedly is due to the fact that the senatorial elections are to be held in January, when one-third of that body is to be renewed. The ksenate is strongly hostile to Caillaux's financial policy, notably to his proposed income tax, and sember's of the Chamber of Deputies intend to stand as candidates for seats in the Upper House.

The nature of the campaign against

the premier may be judged by the stories circulated in the newspapers, and through the common talk. His The Native Army to be Eligible For alleged menace to King Alfonso of of Spain is repeated, and added and improved details are given, such as the name of the intermediary whom M Caillaux used to convey his hint to Delta, Dec. 13 .- At the conclusion the Spanish king. This man is said Har to be the head of Madrid's chief newshad agency. In quoting King Alfonso's rethe ting the Spanish throne in jeopardy, in "Spain is not Portugal," the prime Alfred Bertie, the British ambassador, by remarking during a stag nunting party at Rambouillet : "We, too, be have our interchangeable friendships."

These and other and even wilder allegations are put forward as an explanation of the sudden commencement of negotiations with Spain over Merocco and the moderation of the French demands. Both of these were Another important change announce due to the necessity of removing the bad effect of Premier Caillaux's indis-
