"Dr. Miles' Nerve Completely Cured Our Little Boy of Fits."

A family can suffer no greater affliction than to have a child subject to fits, or epilepsy. Many a father or mother would give their all to restore such a child to health. "I am heartily glad to tell you of our little boy who was completely cured of fits. He commenced having them at 18 months of age and had them for four years. I tried three doctors and one specialist but all of them said he could not be cured, but Dr. Miles' Restorative Nerve and Dr. Miles' Nerve and Liver Pills made a complete cure. He is now hale, hearty and gay. It has been three years since he had the last spell. I shall give Dr. Miles' medicines praise wherever I go. You are at liberty to use this letter as you see fit and anyone writing to me I will gladly answer if they enclose stamp for return."

Dr. Miles' Nerve is just what it is represented to be, a medicine compounded especially for nervous diseases, such as fits, spasms, St. Vitus' dance, convulsions and epilepsy. These diseases frequently lead to insanity or cause weak minds. Dr. Miles' Nerve has proven most effective in relieving these dreaded maladies.

Sold by all druggists. If the first bottle fails to benefit your money is returned. MILES MEDICAL CO., Toronto, Can.
