## FIFTY YEARS WEDDED

MRS. AND MRS. THOMAS McAULEY CELEBRATED

At Their Home on Christmas Day—  
There Was a Large Family Gathering—The Aged Couple Led Off in a Dance.

One of the oldest and best known couples in the city celebrated the fiftieth anniversary of their wedding Christmas day, in the person of Mr. and Mrs. Thomas McAuley, "River View," King street west. Mr. McAuley was born in Ireland, and Mrs. McAuley (nee Nellie Clark) is of English parentage. They were married in St. James' church, of this city, fifty years ago Christmas day, and have lived here ever since.

The respected couple have two sons, and six daughters living, Henry and Bert, of this city, and Mrs. E. Keen, Emerson, Man.; Mrs. H. Moore, Medicine Hat, Man., and the Misses Emily, Mabel, at home, and Miss Etta, of Aberdeen, Miss.

All the children, with the exception of Mrs. Moore, Medicine Hat, together with numerous nieces, nephews, sons-in-law, daughters-in-law, and grandchildren, were present at the golden wedding anniversary. Mr. McAuley's sister, Mrs. T. Oliver, of Melny, Ont., and Mrs. McAuley's sister, Mrs. George Holland, Rideau street, of this city, were also present.

The happy old couple spent the afternoon, recollections of friends and friends, and telegrams, and letters, with best wishes, were received from all over Ontario, and several from the southern states.

In the evening the happy reunion perhaps reached its crowning feature, in the dinner, followed by music and a dance. Mr. and Mrs. McAuley, feeling as young as ever, led off in the squares, and were the happiest of all in the games. Mr. McAuley also played the violin.

The congratulations of citizens generally are extended to the veteran bookseller, yachtsman and motorist, and his wife, on having reached their golden wedding anniversary, and the hope is expressed, that they will be spared to enjoy many more years of happy married life.

### THREATENED HER LIFE.

Kingstonian Under Arrest on Complaint of His Wife.

On the complaint of his wife, a well-known man, was arrested, Saturday night. The wife claims that her husband has been drinking, and that he threatened to take her life. The accused was arraigned in police court, Tuesday morning. Mayor Graham, who was on the bench, in the absence of Magistrate Parrell, remanded him for a day.

One drunk, gathered in on the holiday, promised to leave the city, and was given a chance.

### Sharp-McKegg Wedding.

In St. George's cathedral, on December 21st, Rev. Canon Starr united in marriage, Miss Catherine McKegg, eldest daughter of Mr. and Mrs. John McKegg, of Kingston, to Joseph James Sharp, of Barriefield. Miss Gordon Murray attended the groom. After the ceremony all returned to the home of the bride's parents. About twenty-five sat down to supper. The bride and groom received congratulations. They also received many handsome presents. The groom was presented with a handsome lamp and rocking chair by the employees of S. Oberndorfer. Mr. and Mrs. Sharp will reside in Barriefield.

## THE SPORT REVIEW

### WARM WEATHER THREATENS TO UPSHET HOCKEY SCHEDULE.

Will be Serious Thing if There is no Ice for the Opening Games on Jan. 1st—Junior Frontenacs Are Not Together Yet—Township Hockey Matters.

The weather man must certainly have a grudge on the hockeyists this winter as, from present indications, there will not be ice for the opening junior O.H.A. games New Year's night, in which both Kingston teams compete. The Collegiate Institute team plays in Picton and Frontenacs in Trenton. There was white frost this-morning and this is an indication of more soft weather.

Whatever ice has been made on the city rink has melted again so with good cold weather it would keep the ice men busy to get ice for next Monday.

Hockey fans will await with anxiety for the turning of the thermometer. Should the O.H.A. schedule not be played off at the different times designated it would mean a serious rupture in the association's plans.

### Junior Frontenacs Are Anxious.

The junior Frontenacs, or rather the management, is very anxious to have ice soon, as there has been no team picked for the opening game on Monday. With no ice the players to draw from the management has a problem to solve. Several names have been sent in but no practice have been held. When the ice comes they will have to work quickly.

### Will be in Fine Shape.

The Bath Road Beavers, champions of last year's section of the township hockey league, are in fine shape for the beginning of the season. Their manager, "Billy" McKeed, has purchased new blue and white uniforms for them and everything up-to-date has been purchased for the junior champions.

### Township Hockeyists Meet.

The executive of the township hockey league will meet in the Windsor hotel Wednesday evening to receive the schedule of the junior group, which was to be drawn up by the president and secretary of the league. The junior schedule will be drawn up at the meeting to-morrow night.

### Basketball Games.

Two games will be played in the Sunday school basketball series at the Y.M.C.A. gymnasium on Tuesday evening. The first game will be between Bethel and St. John's and the second will be a senior game between St. Paul's and Brock. If the game goes to St. Paul's it really gives them a good hold on the cup for the season of 1912. There was to have been a third game between Sydenham and Brock streets intermediates but the game had to be postponed on account of Sydenham players being out of the city over the holidays.

