Distress From Indigestion

Tried in Vain to Get a Cure—All Medicines Failed.

Old Trouble Disappeared When the Liver and Bowels Were Set Right by

DR. CHASE'S KIDNEY-LIVER PILLS.

You cannot make a greater mistake than to think that indigestion is confined to the stomach. It is a disease of the liver and bowels, and it is only by getting these organs healthy and active that you can ever hope to cure chronic indigestion. Here are two cases reported by Mr. Skinner, which tell of continued failure to cure indigestion by dosing the stomach. Both were cured thoroughly by using Dr. Chase's Kidney-Liver Pills. A. C. Skinner, Atlantic street, Hardwoodhill, Sydney, C.B., writes: "My wife was troubled with indigestion, and tried all sorts of medicines in vain. Hearing about Dr. Chase's Kidney-Liver Pills, I got her to try them, and to our great delight she was cured. We would not think of being without them in the house for use when the liver and bowels became sluggish. I told a friend about them and gave him a box. He had suffered from indigestion for years and tried most everything he could get. Dr. Chase's Kidney-Liver Pills were also successful in his case, and he says they beat any medicine he ever came across." Dr. Chase's Kidney-Liver Pills, one pill a dose, 25c. a box, at all dealers, or Edmanston, Bates & Co., Limited, Toronto.

Where South Got Daisies. Before the civil war the daisy was unknown in the south, it is said. Now it grows in many of the southern states and there has been much conjecture as to how it came to spread so quickly. A southerner, writing to a Cleveland newspaper in explanation of this, says: "Sherman brought them to us, and the march to the sea can be followed in the summer time by the daisies. The seed must have been transported in the hay brought along to feed the horses."

AWAY GO PIMPLES, BLOTCHES, SORES, ULCERS AND ALL BLOOD DISORDERS.

To try Cascarets is to like them, for never before has there been produced a perfect and as harmless a blood purifier, liver and stomach regulator as Cascarets Candy Cathartic. Be sure to take Cascarets and you will surely have good, pure, healthy, blood and no more eruptions or disfigurements. A 10-cent box of Cascarets will truly amaze you.

His health has been failing, though hopes were entertained for this recovery, but the last few weeks he had been growing rapidly worse and death ensued on Saturday evening. He was a favorite among the young people, being of a genial, and happy disposition, full of life and spirits. The funeral service was held in the Methodist church here at 10.30 a. m., Monday. Rev. J. A. Waddell delivered a most impressive address. The casket bore many beautiful floral offerings, among which was a large spray of white chrysanthemums and lilies, sent by the Epworth League, of which deceased was a member. The relatives were six school-mates: Frank Sigworth, Ross Traudslad, Ross Freeman, Robert Freeman, Morley Brown, Harry Watson.
