

THE SPORT REVIEW

A PRESENTATION MADE TO GEORGE VANHORN.

The Ex-Frontenac Player Who Goes to Calgary—Basketball Games at the Y.M.C.A. Gymnasium.

At the covered rink, Tuesday night, at 10.30 o'clock, during the practice of the junior Frontenacs, George L. Vanhorn, one of the best known hockey players in the city, was presented with a travelling bag by a number of his friends on the eve of his departure for Calgary, where he has obtained a good position.

"Jim" Sutherland blew his whistle for the youngsters to stop practicing, and all gathered 'at one end of the rink, when Mr. Sutherland made a short speech referring to the fact that George Vanhorn had always been there "with the goods" in the hockey line ever since he was a youngster. He had a record as a hockey player to be proud of. Once a member of the junior champions of Ontario, three time member of the runners-up in the senior O.H.A. series, and once a member of the champion 14th hockey team. He

then presented him with the travelling bag, and remarked that the initials "G.L.V." also stood for "Good Luck Van."

George was touched by the remembrance of his friends and could hardly reply. The severing of the friendships of his boyhood days was more than he thought it would be, and he was deeply affected. He thanked them heartily for the gift, and the little scene was brought to a close by singing "For He's a Jolly Good Fellow."

Came as a Surprise.

The news of the Collegiate junior O.H.A. team dropping out of the series came as a surprise to the hockey fans, many of whom thought that the team would stick, now that it had gone this far, but Collegiate fans were forced out on account of no ice for the opening game. It would have been better for them financially if they had never entered, but it is too late now to draw back.

Basketball Games.

Three of the best games in the Sunday School Basketball League were played at the Y.M.C.A. gymnasium, on Tuesday evening. The first, between Bethel and Brock, was a very good exhibition of ball. At times it was very open. The half-time score stood 11 to 19, for Bethel, but it finished 35 to 19 for them.

Bethel—Edgar, Holland, Law, Veale and Wilson.

Brock—Reid, Harrison, Kineh, Crawford, Davis.

Referee—Leslie Meek.

The game which created the most interest and excitement was between St. James' and Sydenham. St. James' had played four games and had been victorious in all. Sydenham had played five games, and had been defeated only once. If the Angliens had won last night's game, they would practically have had championship clinched. But Sydenham, after a hard fight, won out by the score of 17 to 15. During the first half, St. James' had a little the better of the play. The checking was very close, and the half ended with a score of 8 to 7, for St. James'.

Both teams came back as strong as ever, and after ten minutes' play the Angliens continued to lead by two points. But the Methodists possessed the lucky horseshoe, and won the game in the last five minutes, by scoring two baskets, in succession. With one minute to play, and the score standing 17 to 15, for the Methodists, St. James' team seemed to grow as excited as the spectators, but

failed to pull down Sydenham's small lead. Both teams played a persistent game, and honors were shared equally.

Sydenham—Pense, Holder, Trotter, Ward, Wightman.

St. James'—Sergeant, Potter, Sharpe, Esford, Partridge.

Referee—Kenneth McCullough.

The last game of the evening was very ragged. Baskets on both sides were got without much work. St. John's won from Cooke's by 21 to 14. This is the second time that Cooke's have been defeated by St. John's.

St. John's—Scammell, Nicholson, Davidson, Forsythe, Thompson.

Cooke's—Kiell, K. Kiell, Parkhill, Frances and Sherbino.

Referee—John Stagg.

Picton Reorganized.

At an enthusiastic meeting of the O.H.A. junior Picton club was reorganized, with the following officers: honorary president, B. R. Hepburn, M.P.; honorary vice-president, R. A. rman, M.P.P.; president, T. O. Randall; vice-president, Alfred Hubbs; treasurer, G. E. Boulter; manager and registrar, Earl Croft; secretary, M. Ferguson. E. Boulter has offered to donate a cup for a county league if one is organized.

Entries Received Thursday.

The executive of the S.S.A.A.A. will, on Thursday evening, receive entries of all teams wishing to enter the hockey schedule, which will be drawn up that night. There will be three groups "A" and "B", senior and a junior series. Teams are warned that no entries will be received after that night and entry fees must accompany entry forms.

Will Stimulate the Interest.

