"Yes, your reverence." "What have you done with it?" "Killed it and ate it, your reverence."

Had Delightful Trip. Letter received by the Grand Trunk Pacific railway headquarters from one of the prominent artists of New York, who has just returned from a trip over the Grand Trunk Pacific as far as the Canadian Rockies, contains the following: "I went out to the end of steel on the Grand Trunk Pacific, then took the trail over to Maligne Lake, which I found to be the most beautiful lake I ever saw in my life. I had a delightful trip, and made several sketches. Notwithstanding I stopped off at Watrous, and from there went out duck shooting in different directions, and had a most delightful time. Next year I hope to be able to get away earlier and see more of your magnificent country."

The Old Youngster. Something like a panic was going on behind the scenes of the Little Mudwich Hippo-Palace, and Empire Coliseum. For one of the star artists couldn't be found, and the audience were even now beginning to demand their two-pence back.

"Where, oh, where is Little Ello, the six-year-old wonder of the world?" cried the stage manager frantically. And the other marvels of the universe echoed "Where?"

But at last a call boy was found who had news of the six-year-old wonder.

"Where is she?" they cried. "She's gone down to the station," explained the boy. "Her second daughter's been married, to-day, and she wants to see her off on her honeymoon."—Toronto Star-Weekly.

Dance at Rockwood. The dance held at Rockwood hospital, on Tuesday evening, by the employees of the hospital, was a most enjoyable affair. Music was rendered by the hospital orchestra, and it was a most delightful one. The programme consisted of sixteen numbers. The affair was brought to a close at midnight.

Big Fire in Chicago. Chicago, Jan. 3.—A fire in Swift's five-story block, long smoke house building, did half a million dollars damage, and is still burning. Three firemen were hurt.

Well, then, your reverence, I'd say, "Mrs. Malone, there's your pig." Few explanations really explain. Only a woman can smile crestfallen when she wants to cry.

A woman never means it when she says she doesn't care how she looks.

One day in the British Museum a guide was recounting to a little group of tourists the glories of a battered centaur, when a Chicago man's sales were interrupted with the question: "Excuse me, sir, but what would they feed a bloke like that on—ham and eggs or hay?"

TO THE PUBLIC. If cough syrups would cure coughs every time, it would not be necessary for us to print this information, but there are so many cases of chronic bronchitis in town that have hung on for months and years, we feel that we must tell you what we know about it.

It is a positive fact that the only right way to treat a cough is to use a remedy that acts on the blood, such as Vinol, our delicious cod liver and iron preparation without oil.

This makes the blood rich and pure so it can heal and strengthen the inflamed bronchial tubes. Its taste is so pleasant that even children like it. Mrs. Olivia Parham, East Durham, N.C., says: "I used Vinol for a cough which had lasted two years and it gave me perfect satisfaction. I am also giving it to a delicate child to strengthen her. She will not take any other medicine but Vinol is so pleasant she cries for it and it is benefiting her very much."

Remember if Vinol does not help you it costs you nothing. Mahood's drug store, Kingston, Ont.

It was a mixed party, and when the lights were lowered for the old-fashioned "snap-dragon" young Blinks managed to edge closer to the golden-haired maiden he adored.

There was a three-minute scramble, and when the lights went up there arose a howl of disappointment from one of the young lads who happened to be near our friend, Blinks.

"What's the matter, Willie?" inquired the hostess. "Didn't you get any raisins?"

"Did-didn't get the chance," followed the boy. "Soon as it started that fellow with the eye-glasses e-colored hold of my hand and d-didn't leave off kiss-kissing it till the g-gas was on again!"—Pearson's.
