Surplus ..... 1,234,768

A progressive Canadian institution paying results for the past sixteen years equal to the best companies on the continent. For instance, a policy of \$5,000 showed a cash return of \$8,390, or an equivalent in paid-up insurance of \$15,169.00.

Cheaper policies have shown an earning power of over six per cent. interest after allowing the lowest possible rate for carrying the risk.
