Kingston Regarded as a Fine Spot---What He Thinks

W. E. Skinner, in Methodist Record, would be strengthened if all moved to-Half-way between the two great cit- gether and spoke with one voice. And ies is kingston, beautifully situated how wasteful is, the present system ! on the shore of Laka Ontario. This is Each of the four churches has its own one of the oldest cities of Canada, and ordained minister and manse expenses. its history goes back to the early days In England, two, or at most three, of the French occupation, as the in ministers would suffice, and scope scription over the gate of the Tete du would be given for the work of the Pont barracks reminds us. Kingston, strong body of local preachers that a "the old Limestone city," as it is university city like Kingston might called, from the character of many of with the greatest case provide. And its buildings, is a place of 20,000 peo-ple, with all the amenities of city life cultured and practised preachers would -fine university buildings, court the to the ranks of the future minis house, city hall, general hospital, Roy try in Canada—that ministry to find al Military College, Armouries, good fecruits for which Dr. Woodsworth has hops, and many churches, including to visit England every year. four Methodist. I have seldom seen a great inland sea, in an atmosphere that almost sparkles with brilliance, and with some of the loveliest scenery of the world in the Thousand Islands on the one side, and the myriad lakes of Northern Ontario on the other,

wirch upon the public life of the city stands on his defence.

milding two culverts; \$3. John Shil-

I had the pleasure of mingling in the friendliest fashion with many of the Kingston Methodists during some weeks, in church and home. In no re spect did they seem to me to fall below the standard of their English brethren. I spent two afternoons in the Sunday school at Queen Street and was delighted with the instruc-But it is of Kingston Methodism tion. One of the Sundays was really that I want to say a word or two. It day, a yearly festival which marks the tried many kinds of medicine, but meeting to-night, winding up a very from the English point of view a town opening of the winter campaign. Over the English point of view a town opening of the winter campaign. Over the that I was slipping into chronic in villagers are buying hay. The new Methodist circuit can be conceived of, present, and no fewer than thirteen o validism. I was advised to try Dr. council met in the hall on Monday. it is Kingston. Here, within probably the classes displayed the banner which Williams Pink Pills, and although I The Maccabees Society will give a less than two square miles, there are denoted a perfect attendance—every felt somewhat hopeless decided to do concert the coming month four substantial Methodist churches, scholar on the roll present.