### One Vote on Tavern By-law.

Many people think that they can vote on the liquor license reduction by-law in as many wards as they own property, but such is not the case. The city clerk that instructed the city clerk that ratepayers have only one vote on this question. They may vote in as many wards as they hold property on the other three by-laws but a two-thirds vote will be necessary for the box and locomotive works measures.

DEAFNESS CANNOT BE CURED. by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, Deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by Catarrh, which is nothing but an inflamed condition of the mucous surfaces.

We will give One Hundred Dollars for any case of Deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars, Free. P. Y. CHENEY & CO., Toledo, O. Street by Druggists. (Take Hall's Family Pills for constipation.)

### DEATH OF A LITTLE GIRL.

An Arch Street-Home Saddened on Christmas Morning.

The joy of the Christmas season was marred by the death, on Christmas morning, at eight o'clock, of Phyllis, the seven-year-old daughter of Mr. and Mrs. George Nobes, Arch street. The parents have the sincere sympathy of a host of friends in this and elsewhere, and in the removal from their midst and that of her playmates, of one of the brightest little girls in the neighborhood.

Little Phyllis took ill suddenly on Thursday. Pneumonia soon developed, which was followed on Sunday by meningitis. In spite of all that could be done, the young life could not be saved.

The late little girl is survived by her father and mother, and one brother and one sister. Phyllis was the second child. She belonged to St. James' Sunday school, and the funeral service will be conducted by Rev. T. W. Savary, Wednesday morning.

### City Will Lose Revenue.

Have the taxpayers stopped to consider what revenue the city will lose through the cutting off of tea licenses? The sum of \$2,500 in fees is by no means what will be lost. There will be a drop in the general and business assessment of the city, resulting in a big loss in taxes.—Adv't.

### A Bequest of \$20,000.

Patrick Lyons, well-known in Kingston, and a native of Railton, now a prominent member of the New York police force, was left last week the handsome sum of \$20,000 by a young lady of Elmira, N.Y., whom he befriended some fifteen years ago on Broadway, New York, when two notorious tramps attempted to pick her pockets.

A piece of buffalo hide, with a bronze buffalo holding together a pea wiper, is this year's gift of the Manitoba Free Press to its conferees throughout the dominion. It is a pretty souvenir and the history of the buffalo on western plains gives an added interest to the present. For ten years the Free Press, one of Canada's greatest journals, has been sending out unique Christmas gifts, the one this year is the equal of anything hitherto issued.

### GIFT OF HANDSOME CLOCK

To D. P. Branigan, Manager of Grand Opera House.

A pleasing event took place at the Grand Opera House after the matinee on Monday. The orchestra and employees of the house assembled on the stage and requested the presence of D. P. Branigan, the manager. Peter Clarke stepped forward and read the following address:

"Christmas day, 1911. D. P. Branigan, manager of the Grand Opera House."

"As employees of the Grand Opera House, we are once more assembled here on this festive day, and the boys have chosen me, on their behalf, to ex-

D. P. BRANIGAN.

press to you their appreciation of your kindness and impartial courtesy to them all, and as an indication of their good will, ask you to accept this clock as a small token of their regard and wish you may be long spared to listen to its chimes.

"The employees join with me in wishing yourself, Mrs. Branigan and family, the jolliest of Christmases and happiest of New Years."

Mr. Branigan replied in his usual happy manner. His words were well chosen and to the point. He thanked them from the bottom of his heart for their expressions of good will towards himself, Mrs. Branigan and family. On previous occasions they had manifested their good will towards him and he could assure them he felt deeply touched for their friendship to him. Their services were valuable to the house. Their courtesy to many companies who have occupied the house from time to time has been greatly appreciated and remarked by them. He again thanked them on behalf of Mrs. Branigan and himself for their repeated expressions of good will.

The clock is a beautiful work of art and the chimes are sweet and musical. It is a real handsome testimonial of regard.

### CHRISTMAS AT THE BARRACKS.

Soldiers Had a Good, Though Quiet Celebration.

The soldiers of the R.C.H.A. spent a very quiet day on December 25th. At noon there was the usual large dinner in the sergeants' mess room, to which a number of citizens of the town were invited. A good time was spent during the afternoon, and the evening passed off quietly. The married men each enjoyed the turkey presented by the military authorities, in their own homes.

### At the Penitentiary.

In addition to the ordinary tin of oatmeal and spoonful of sugar, the penitentiary prisoners received at breakfast time each a currant loaf and a pat of butter, together with a tin of hot coffee. At noon a generous helping of roast pork, baked potatoes and parsnips were served, after which the men returned to their cells for the rest of the day with another can of coffee and a large plum pudding.

Services were held in the morning in both chapels, which were nicely decorated.
