HERE ON MONDAY EVENING:

Ice Cutting Regulations May be Both on Subject Matter and Style-The Judges' Award Was Queen's 85 Points, Ottawa College 79

At the first meeting of the board of health for the year 1912, held on Monday afternoon, Archibald Strachan was elected chairman. He was not present at the meeting, but was the unanimous on subject matter and style, on the choice on motion of James B. Mc-former by five points and the latter Leod, the retiring chairman, who pre-by one point, so that the victory sided. The other members present was decisive. In Ottawa two months were John Lemmon, Henry Taylor, ago these two colleges tied in their the new member, Hugh McBratney, and debate and the contest Monday night

hand, and the session was a short kingdom to ratify the Declaration of London" was the subject of the depassed, and the medical health officer bate. The hall was well filled, and reported on several cases, giving the the students, before the debate and members some desired information. while waiting for the judges' decision, made things lively and interesting by their yells, songs and paro-

> The advisability of inaadvisability of the ratification of the Declaration is a very large international question with many sides, but, nevertheless the arguments and points presented by the Queen's debaters, on the affirresult was that the judges awarded Being Pebuilt for Department of Queen's, out of a possible 100 points, 85 to Ottawa's 791

was allowed twenty minutes for the representatives in the affirmative were W. C. Clark, M.A., and H. Mc Intosh, while the negative was gued by J. J. Kennedy and F. W. Hackett, for Ottawa College.

The judges were Hon. Justice M. Britton, of Toronto, Major F. lege, and J. J. Behan, of this city. Justice Britton, after twenty utes' deliberation with the udges, announced their decision.

W. C. Clark, M.A., was the first chemistry department alone has felt of to take the floor and in a well-ar- cramped in the building, which used to that from numerous points of view has been moved into its new quarters, the cutting of ice, but no new rules this declaration would be injurious Gordon hall.