The formation of the proposed county hockey league has met with the approval of a large number of fans interested in district hockey and they think it will stimulate the interest. The greatest drawback will be lack of rink accommodation, but where there is a will there is a way.

The Rankin Trophy.

The beautiful cup donated by Anthony Rankin, M.P.P., for the senior champions of the township hockey league, is now in the window of Smith Bros' store on King street. It is of different design from the ordinary hockey trophies, but it is none the less beautiful. The team that wins this cup will have something to be proud of.

League Opens Next Week.

The City Hockey League opens next Tuesday evening at the Palace rink and a meeting of the executive of the league has been called for next Saturday evening to make final arrangements.

Has a Good Record.

"Joe" Ryder, the husky goal-keeper for the Bath Road Beavers, champions of last year's township hockey league, is "some net watcher." During the two years he has had charge of the cage for the Bath Road team, he has only had six goals scored against him. Can any goal-keeper in this vicinity claim as good a record as that?

Had a Practice Game.

The Senior Granites and Bath Road Beavers had a practice game at the Palace rink, Tuesday evening, and the senior city champions defeated the township team by the close score of 3 to 1. Both teams showed up well for the first time this season.

Ice in Bad Shape.

Unless the weather man hands out a colder brand of winter weather, the hockey teams will be playing on the boards at the covered rink, Friday night. The heavy skating, Monday and Tuesday, worked havoc with the thin coat, and Tuesday night some of the players were skating on the boards.

What Happened a Quarter of a Century Ago.

Ice is not very safe, too much snow on it to permit of its thickening. Mr. Maloney, carter, had face badly frozen.

Napanee and Tamworth R.R. survey concluded.

Police court receipts for 1886: Mues, \$1,386; fees, \$561.46.

Ald. John Carson elected mayor.

Treated the Firemen.

Mayor-Elect F. J. Hoag gave the fireman at each of the stations an oyster supper, on Tuesday evening. The feast was held at the fire halls, and the kindness of the mayor-elect was much appreciated by the fire-fighters.

MEN ARE HELPLESS AS CHILDREN

When Taken Suddenly Ill—Here is a Common-sense Safeguard.

Big, strong man is as a helpless infant when he is suddenly ill.

The sturdiest chap in town usually loses his self-control, and is utterly unable to regard his condition with the common sense that characterizes his every-day actions.

For example: He comes home tired, eats a heavy dinner and sits down to read and smoke away a quiet evening.

Suddenly he notices a weight on his stomach; then sharp pains around his heart, and a feeling of suffocation. Thoughts of "heart disease" rush over him, and in his agony he fears the worst.

His trouble was acute indigestion, brought on by overloading his tired stomach.

A couple of Rexall Dyspepsia Tablets might have given him relief—might have saved him hours of suffering.

Carry a package of Rexall Dyspepsia Tablets in your vest pocket, or keep them in your room. Take one after each heavy meal, and ward off indigestion.

Rexall Dyspepsia Tablets relieve stomach troubles by aiding nature to supply those elements, the absence of which in the gastric juices, causes indigestion and dyspepsia. They tend to aid the stomach to digest all kinds of food and to quickly convert it into rich, red blood.

We know what Rexall Dyspepsia Tablets are and what they will do. We guarantee them to relieve indigestion and dyspepsia. If they fail, we will refund your money.

FINE SUMMER HOTEL

GEORGE C. BOLDT BREAKS GROUND FOR BUILDING.

Old Club House Moved—Is Now Over by Golf Club and Grand Stand Has Been Erected—Tennis Courts Laid Out.

Ground has been broken on Wellesley Island by George C. Boldt, New York for what is believed to be one of the biggest summer hotels on the river.

Some 200 men are at work in preparing the ground for the building which will be erected next spring. The Thousand Island Country club house has been moved over to the golf club and the new building is to be built on this site.

Tennis courts will be laid out at the golf grounds, and a large concrete grandstand has been built for spectators at the grounds. It is believed that it is the intention of Mr. Boldt to erect a large summer hotel to run in conjunction with the Waldorf-Astoria in New York.

While little information can be secured regarding the enterprise, it is known that for a long time Mr. Boldt has contemplated erecting a summer hotel on Wellesley Island, where his farm is located. With the Frontenac hotel destroyed this belief is strengthened, and it is thought that the coming summer will witness the erection of a magnificent hotel.
