DUNLOP
Traction Tread

Another Opinion:

"My Dunlop Traction Treads
have gone about 2,000 miles
and look as fresh as when put
on. I have made several long
trips on wet, muddy roads and
have never found it necessary
to use a tire chain. My ex-
perience thus far goes to show
that these are real Anti-Skid
tires, and they are simply great
for hill-climbing in sand."

MATTERS CLEARED UP

TO THE SATISFACTION OF BOTH PARTIES.

A Statement Regarding the Locomotive Works Issued by Aemilius Jarvis & Co., and Hon. William Hart.

The following statement has been issued and bears the signatures of Aemilius Jarvis & Co., and William Hart:

In order that the shareholders of the Canadian Locomotive company may not be prejudiced by any misunderstandings which have arisen between Messrs. Jarvis & Co., and the Hon. William Hart, its former president, the latter have concurred in submitting the following statement to the shareholders:

When the new company was organized on July 1st last, Mr. Hart was requested to take the presidency and agreed to do so for a limited period, but it was definitely understood that in accordance with his own wishes he was to be relieved as soon as possible. On the 1st of July Mr. Hart by letter requested Mr. Jarvis to provide a permanent successor immediately if possible, and this request was frequently repeated during the ensuing months. Owing to misunderstandings hereinafter referred to, he subsequently concluded that he ought not to resign until such time as matters in difference were adjusted.

The only matters involved which are of interest to the shareholders of the company are—the question as to the 1,000 shares of common stock which Messrs. Jarvis & Co. agreed to deposit in trust for the purposes of the company, and the payment of \$105,000 to make up the profit (estimated by the auditors employed by Messrs. Jarvis & Co.) upon one contract, intentionally taken by the old company without profit, for what all agreed were good business reasons.

As to the 1,000 shares, Messrs. Jarvis & Co. have always acknowledged to the directors, including Mr. Hart, that they held these shares for the benefit of the company, whilst Mr. Hart contended that under Messrs. Jarvis & Co.'s agreement the shares should be deposited in the hands of a trustee, and prior to his retirement from the presidency of the company it has now been arranged that this matter will be dealt with by the company's directors at an early meeting and the shares deposited, as required by the agreement of Messrs. Jarvis & Co., in whatever manner the directors may determine to be in the best interests of the company.

As to the \$105,000, the parties agree that with the profits of the company supplemented by the payment of this amount to make up the auditors' estimated profit on the contract referred to, which was not realized, there were more than sufficient funds in the treasury of the company to justify the payment of the dividend. Mr. Hart never objected to the company receiving the \$105,000 nor to the payment of the dividend, but desired that the shareholders should be advised of the source from whence this sum came and how applied for the purposes of the company, whereas the other directors considered that the contract in question having been taken under the circumstances above set forth, it was not necessary to refer to the matter.

All the representations of fact made to Messrs. Jarvis & Co. when they purchased the securities of the locomotive company were found to be correct upon an examination of the books of the company by the auditors, as well as the valuation of the assets of the company by the Canadian Appraisal company.

The differences and misunderstandings arose with reference to the two matters above set forth, and this statement is submitted to the shareholders that they may have a concise statement of the differences, which have now been cleared up to the satisfaction of both parties.

AT QUEEN STREET CHURCH

A High Tea Was Given on Thursday Evening.

The high tea given by the Ladies' Aid of Queen Street Methodist church in the school room, Thursday evening was a marked success. The menu was of high order, and about 200 of the congregation and their friends partook of it.

After tea all moved into the church, where a programme was carried out. The pastor of the church, Rev. S. Selvey, acted as chairman, and a short address was given by Rev. T. W. Neal, pastor of Sydenham street church. Excellent musical numbers were rendered, consisting of the following: Vocal solos, Mrs. J. Evans; Miss Jessica Reid, Miss I. Jenkins, G. Attwood, A. Beecroft, W. E. Manhart; violin solo, Mignon Telgmann; duet, Miss J. Reid and G. Attwood; quartettes, J. Shea, G. Attwood, A. Truesdell, A. Beecroft. Miss M. Meek capably presided at the organ throughout.

Blaze at Hosiery Mill

A small blaze occurred at the Kingston Hosiery company's mill about eight o'clock on Friday morning but the blaze was extinguished by the men at the factory who acted as firemen, and no alarm was sent into the city. The company place the loss at about \$15. The whistle blew, as is the general custom, in case of fire, and the employees got out of the factory in record time, setting forth a good example in a case of this kind.

