II and Queen's III, will be the first, and will start at 7:30 o'clock. The second will be between R.M.C. I and Queen's II. This should be a very interesting game, in view of the fact that it is known that Queen's has a very strong second team, while the Cadets trimmed the senior Frontenacs at a practice game by the score of 12 to 8. The soldiers' first team is fast and tricky and have a combination that is wonderful.

### A GREAT LAWYER SAID

"If I had my way" a famous lawyer once said "I would make good health as contagious as measles. Just think of it—suppose you could catch good health as easily as you catch cold—this would be a poor world for doctors and druggists."

Mrs. T. A. Trapp, who lives in Arlington, N.S., has found the next best thing to catching good health. She says: "A few weeks ago I contracted a cough which annoyed me a great deal as I was badly run down at the time. It kept me awake at night and distressed me greatly. After two weeks of this I began to take Vinol and one bottle not only caused my cough to disappear but I feel much better in every way and can sleep well again."

If you can literally "catch" good health, you can at least recover it and build yourself up by taking our delicious cod liver and iron remedy, Vinol. It makes weak folks strong, and we guarantee it to give perfect satisfaction. Your money back if it does not. Mahood's drug store, Kingston, Ont.

### No Basis for Settlement.

The police magistrate of St. Thomas is a natural peace-maker and always endeavors to smooth over any slight difference between the parties brought before him.

Once, when the charge involved was for technical assault, in came out in the course of evidence that the parties were neighbors and had formerly been on the best of terms.

"This is too bad, too bad," commented the judge, "and between such old friends. Is this not a case that might be settled out of court?"

"I'm sorry to say that it can't be done, your honor," remarked the plaintiff, seriously. "I thought of that myself, but the coward won't fight."
