EDITORIAL NOTES.

The mayor-elect is in favour of se- with the locomotive works, or euring factory sites. Well he might box works, which it is proposed to be, and he will make a ten-strike if he follows up the suggestion with persistent action until the idea omes effective.

The women voters in other places I have a large and varied I are strong on moral and social retock suitable for Christmas forms. The women of Kingston cannot afford to be different. In the re duction of licenses they will fit work that fits the hand,

day upon two by-laws which grant ington voted for prohibition, and its fixed assessments to local industries. business men now declare that it And "snaps" as they are supposed to would be a calamity to return to be they are not in the same class former conditions.

Home Rule for Ireland will be the rock on which the Asquith government will be defeated. Social reforms will bring it strength, but on home rule the slump will be as large as usual. That is the reading of the times.

Could the city do with ten bars less? Yes, it could prosper if all the bars were closed. They are the The Lindsay people vote on Mon- | bane of the license system. Leam-

NAP-SHOTING TIGERS IN THE INDIAN JUNGLE.

Richard Kearton Took Picture Records-He Tells of Some Close Calls He Had.

London, Dec. 26 .- Richard Kearton, who has made a world-wide reputation by photographing birds and beasts in their native haunts, has just returned after a trip to India, where he has been engaged in taking cinematographs in the jungle of wild animals, upon which King George is now testing his prowess as

"Many of my photographs were taken from the back of an elephant, thus presenting views of the jungle exactly as the king will see it," Kearton said yesterday. "It me twenty days to find a though tiger spoor were plentiful. The tiger I got had seized a bullock talk tunnel by doing so.

me. Photographs taken from a tree waited there half an hour. a the tiger was approaching by the beaters, some of whom were up trees, tapping like woodpeckers; others were A reptile fund was in existence, with every notsy thing they possessed on the ground, making hideous sounds -just as the beaters will do for th

tiger came down the tunnel get rid of the idea that he did not and out into the open, and I photographed him directly he got half way across. He gave vest to a number as of most terrific coughs. "The natives wanted to kill the ti-

could not understand why I wanted to turn a handle at the animal. Fifteen, saying they would be his next victims, got behind the bush with spears, and when the tiger was driven up to them, three of the men a rushed out with their weapons

"The tiger leaped from the jungle. The man on the right and the man on the left bolted. The man them, but fell upon his face. and that the tiger threw himself upo First in importance is the by-law by The box factory is an enterprise like a flash of lightning, and put his head down to the back of the man's
