ARE YOU

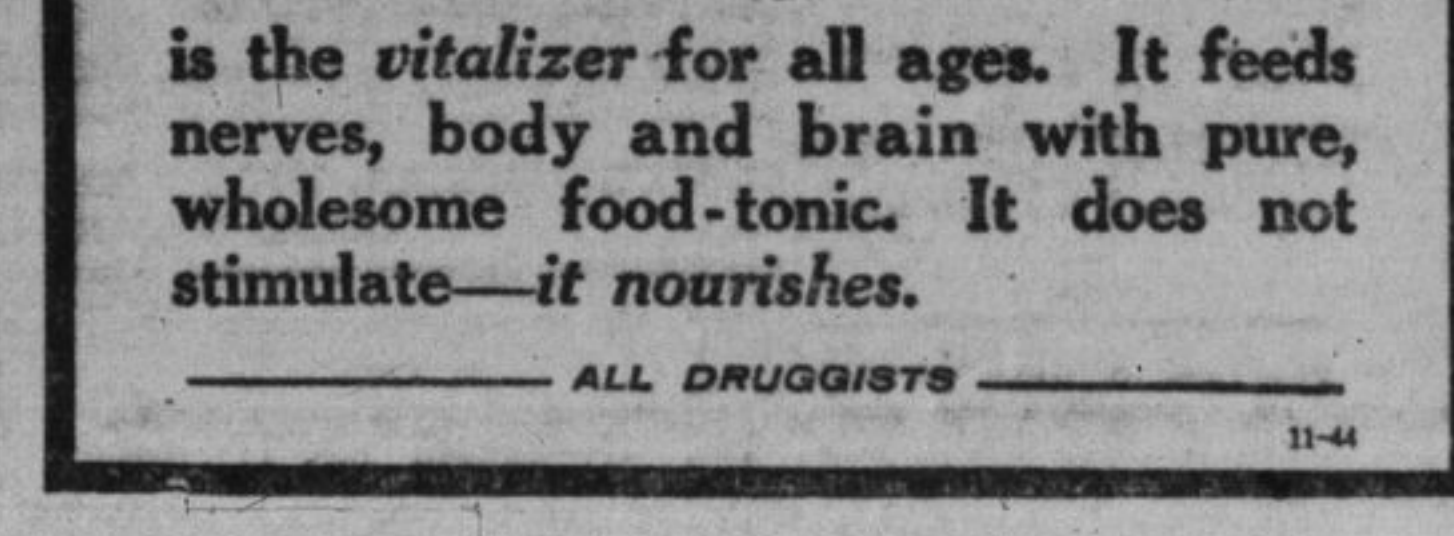

IN THE THICK OF THINGS OR THE THIN OF THINGS?

It takes the steady nerve, the elastic step, the energetic body to meet modern conditions, and the quick mind grasps the fact that body and nerves must be properly nourished.

Weak, hesitating, doubting natures are those who lack vitality. Their kingdom is the crust or outer edge—the thin of things.

SCOTT'S EMULSION

is the vitalizer for all ages. It feeds nerves, body and brain with pure, wholesome food- tonic. It does not stimulate—it nourishes.

WILSON'S INVALIDS PORT

(A la Quina du Perou)

Because of the great popularity of Wilson's Invalids' Port with the Medical Profession, there have been put upon the market several attempts at imitation of this well-known standard wine tonic.

Why be cajoled into trying imitations because of their cheapness? The best is better than any—nothing but the best should satisfy you.

The name "Wilson's Invalids' Port" is registered at Ottawa, as also the signature of the proprietor of this preparation, which appears on all labels and neck bands of the genuine preparation—to imitate them may be the sincerest form of flattery BUT it is a criminal offence punishable by law.

Insist on getting genuine Invalids' Port as THE BEST IS BETTER THAN ANY.

DE. A. COWAN MOPRATT, Member Pharmaceutical Society of N. B. Kingston, N. B., says:
"I have used 'Wilson's Invalids' Port' it is certainly THE BEST of tonic wines, and I have much pleasure in prescribing it."