Fire losses recently settled by Mills, 79 Clarence street, are: D. M. Spence, in the Anglo-American; J. M. Hughes, in the Merchants; and John Green, in the Queen Insurance companies.

Relatives of Young Man Who Committed Suicide.

On Thursday night, Dr. W. W. Sands, coroner, was notified by telephone from Casselman, Ont., that relatives suicide would arrive in Kingston, on Friday, to claim the body. The name Dr. Sands used for his inquiries was that of Heroux, so there is no doubt but that the young man's name was Charles E. Heroux, as his belongings would indicate. The police at St. Martha, where the deceased's mother lived at one time, were communicated with, and they evidently traced his relatives to Casselman.

Lost Rig Found.

A report was made to the police, Friday morning, that a horse and rig, belonging to the Imperial laundry, was missing. The outfit had been left in front of the Windsor hotel, while the driver was looking after some business, and when he came out the horse and rig were missing. It was thought that some person had made off with the outfit but some time later the horse and rig were located near the Albion hotel, the horse having wandered away.

TEA FOR THE PUPILS

Of the Sydenham Street Methodist Bible School.

The annual tea for the junior and intermediate scholars and teachers of Sydenham Street Methodist Bible school was held in the lecture room of the church, Thursday evening, with about 100 present. The spread was very substantial, and nicely arranged.

The tea was followed by a well-arranged toast list, and a concert, in which many of the children showed marked and promising ability. The superintendent of the school, T. F. Harrison, very capably acted as toastmaster, and those who arranged the entire programme have reason to feel pleased.

The first toast, "The King," was responded by the singing of the national anthem, and the following were duly honored: "The Pastor," proposed by F. M. Bird, and responded to by Rev. T. W. Neal; "Scholars," proposed by R. S. Graham, responded to by Master Gordon Honey; "The Superintendent," proposed by Master Hubert Chown, responded to by T. F. Harrison; "The Teachers," proposed by Miss Lucile Corbett, responded to by Roy Ward; "The Boy Scouts," proposed by F. R. Anglin, responded to by Master Gerald Muirhead.

The remainder of the programme was: Recitations, Phyllis Coates, Mary Chown, Lilly Saunders, Henry McQueen; vocal solo, Mary Andrews; piano solo, Marjory Bird; duet, Helen James Chown; reading, Jean Chown. Choruses were also sung.

"Chaucer" Elliott to Referee Trenton-Frontenac Junior Game—Belleville-Frontenac Game Postponed.

The Varsity hockey team arrived in the city at 2:30 o'clock Friday afternoon, and went immediately to the Randolph hotel. The players seemed confident of winning. Although Manager Edgar did not say so, one could gather that he expects his team to win. The line-up is: Goal, Laird; point, Smith; cover, Curner; rover, Tilt; centre, Jupp; right wing, Kern; left wing, Aird.

Arts Basketball Game.

In the arts inter-year basketball league games at Queen's gymnasium on Thursday, the year '15 won from '13 by 25 to 5. The teams were: Year '15—Lewis, Willisroft, Fisher, Pilgrim, Pirie, McKenzie. Year '13—Reid, Melville, McKenzie, McQuaid, Attwood.

Games Called Off.

The ice at the curling and the skating rink is by no means in good shape. The curling games between Belleville and Kingston to be played at the local rink on Thursday evening had to be called off on account of the bad condition of the ice. It is expected that the ice will be in good shape by this evening, as the weather is getting colder.

Don't Spit or Smoke.

People who go to the game this evening at the covered rink between Frontenac seniors and Varsity had better beware and not spit on the ice or smoke. The management of the rink and also the teams will not stand for it.

T.A.A.C. vs. Queen's.

T.A.A.C. hockey team, of Toronto, will play the Queen's seniors an exhibition game at the covered rink on Monday evening. The management of Queen's has been trying to get on this game for some time, and received word on Friday morning that the team would come.

Elliott Will Referee.

"Chaucer" Elliott will likely be the one to handle the Trenton-Frontenac game in Trenton, Saturday night. Excitement is so high among the followers of the team here that a large number will journey to the "caming" town with the local team.

Game is Postponed.

The Belleville-Frontenac junior hockey match which was scheduled to be played here on January 26th, has been postponed until January 29th. Queen's play Varsity here on the 26th so the junior game had to be postponed.

The barge, which is owned by the Montreal Transportation company, will be towed to Kingston just as soon as navigation opens. The work of raising the barge was commenced several weeks ago and has resulted in great success.
